JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FIFTY-FIFTH DAY, MONDAY, APRIL 17, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Darin Chappell.

Our God, and Father in Heaven,

We thank You for this day in which we are blessed to gather in the People's House to consider the People's business. We thank You for our individual abilities, which, when brought together in honest effort for good, become of far greater efficacy than any of us could be alone.

We ask, Father, that we would have the courage of our convictions, the intellectual integrity to have open minds, and the humility to sincerely ask ourselves, "What if I'm wrong?"

We ask that we would seek liberty, freedom, and the right, within the role of government, for our good, and Your glory.

We ask all this in Jesus's holy name, Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-third day was approved as printed.

The Journal of the fifty-fourth day was approved as printed.

2. No law enforcement agency shall prevent an immediate active investigation on the basis of an agency rule which specifies an automatic time limitation for a missing person investigation.

3. Any agency or placement provider with the care and custody of a child who is missing shall file a missing child complaint with the appropriate law enforcement agency within two hours of determining the child to be missing. The law enforcement agency shall immediately submit information as to the missing child to the National Center for Missing and Exploited Children (NCMEC) including, but not limited to, the name, date of birth, sex, race, height, weight, and eye and hair color of the child; a recent photograph of the child; and the date and location of the last known contact with the child. The law enforcement agency shall institute a proper investigation and search for the missing child and maintain contact with the agency or placement provider making the missing child complaint. The missing child's entry shall not be removed from any database or system until the child is found or the case is closed.

210.305. 1. When an initial emergency placement of a child is deemed necessary, the children's division shall immediately begin a diligent search to locate, contact, and place the child with a grandparent or grandparents or a relative or relatives of the child, subject to subsection 3 of section 210.565 regarding preference of placement, except when the children's division determines that placement with a grandparent or grandparents or a relative or relatives is not in the best interest of the child and subject to the provisions of section 210.482 regarding background checks for emergency placements. If emergency placement of a child with grandparents or relatives is deemed not to be in the best interest of the child, the children's division shall document in writing the reason for denial and shall have just cause to deny the emergency placement. The children's division shall continue the search for other relatives until the division locates the relatives of the child for placement or the court excuses further search. Prior to placement of the child in any emergency placement, the division shall assure that the child's physical needs are met.

2. For purposes of this section, the following terms shall mean:

(1) "Diligent search", an exhaustive effort to identify and locate the grandparents or relatives whose identity or location is unknown**. "Diligent search" shall include, but is not limited to:**

(a) Interviews with the child's parent during the course of an investigation, while child protective services are provided, and while such child is in care;

(b) Interviews with the child;

(c) Interviews with identified grandparents or relatives throughout the case;

(d) Interviews with any other person who is likely to have information about the identity or location of the person being sought;

(e) Comprehensive searches of databases available to the children's division and likely to result in identifying and locating the person being sought;

(f) Appropriate inquiry during the course of hearings in the case; and

(g) Any other reasonable means that are likely to identify grandparents, relatives, or other persons who have demonstrated an ongoing commitment to the child;

(2) "Emergency placement", those limited instances when the children's division is placing for an initial placement a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caretaker.

3. A diligent search shall be made to locate, contact, and notify the grandparent or grandparents of the child within three hours from the time the emergency placement is deemed necessary for the child. During such three-hour time period, the child may be placed in an emergency placement. If a grandparent or grandparents of the child cannot be located within the three-hour period, the child may be temporarily placed in emergency placement; except that, after the emergency placement is deemed necessary, the children's division shall continue a diligent search to contact, locate, and place the child with a grandparent or grandparents, or other relatives, with first consideration given to a grandparent for placement, subject to subsection 3 of section 210.565 regarding preference of placement.

4. A diligent search shall be made to locate, contact, and notify the relative or relatives of the child within thirty days from the time the emergency placement is deemed necessary for the child. The children's division shall continue the search for the relative or relatives until the division locates the relative or relatives of the child for placement**, for six months following the child's out-of-home placement,** or the court excuses further search**, whichever occurs first**. **The department shall resume search efforts if ordered by the court, a change in the child's placement occurs, or a party shows that continuing the search is in the best interests of the child.** The children's division, or an entity under contract with the division, shall use all sources of information, including any known parent or relative, to attempt to locate an appropriate relative as placement.

5. **[**~~Search progress under subsection 3 or 4 of this section shall be reported at each court hearing until the grandparents or relatives are either located or the court excuses further search.~~**]** **The children's division shall file with the court information regarding attempts made under this section within thirty days from the date the child was removed from his or her home, or as otherwise required by the court, and at each periodic review hearing. Such information shall include:**

(1) A detailed narrative explaining the division's efforts to find and consider each potential placement and the specific outcome;

(2) The names of and relevant information about grandparents and relatives of the child;

(3) Steps taken by the division to locate and contact grandparents and relatives of the child;

(4) Responses received from grandparents and relatives of the child;

(5) Dates of each attempted or completed contact with a grandparent or relative of the child;

(6) Reasons why a grandparent or relative of the child was not considered for emergency or permanent placement of the child; and

(7) All efforts for placement of the child through an interstate compact agreement under section 210.620, including:

(a) The names of grandparents or relatives of the child who were considered for an interstate placement;

(b) Any pending placement of the child through an interstate compact agreement; and

(c) All potential out-of-state placements outside of an interstate compact agreement and the reasons such placements have not been initiated.

If an out-of-state placement option exists and the division has failed to file a request with the receiving state under the requirements of an interstate compact agreement under section 210.620, the court shall enter a finding that the division has not made a due diligence search and shall order the division to file a request with the receiving state under the terms of the interstate compact.

6. **All grandparents or relatives to the child identified in a diligent search required by this section, subject to exceptions due to family or domestic violence or other safety concerns, shall be provided with notice, via certified mail as appropriate, that includes, but is not limited to:**

(1) A specification that an alleged dependent child has been or is being removed from his or her parental custody;

(2) An explanation of the options a grandparent or relative has to participate in the care and placement of the alleged dependent child and any options that may be lost by failing to respond to the notice;

(3) A description of the process for becoming a licensed foster family home and the additional services and supports available for children placed in approved foster homes;

(4) A description of any financial assistance for which a grandparent or relative may be eligible; and

(5) An explanation that any response received after thirty days or willful failure to respond upon receiving a notice may result in the grandparent or relative of the child not being considered for placement.

7. If a grandparent or relative entitled to notice under this section fails to respond to the division, responds and declines to be considered as placement for the child, or is otherwise presently prevented from being considered as placement for the child and later petitions the court for a change in placement, such person shall provide evidence that such change is in the child's best interests.

8. Nothing in this section shall be construed or interpreted to interfere with or supersede laws related to parental rights or judicial authority.

210.565. 1. Whenever a child is placed in a foster home and the court has determined pursuant to subsection 4 of this section that foster home placement with relatives is not contrary to the best interest of the child, the children's division shall give foster home placement to relatives of the child. Notwithstanding any rule of the division to the contrary **and under section 210.305**, the children's division shall complete a diligent search to locate and notify the grandparents, adult siblings, parents of siblings of the child, and all other relatives and determine whether they wish to be considered for placement of the child. Grandparents who request consideration shall be given preference and first consideration for foster home placement of the child. If more than one grandparent requests consideration, the family support team shall make recommendations to the juvenile or family court about which grandparent should be considered for placement.

2. As used in this section, the following terms shall mean:

(1) "Adult sibling", any brother or sister of whole or half-blood who is at least eighteen years of age;

(2) "Relative", a grandparent or any other person related to another by blood or affinity or a person who is not so related to the child but has a close relationship with the child or the child's family. **A foster parent or kinship caregiver with whom a child has resided for nine months or more is a person who has a close relationship with the child.** The status of a grandparent shall not be affected by the death or the dissolution of the marriage of a son or daughter;

(3) "Sibling", one of two or more individuals who have one or both parents in common through blood, marriage, or adoption, including siblings as defined by the child's tribal code or custom.

3. The following shall be the order or preference for placement of a child under this section:

(1) Grandparents;

(2) Adult siblings or parents of siblings;

(3) Relatives **[**~~related by blood or affinity within the third degree~~**]**; **and**

(4) **[**~~Other relatives; and~~

~~(5)~~**]** Any foster parent who is currently licensed and capable of accepting placement of the child.

4. The preference for placement and first consideration for grandparents or preference for placement with other relatives created by this section shall only apply where the court finds that placement with such grandparents or other relatives is not contrary to the best interest of the child considering all circumstances. If the court finds that it is contrary to the best interest of a child to be placed with grandparents or other relatives, the court shall make specific findings on the record detailing the reasons why the best interests of the child necessitate placement of the child with persons other than grandparents or other relatives. **Absent evidence to the contrary, the court may presume that continuation of the child's placement with his or her current caregivers is in the child's best interests.**

5. Recognizing the critical nature of sibling bonds for children, the children's division shall make reasonable efforts to place siblings in the same foster care, kinship, guardianship, or adoptive placement, unless doing so would be contrary to the safety or well-being of any of the siblings. If siblings are not placed together, the children's division shall make reasonable efforts to provide frequent visitation or other ongoing interaction between the siblings, unless this interaction would be contrary to a sibling's safety or well-being.

6. The age of the child's grandparent or other relative shall not be the only factor that the children's division takes into consideration when it makes placement decisions and recommendations to the court about placing the child with such grandparent or other relative.

7. For any Native American child placed in protective custody, the children's division shall comply with the placement requirements set forth in 25 U.S.C. Section 1915.

8. A grandparent or other relative may, on a case-by-case basis, have standards for licensure not related to safety waived for specific children in care that would otherwise impede licensing of the grandparent's or relative's home. In addition, any person receiving a preference may be licensed in an expedited manner if a child is placed under such person's care.

9. The guardian ad litem shall ascertain the child's wishes and feelings about his or her placement by conducting an interview or interviews with the child, if appropriate based on the child's age and maturity level, which shall be considered as a factor in placement decisions and recommendations, but shall not supersede the preference for relative placement created by this section or be contrary to the child's best interests.

210.795. 1. (1) A child in the care and custody of the children's division whose physical whereabouts are unknown to the division, the child's physical custodian, or contracted service providers shall be considered missing and the case manager or placement provider shall immediately inform a law enforcement agency having jurisdiction and the National Center for Missing and Exploited Children within two hours of discovery that the child is missing.

(2) The case manager shall document the report number and any relevant information in the child's record.

(3) Within twenty-four hours of a report being made under this subsection, the department shall inform and obtain information about the child's disappearance from the child's parents, known relatives, out-of-home caregivers, attorney, guardian or guardian ad litem, court appointed special advocate, juvenile officer, or Indian tribe, as applicable, or from any other person known to the department who may have relevant information regarding the child's disappearance.

(4) The case manager shall:

(a) Within one week and monthly thereafter, maintain contact with the child's family members, friends, school faculty, and service providers and with any other person or agency involved in the child's case;

(b) Document ongoing efforts to locate the child; and

(c) Continue contacting law enforcement about the missing child and shall make quarterly reports to the court about the status of the child and efforts to locate the child.

The department shall contact law enforcement every seven days and document the information provided and any information received.

(5) The division shall not petition the court for a release of jurisdiction for the child or stop searching for the child while the child is missing until the child reaches the age of twenty-one.

2. The division shall maintain protocols, including appropriate trainings, for conducting ongoing searches for children missing from care. Such protocols shall include preventative measures to identify and mitigate risk to children who are at increased risk for running away or disappearing or of being victims of trafficking as defined under section 566.200.

3. The division shall ensure that each child in the care and custody of the division has an updated photograph in the child's record.

4. When a child is located, the department shall:

(1) Inform all law enforcement agencies and organizations involved in the child's case; and

(2) Have in-person contact with the child within twenty-four hours after the child is located to assess the child's health, experiences while absent, the appropriateness of the child returning to the child's current placement, and the factors that contributed to the child's absence.

5. Any employee or contractor with the children's division, child welfare agencies, other state agencies, or schools shall, upon becoming aware that an emancipated minor as defined in section 302.178, a homeless youth as defined in section 167.020, or an unaccompanied minor as defined in section 210.121 is missing, inform the appropriate law enforcement agency and the National Center for Missing and Exploited Children within twenty-four hours.

6. Within twenty-four hours of a missing child being found, the division shall assess whether the child was a victim of trafficking and determine any factors that caused the child to go missing.

7. The legislature may require an annual independent audit of the department's compliance with this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Buchheit-Courtway, **House Amendment No. 1** was adopted.

Representative Burnett offered **House Amendment No. 2**.

"**211.436. 1. Instruments of restraint, including handcuffs, chains, irons, or straitjackets, shall not be used on a child during a proceeding in a juvenile court and shall be removed prior to the child's appearance before the court unless the court finds both that:**

(1) The use of restraints is necessary due to one of the following factors:

(a) Instruments of restraint are necessary to prevent physical harm to the child or another person;

(b) The child has a history of disruptive courtroom behavior that has placed others in potentially harmful situations or presents a substantial risk of inflicting physical harm on himself or herself or others as evidenced by recent behavior; or

(c) There is evidence that the child presents a substantial risk of flight from the courtroom; and

(2) There are no less restrictive alternatives to restraints that will prevent flight or physical harm to the child or another person including, but not limited to, the presence of court personnel, law enforcement officers, or bailiffs.

2. If the juvenile office believes that there is an immediate safety or flight risk, as provided under subsection 1 of this section, the juvenile officer shall advise the attorney for the child and make a request in writing prior to the commencement of the proceeding for the child to remain restrained during the court proceeding while in the presence of the parties to the proceeding.

3. The court shall provide the child's attorney an opportunity to be heard before the court orders the use of restraints. If restraints are ordered, the court shall make findings of fact in support of the order.

4. If restraints are used, the restraints shall allow the child limited movement of the hands to read and handle documents and writings necessary to the proceeding. Under no circumstances shall a child be restrained using fixed restraints to a wall, floor, furniture, or other stationary object."; and

2. For the purposes of this section, a "substantial change" shall mean:

"67.1521. 1. A district may levy by resolution one or more special assessments against real property within its boundaries, upon receipt of and in accordance with a petition signed by:

(1) Owners of real property collectively owning more than fifty percent by assessed value of real property within the boundaries of the district; and

(2) More than fifty percent per capita of the owners of all real property within the boundaries of the district.

2. The special assessment petition shall be in substantially the following form:

The _____ (insert name of district) Community Improvement District ("District") shall be authorized to levy special assessments against real property benefited within the district for the purpose of providing revenue for _____ (insert general description of specific service and/or projects) in the district, such special assessments to be levied against each tract, lot or parcel of real property listed below within the district which receives special benefit as a result of such service and/or projects, the cost of which shall be allocated among this property by _____ (insert method of allocation, e.g., per square foot of property, per square foot on each square foot of improvement, or by abutting foot of property abutting streets, roads, highways, parks or other improvements, or any other reasonable method) in an amount not to exceed _____ dollars per (insert unit of measure). Such authorization to levy the special assessment shall expire on _____ (insert date). The tracts of land located in the district which will receive special benefit from this service and/or projects are: _____ (list of properties by common addresses and legal descriptions).

The method for allocating such special assessments set forth in the petition may be any reasonable method which results in imposing assessments upon real property benefited in relation to the benefit conferred upon each respective tract, lot or parcel of real property and the cost to provide such benefit.

4. By resolution of the board, the district may levy a special assessment rate lower than the rate ceiling set forth in the petition authorizing the special assessment and may increase such lowered special assessment rate to a level not exceeding the special assessment rate ceiling set forth in the petition without further approval of the real property owners; provided that a district imposing a special assessment pursuant to this section may not repeal or amend such special assessment or lower the rate of such special assessment if such repeal, amendment or lower rate will impair the district's ability to pay any liabilities that it has incurred, money that it has borrowed or obligations that it has issued.

Notwithstanding the provisions of this subsection and section 67.1541 to the contrary, the county collector may, upon certification by the district for collection, add each special assessment to the annual real estate tax bill for the property and collect the assessment in the same manner the collector uses for real estate taxes. Any special assessment remaining unpaid on the first day of January annually is delinquent and enforcement of collection of the delinquent bill by the county collector shall be governed by the laws concerning delinquent and back taxes. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale under chapter 140 or, if applicable to that county, chapter 141.

6. A separate fund or account shall be created by the district for each special assessment levied and each fund or account shall be identifiable by a suitable title. The proceeds of such assessments shall be credited to such fund or account. Such fund or account shall be used solely to pay the costs incurred in undertaking the specified service or project.

7. Upon completion of the specified service or project or both, the balance remaining in the fund or account established for such specified service or project or both shall be returned or credited against the amount of the original assessment of each parcel of property pro rata based on the method of assessment of such special assessment.

8. Any funds in a fund or account created pursuant to this section which are not needed for current expenditures may be invested by the board in accordance with applicable laws relating to the investment of funds of the city in which the district is located.

9. The authority of the district to levy special assessments shall be independent of the limitations and authorities of the municipality in which it is located; specifically, the provisions of section 88.812 shall not apply to any district.

10. Notwithstanding any provision of this section to the contrary, all property owned by an entity that is exempt from taxation pursuant to 26 U.S.C. Section 501(c) shall be exempt from any property tax or special assessment levied by a district."; and

The district treasurer shall deposit such sums into the district treasury, credited to the appropriate project or purpose. The collector and district treasurer shall make final settlement of the district account and commissions owing, not less than once each year, if necessary.

Once voted, the provisional ballot shall be sealed in the provisional ballot envelope and placed in a separate secured container by the election judge.

4. The provisional ballot cast by such voter shall not be counted unless:

(1) (a) The voter returns to the polling place during the uniform polling hours established by section 115.407 and provides a form of personal identification that allows the election judges to verify the voter's identity as provided in subsection 1 of this section; or

(b) The election authority verifies the identity of the individual by comparing that individual's signature to the signature on file with the election authority and determines that the individual was eligible to cast a ballot at the polling place where the ballot was cast; and

(2) The provisional ballot otherwise qualifies to be counted under section 115.430.

5. The secretary of state shall provide notice of the personal photo identification requirements described in subsection 1 of this section on the official state internet website of the secretary of state.

6. (1) Notwithstanding the provisions of section 136.055 and section 302.181 to the contrary, the state and all fee offices shall provide one nondriver's license at no cost to any otherwise qualified voter who does not already possess such identification and who desires the identification for voting.

(2) This state and its agencies shall provide one copy of each of the following, free of charge, if needed by an individual seeking to obtain a form of personal photo identification described in subsection 1 of this section in order to vote:

(a) A birth certificate;

(b) A marriage license or certificate;

(c) A divorce decree;

(d) A certificate of decree of adoption;

(e) A court order changing the person's name;

(f) A Social Security card reflecting an updated name; and

(g) Naturalization papers or other documents from the United States Department of State proving citizenship.

Any individual seeking one of the above documents in order to obtain a form of personal photo identification described in subsection 1 of this section for voting may request the secretary of state to facilitate the acquisition of such documents. The secretary of state shall pay any fee or fees charged by another state or its agencies, or any court of competent jurisdiction in this state or any other state, or the federal government or its agencies, in order to obtain any of the above documents from such state or the federal government.

(3) Any applicant who requests a nondriver's license for voting shall not be required to pay a fee. The state of Missouri shall pay the legally required fees for any such applicant. The department of revenue and a local election authority may enter into a contract that allows the local election authority to assist the department in issuing nondriver's license photo identifications.

7. The director of the department of revenue shall, by January first of each year, prepare and deliver to each member of the general assembly a report documenting the number of individuals who have requested and received a nondriver's license photo identification for the purposes of voting under this section. The report shall also include the number of persons requesting a nondriver's license for purposes of voting under this section, but not receiving such license, and the reason for the denial of the nondriver's license.

8. The precinct register shall serve as the voter identification certificate. The following form shall be printed at the top of each page of the precinct register:

VOTER'S IDENTIFICATION CERTIFICATE

Warning: It is against the law for anyone to vote, or attempt to vote, without having a lawful right to vote.

PRECINCT

WARD OR TOWNSHIP _____

GENERAL (SPECIAL, PRIMARY) ELECTION

Held _____, 20_____

Date

I hereby certify that I am qualified to vote at this election by signing my name and verifying my address by signing my initials next to my address.

9. The secretary of state shall promulgate rules to effectuate the provisions of this section.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

11. If any voter is unable to sign his name at the appropriate place on the certificate or computer printout, an election judge shall print the name and address of the voter in the appropriate place on the precinct register, the voter shall make his mark in lieu of signature, and the voter's mark shall be witnessed by the signature of an election judge.

115.430. 1. This section shall apply to **[**~~primary and general elections where candidates for federal or statewide offices are nominated or elected and any election where statewide issue or issues are submitted to the voters~~**] any public election**.

2. (1) A voter claiming to be properly registered in the jurisdiction of the election authority and eligible to vote in an election, but whose eligibility at that precinct cannot be immediately established upon examination of the precinct register, shall be entitled to vote a provisional ballot after providing a form of personal identification required pursuant to section 115.427 or upon executing an affidavit under section 115.427, or may vote at a central polling place as established in section 115.115 where the voter may vote his or her appropriate ballot for his or her precinct of residence upon verification of eligibility or vote a provisional ballot if eligibility cannot be determined. The provisional ballot provided to a voter under this section shall be the ballot provided to a resident of the voter's precinct determined by reference to the affidavit provided for in this section. If the voter declares that the voter is eligible to vote and the election authority determines that the voter is eligible to vote at another polling place, the voter shall be directed to the correct polling place or a central polling place as established by the election authority pursuant to subsection 5 of section 115.115. If the voter refuses to go to the correct polling place or a central polling place, the voter shall be permitted to vote a provisional ballot at the incorrect polling place, but such ballot shall not be counted if the voter was not eligible to vote at that polling place.

(2) The following steps shall be taken to establish a voter's eligibility to vote at a polling place:

(a) The election judge shall examine the precinct register as provided in section 115.425. If the voter is registered and eligible to vote at the polling place, the voter shall receive a regular ballot;

(b) If the voter's eligibility cannot be immediately established by examining the precinct register, the election judge shall contact the election authority. If the election authority cannot immediately establish that the voter is registered and eligible to vote at the polling place upon examination of the Missouri voter registration system, or if the election judge is unable to make contact with the election authority immediately, the voter shall be notified that the voter is entitled to a provisional ballot.

(3) The voter shall have the duty to appear and vote at the correct polling place. If an election judge determines that the voter is not eligible to vote at the polling place at which a voter presents himself or herself, and if the voter appears to be eligible to vote at another polling place, the voter shall be informed that he or she may cast a provisional ballot at the current polling place or may travel to the correct polling place or a central polling place, as established by the election authority under subsection 5 of section 115.115, where the voter may cast a regular ballot or provisional ballot if the voter's eligibility still cannot be determined. Provisional ballots cast at a polling place shall be counted only if the voter was eligible to vote at such polling place as provided in subsection 5 of this section.

(4) For a voter requesting an absentee ballot in person, such voter shall be entitled to cast a provisional ballot when the voter's eligibility cannot be immediately established upon examination of the precinct registers or the Missouri voter registration system.

(5) Prior to accepting any provisional ballot at the polling place, the election judges shall determine that the information provided on the provisional ballot envelope by the provisional voter is consistent with the identification provided by such person under section 115.427.

3. (1) No person shall be entitled to receive a provisional ballot until such person has completed a provisional ballot affidavit on the provisional ballot envelope.

(2) The secretary of state shall produce appropriate sizes of provisional ballot envelopes and distribute them to each election authority according to their tabulating system. All provisional ballot envelopes shall be printed on a distinguishable color of paper that is different from the color of the regular ballot. The provisional ballot envelope shall be in the form required by subsection 4 of this section. All provisional ballots shall be marked with a conspicuous stamp or other distinguishing mark that makes them readily distinguishable from the regular ballots.

(3) Once voted, the provisional ballot shall be placed and sealed in a provisional ballot envelope.

4. The provisional ballot in its envelope shall be deposited in the ballot box. The provisional ballot envelope shall be completed by the voter for use in determining eligibility. The provisional ballot envelope specified in this section shall contain a voter's certificate which shall be in substantially the following form:

I understand that if the above-provided information is not correct and the election authority determines that I am not registered and eligible to vote, my vote will not be counted. I further understand that knowingly providing false information is a violation of law and subjects me to possible criminal prosecution.

The voter may provide additional information to further assist the election authority in determining eligibility, including the place and date the voter registered to vote, if known.

5. (1) Prior to counting any provisional ballot, the election authority shall determine if the voter is registered and eligible to vote and if the vote was properly cast. The eligibility of provisional votes shall be determined according to the requirements for a voter to cast a ballot in the election as set forth in sections 115.133 and 115.135. A provisional **[**~~voter~~**]** ballot shall not be eligible to be counted until the election authority has determined that:

(a) The voter cast such provisional ballot at a polling place established for the voter or the central polling place established by the election authority under subsection 5 of section 115.115;

(b) The individual who cast the provisional ballot is an individual registered to vote in the respective election at the polling place where the ballot was cast;

(c) The voter did not otherwise vote in the same election by regular ballot, absentee ballot, or otherwise; and

(d) The information on the provisional ballot envelope is found to be correct, complete, and accurate.

(2) When the ballot boxes are delivered to the election authority from the polling places, the receiving teams shall separate the provisional ballots from the rest of the ballots and place the sealed provisional ballot envelopes in a separate container. Teams of election authority employees or teams of election judges with each team consisting of one member of each major political party shall photocopy each provisional ballot envelope, such photocopy to be used by the election authority to determine provisional voter eligibility. The sealed provisional ballot envelopes shall be placed by the team in a sealed container and shall remain therein until tabulation.

(3) To determine whether a provisional ballot is valid and entitled to be counted, the election authority shall examine its records and verify that the provisional voter is properly registered and eligible to vote in the election. If the provisional voter has provided information regarding the registration agency where the provisional voter registered to vote, the election authority shall make an inquiry of the registration agency to determine whether the provisional voter is properly registered and eligible to vote in the election.

(4) If the election authority determines that the provisional voter is registered and eligible to vote in the election, the election authority shall provide documentation verifying the voter's eligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and shall contain substantially the following information:

(a) The name of the provisional voter;

(b) The name of the reviewer;

(c) The date and time; and

(d) A description of evidence found that supports the voter's eligibility.

(5) The local election authority shall record on a provisional ballot acceptance/rejection list the provisional ballot identification number and a notation marking it as accepted.

(6) If the election authority determines that the provisional voter is not registered or eligible to vote in the election, the election authority shall provide documentation verifying the voter's ineligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and shall contain substantially the following information:

(a) The name of the provisional voter;

(b) The name of the reviewer;

(c) The date and time;

(d) A description of why the voter is ineligible.

(7) The local election authority shall record on a provisional ballot acceptance/rejection list the provisional ballot identification number and notation marking it as rejected.

(8) If rejected, a photocopy of the envelope shall be made and used by the election authority as a mail-in voter registration. The actual provisional ballot envelope shall be kept as ballot material, and the copy of the envelope shall be used by the election authority for registration record keeping.

6. All provisional ballots cast by voters whose eligibility has been verified as provided in this section shall be counted in accordance with the rules governing ballot tabulation. Provisional ballots shall not be counted until all provisional ballots are determined either eligible or ineligible and all provisional ballots must be processed before the election is certified. The provisional ballot shall be counted only if the election authority determines that the voter is registered and eligible to vote. Provisional ballots voted in the wrong polling place shall not be counted. If the voter is not registered but is qualified to register for future elections, the affidavit shall be considered a mail-in application to register to vote pursuant to this chapter.

7. (1) After the election authority completes its review of the provisional voter's eligibility under subsection 5 of this section, the election authority shall deliver the provisional ballots and copies of the provisional ballot envelopes that include eligibility information to bipartisan counting teams, which may be the board of verification, for review and tabulation. The election authority shall maintain a record of such delivery. The record shall include the number of ballots delivered to each team and shall include a signed receipt from two judges, one from each major political party. The election authority shall provide each team with a ballot box and material necessary for tabulation.

(2) If the person named on the provisional ballot affidavit is found to have been properly qualified and registered to cast a ballot in the election and the provisional ballot otherwise qualifies to be counted under the provisions of this section, the envelope shall be opened, and the ballot shall be placed in a ballot box to be counted.

(3) If the person named on the provisional ballot affidavit is found not to have been properly qualified and registered to cast a ballot in the election or if the election authority is unable to determine such person's right to vote, the envelope containing the provisional ballot shall not be opened, and the person's vote shall not be counted. The members of the team shall follow the procedures set forth in subsection 5 of this section for rejected provisional ballots.

(4) The votes shall be tallied and the returns made as provided in sections 115.447 to 115.525 for paper ballots. After the vote on all ballots assigned to a team have been counted, the ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information provided by the election authority shall be enclosed in sealed containers marked "Voted provisional ballots and ballot envelopes from the election held _____, 20_____". All rejected provisional ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information provided by the election authority shall be enclosed in sealed containers marked "Rejected provisional ballots and ballot envelopes from the election held _____, 20_____". On the outside of each voted ballot and rejected ballot container, each member of the team shall write their name and all such containers shall be returned to the election authority. Upon receipt of the returns and ballots, the election authority shall tabulate the provisional votes.

8. Challengers and watchers, as provided by sections 115.105 and 115.107, may be present during all times that the bipartisan counting teams are reviewing or counting the provisional ballots, the provisional ballot envelopes, or copies of the provisional ballot envelopes that include eligibility information provided by the election authority. Challengers and watchers shall be permitted to observe the determination of the eligibility of all provisional ballots. The election authority shall notify the county chair of each major political party of the time and location when bipartisan counting teams will be reviewing or counting the provisional ballots, the provisional ballot envelopes, or the copies of the provisional ballot envelopes that include the eligibility information provided by the election authority.

9. The certificate of ballot cards shall:

(1) Reflect the number of provisional envelopes delivered; and

(2) Reflect the number of sealed provisional envelopes with voted ballots deposited in the ballot box.

10. In counties where the voting system does not utilize a paper ballot, the election authority shall provide the appropriate provisional ballots to each polling place.

11. The secretary of state may promulgate rules for purposes of ensuring the uniform application of this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536.

12. The secretary of state shall design and provide to the election authorities the envelopes and forms necessary to carry out the provisions of this section.

13. Pursuant to the Help America Vote Act of 2002, the secretary of state shall ensure a free access system is established, such as a toll-free number or an internet website, that any individual who casts a provisional ballot may access to discover whether the vote of that individual was counted, and, if the vote was not counted, the reason that the vote was not counted. At the time an individual casts a provisional ballot, the election authority shall give

the voter written information that states that any individual who casts a provisional ballot will be able to ascertain under such free access system whether the vote was counted, and if the vote was not counted, the reason that the vote was not counted.

14. In accordance with the Help America Vote Act of 2002, any individual who votes in an election as a result of a court order or any other order extending the time established for closing the polls in section 115.407 may vote only by using a provisional ballot, and such provisional ballot shall be separated and held apart from other provisional ballots cast by those not affected by the order. Such ballots shall not be counted until such time as the ballots are determined to be valid. No state court shall have jurisdiction to extend the polling hours established by law, including section 115.407.

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law, sections 281.220 to 281.310, which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. For the purposes of this subdivision, subdivision (5) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications services. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications services", as enacted in this subdivision and subdivision (5) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (5) of this subsection in Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002) and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in IBM Corporation v. Director of Revenue, 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002) and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005). The construction and application of this subdivision as expressed by the Missouri supreme court in DST Systems, Inc. v. Director of Revenue, 43 S.W.3d 799 (Mo. banc 2001); Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002); and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed. Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(5) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption. The construction and application of this subdivision as expressed by the Missouri supreme court in DST Systems, Inc. v. Director of Revenue, 43 S.W.3d 799 (Mo. banc 2001); Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002); and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed;

There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

House Amendment No. 4

AMEND House Committee Substitute for House Bill Nos. 876, 771, 676 & 551, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"94.838. 1. As used in this section, the following terms mean:

(1) "Food", all articles commonly used for food or drink, including alcoholic beverages, the provisions of chapter 311 notwithstanding;

(2) "Food establishment", any cafe, cafeteria, lunchroom, or restaurant which sells food at retail;

(3) "Municipality", any **[**~~village or fourth class city with more than two hundred but less than three hundred inhabitants and located in any county of the third classification with a township form of government and with more than twelve thousand five hundred but less than twelve thousand six hundred inhabitants~~**] city with more than one hundred sixty-five but fewer than one hundred eighty-five inhabitants and located in a county with more than eleven thousand but fewer than twelve thousand five hundred inhabitants and with a county seat with more than four thousand but fewer than five thousand inhabitants**;

(4) "Transient guest", a person or persons who occupy a room or rooms in a hotel or motel for thirty-one days or less during any calendar quarter.

2. The governing body of any municipality may impose, by order or ordinance:

(1) A tax, not to exceed six percent per room per night, on the charges for all sleeping rooms paid by the transient guests of hotels or motels situated in the municipality or a portion thereof; and

(2) A tax, not to exceed **[**~~two~~**] six** percent, on the gross receipts derived from the retail sales of food by every person operating a food establishment in the municipality.

The taxes shall be imposed **[**~~solely~~**]** for **[**~~the purpose of funding the construction, maintenance, and operation of capital improvements~~**] general revenue purposes**. The order or ordinance shall not become effective unless the governing body of the municipality submits to the voters of the municipality at a state general or primary election a proposal to authorize the governing body of the municipality to impose taxes under this section. The taxes authorized in this section shall be in addition to the charge for the sleeping room, the retail sales of food at a food establishment, and all other taxes imposed by law, and shall be stated separately from all other charges and taxes.

3. The ballot of submission for the taxes authorized in this section shall be in substantially the following form:

Shall _____ (insert the name of the municipality) impose a tax on the charges for all retail sales of food at a food establishment situated in _____ (name of municipality) at a rate of _____ (insert rate of percent) percent, and for all sleeping rooms paid by the transient guests of hotels and motels situated in _____ (name of municipality) at a rate of _____ (insert rate of percent) percent, solely for the purpose of **[**~~funding the construction, maintenance, and operation of capital improvements~~**] increasing general revenue funds**?

☐ YES ☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the taxes shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the taxes. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the taxes shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

4. Any tax on the retail sales of food imposed under this section shall be administered, collected, enforced, and operated as required in section 32.087, and any transient guest tax imposed under this section shall be administered, collected, enforced, and operated by the municipality imposing the tax. All revenue generated by the

tax shall be deposited in a special trust fund and shall be used solely for the designated purposes. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures may be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

5. Once the initial bonds, if any, have been satisfied, then the governing body of any municipality that has adopted the taxes authorized in this section may submit the question of repeal of the taxes to the voters on any date available for elections for the municipality. The ballot of submission shall be in substantially the following form:

Shall _____ (insert the name of the municipality) repeal the taxes imposed at the rates of _____ (insert rate of percent) and _____ (insert rate of percent) percent for the purpose of **[**~~funding the construction, maintenance, and operation of capital improvements~~**] increasing general revenue funds**?

☐ YES ☐ NO

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters, and the repeal is approved by a majority of the qualified voters voting on the question.

6. Once the initial bonds, if any, have been satisfied, then, whenever the governing body of any municipality that has adopted the taxes authorized in this section receives a petition, signed by ten percent of the registered voters of the municipality voting in the last gubernatorial election, calling for an election to repeal the taxes imposed under this section, the governing body shall submit to the voters of the municipality a proposal to repeal the taxes. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question."; and

3. The sales tax may be imposed at a rate of one percent on the receipts from the sale at retail of all tangible personal property or taxable service at retail within the county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525.

4. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a sales tax under this section, and the records shall be open to the inspection of officers of each county and the general public. Each county shall notify the director of revenue at least ninety days prior to the effective date of the expiration of the sales tax authorized by this section and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of such tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the date of expiration of the tax authorized by this section in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

6. The tax authorized by this section may be imposed, in accordance with this section, by a county in addition to or in lieu of the tax authorized by sections 67.750 to 67.780.

7. Any county imposing a sales tax pursuant to the provisions of this section may contract with the authority of any other county or with any city or political subdivision for the financing, acquisition, operation, construction, maintenance, or utilization of any recreation facility or project or program funded in whole or in part from revenues derived from the tax levied pursuant to the provisions of this section.

8. The sales tax imposed pursuant to the provisions of this section shall expire twenty-five years from the effective date thereof unless an extension of the tax is submitted to and approved by the voters in each county in the manner provided in this section. Each extension of the sales tax shall be for a period of ten years.

9. The governing body of each of the counties imposing a sales tax under the provisions of this section may cooperate with the governing body of any county or other political subdivision of this state in carrying out the provisions of this section, and may establish and conduct jointly a system of public recreation. The respective governing bodies administering programs jointly may provide by agreement among themselves for all matters connected with the programs and determine what items of cost and expense shall be paid by each.

11. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

67.783. 1. There is hereby created within **[**~~any county of the third class having a population of more than ten thousand and less than fifteen thousand and any county of the second class having a population of more than fifty-eight thousand and less than seventy thousand adjacent to such third class county, both counties making up the same judicial circuit,~~**] the counties described under subsection 1 of section 67.782** a joint county recreational lake authority, which shall be a body corporate and politic and a political subdivision of this state.

4. The income of the authority and all property at any time owned by the authority shall be exempt from all taxation or any assessments whatsoever to the state or of any political subdivision, municipality or other governmental agency thereof.

5. No county in which an authority is organized shall be held liable in connection with the construction, operation or maintenance of any project or program undertaken pursuant to sections 67.781 to 67.790, including any actions taken by the authority in connection with any project or program undertaken pursuant to sections 67.781 to 67.790.

(2) As the term of each initial member expires, new members shall be elected from each county. Each elected member shall serve a six-year term and until his **or her** successor is duly elected and qualified.

2. A person, to be qualified to serve as a member, shall be a voter of the state for more than five years prior to his **or her** election or appointment, shall be a resident in the county which he **or she** will represent for more than five years and shall be over the age of twenty-five years. If any member moves outside the county from which he **or she** was appointed or elected, his **or her** seat shall be deemed vacant and a new member shall be appointed by the county commission of such county to complete his **or her** unexpired term.

3. A person desiring to become a candidate for the authority shall pay the sum of five dollars as a filing fee to the treasurer of the county in which he **or she** resides, and shall file with the election authority a statement under oath that he **or she** possesses all of the qualifications set out in sections 67.781 to 67.790 for a member of the authority. House Amendment No. 4

AMEND House Amendment No. 4 to House Committee Substitute for House Bill Nos. 876, 771, 676 & 551, Page 3, Line 17, by inserting after all of said line the following:

"Further amend said bill, Page 8, Section 94.902, Line 131, by inserting after all of said section and line the following:

"144.014. 1. Notwithstanding other provisions of law to the contrary, beginning October 1, 1997, **and ending on December 31, 2023,** the tax levied and imposed under this chapter on all retail sales of food shall be at the rate of one percent. The revenue derived from the one percent rate pursuant to this section shall be deposited by the state treasurer in the school district trust fund and shall be distributed as provided in section 144.701.

2. **Notwithstanding any provision of law to the contrary, beginning January 1, 2024, no state sales or use tax, local sales tax as defined under section 32.085, or local use tax shall be levied or imposed on any retail sale of food in this state.**

3. For the purposes of this section, the term "food" shall include only those products and types of food for which **[**~~food stamps~~**] benefits** may be redeemed pursuant to the provisions of the **[**~~Federal Food Stamp~~**] Supplemental Nutrition Assistance** Program as **[**~~contained~~**] described** in 7 U.S.C. Section 2012, as that section now reads or as it may be amended hereafter, and shall include food dispensed by or through vending machines. For the purpose of this section, except for vending machine sales, the term "food" shall not include food or drink sold by any establishment where the gross receipts derived from the sale of food prepared by such establishment for immediate consumption on or off the premises of the establishment constitutes more than eighty percent of the total gross receipts of that establishment, regardless of whether such prepared food is consumed on the premises of that establishment, including, but not limited to, sales of food by any restaurant, fast food restaurant, delicatessen, eating house, or café.

144.030. 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and any other state of the United States, or between this state and any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

2. There are also specifically exempted from the provisions of the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.761 and from the computation of the tax levied, assessed or payable pursuant to the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.745:

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law, sections 281.220 to 281.310, which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. For the purposes of this subdivision, subdivision (5) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications services. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications services", as enacted in this subdivision and subdivision (5) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (5) of this subsection in Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002) and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in IBM Corporation v. Director of Revenue, 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002) and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005). The construction and application of this subdivision as expressed by the Missouri supreme court in DST Systems, Inc. v. Director of Revenue, 43 S.W.3d 799 (Mo. banc 2001); Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002); and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed. Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(5) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption. The construction and application of this subdivision as expressed by the Missouri supreme court in DST Systems, Inc. v. Director of Revenue, 43 S.W.3d 799 (Mo. banc 2001); Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002); and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed;

(6) Tangible personal property which is used exclusively in the manufacturing, processing, modification or assembling of products sold to the United States government or to any agency of the United States government;

(7) Animals or poultry used for breeding or feeding purposes, or captive wildlife;

(8) Newsprint, ink, computers, photosensitive paper and film, toner, printing plates and other machinery, equipment, replacement parts and supplies used in producing newspapers published for dissemination of news to the general public;

(9) The rentals of films, records or any type of sound or picture transcriptions for public commercial display;

(10) Pumping machinery and equipment used to propel products delivered by pipelines engaged as common carriers;

(11) Railroad rolling stock for use in transporting persons or property in interstate commerce and motor vehicles licensed for a gross weight of twenty-four thousand pounds or more or trailers used by common carriers, as defined in section 390.020, in the transportation of persons or property;

(12) Electrical energy used in the actual primary manufacture, processing, compounding, mining or producing of a product, or electrical energy used in the actual secondary processing or fabricating of the product, or a material recovery processing plant as defined in subdivision (4) of this subsection, in facilities owned or leased by the taxpayer, if the total cost of electrical energy so used exceeds ten percent of the total cost of production, either primary or secondary, exclusive of the cost of electrical energy so used or if the raw materials used in such processing contain at least twenty-five percent recovered materials as defined in section 260.200. There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

(13) Anodes which are used or consumed in manufacturing, processing, compounding, mining, producing or fabricating and which have a useful life of less than one year;

(14) Machinery, equipment, appliances and devices purchased or leased and used solely for the purpose of preventing, abating or monitoring air pollution, and materials and supplies solely required for the installation, construction or reconstruction of such machinery, equipment, appliances and devices;

(15) Machinery, equipment, appliances and devices purchased or leased and used solely for the purpose of preventing, abating or monitoring water pollution, and materials and supplies solely required for the installation, construction or reconstruction of such machinery, equipment, appliances and devices;

(16) Tangible personal property purchased by a rural water district;

(17) All amounts paid or charged for admission or participation or other fees paid by or other charges to individuals in or for any place of amusement, entertainment or recreation, games or athletic events, including museums, fairs, zoos and planetariums, owned or operated by a municipality or other political subdivision where all the proceeds derived therefrom benefit the municipality or other political subdivision and do not inure to any private person, firm, or corporation, provided, however, that a municipality or other political subdivision may enter into revenue-sharing agreements with private persons, firms, or corporations providing goods or services, including management services, in or for the place of amusement, entertainment or recreation, games or athletic events, and provided further that nothing in this subdivision shall exempt from tax any amounts retained by any private person, firm, or corporation under such revenue-sharing agreement;

House Amendment No. 2

AMEND House Amendment No. 2 to House Bill No. 716, Page 1, Line 4, by deleting all of said line and inserting in lieu thereof the following:

""162.471. 1. The government and control of an urban school district is vested in a board of seven directors.

2. Except as provided in section 162.563, each director shall be a voter of the district who has resided within this state for one year next preceding the director's election or appointment and who is at least twenty-four years of age. All directors, except as otherwise provided in sections 162.481, 162.492, and 162.563, shall hold their offices for six years and until their successors are duly elected and qualified. All vacancies occurring in the board**[**~~, except as provided in section 162.492,~~**]** shall be filled by appointment by the board as soon as practicable, and the person appointed shall hold office until the next school board election, when a successor shall be elected for the remainder of the unexpired term. The power of the board to perform any official duty during the existence of a vacancy continues unimpaired thereby.

162.492. 1. In all urban districts containing the greater part of the population of a city which has more than three hundred thousand inhabitants, the election authority of the city in which the greater portion of the school district lies, and of the county if the district includes territory not within the city limits, shall serve ex officio as a redistricting commission. The commission shall on or before November 1, 2018, divide the school district into five subdistricts, all subdistricts being of compact and contiguous territory and as nearly equal in the number of inhabitants as practicable and thereafter the board shall redistrict the district into subdivisions as soon as practicable after each United States decennial census. In establishing the subdistricts each member shall have one vote and a majority vote of the total membership of the commission is required to make effective any action of the commission.

2. School elections for the election of directors shall be held on municipal election days in 2014 and 2016. At the election in 2014, directors shall be elected to hold office until 2019 and until their successors are elected and qualified. At the election in 2016, directors shall be elected until 2019 and until their successors are elected and qualified. Beginning in 2019, school elections for the election of directors shall be held on the local election date as specified in the charter of a home rule city with more than four hundred thousand inhabitants and located in more than one county. Beginning at the election for school directors in 2019, the number of directors on the board shall be reduced from nine to seven. Two directors shall be at-large directors and five directors shall represent the subdistricts, with one director from each of the subdistricts. At the 2019 election, one of the at-large directors and the directors from subdistricts one, three, and five shall be elected for a two-year term, and the other at-large director and the directors from subdistricts two and four shall be elected for a four-year term. Thereafter, all seven directors shall serve a four-year term. Directors shall serve until the next election and until their successors, then elected, are duly qualified as provided in this section. In addition to other qualifications prescribed by law, each member elected from a subdistrict shall be a resident of the subdistrict from which he or she is elected. The subdistricts shall be numbered from one to five.

3. The five candidates, one from each of the subdistricts, who receive a plurality of the votes cast by the voters of that subdistrict and the at-large candidates receiving a plurality of the at-large votes shall be elected. The name of no candidate for nomination shall be printed on the ballot unless the candidate has at least sixty days prior to the election filed a declaration of candidacy with the secretary of the board of directors containing the signatures of at least two hundred fifty registered voters who are residents of the subdistrict within which the candidate for nomination to a subdistrict office resides, and in case of at-large candidates the signatures of at least five hundred registered voters. The election authority shall determine the validity of all signatures on declarations of candidacy.

4. In any election either for at-large candidates or candidates elected by the voters of subdistricts, if there are more than two candidates, a majority of the votes are not required to elect but the candidate having a plurality of the votes shall be elected.

5. The names of all candidates shall appear upon the ballot without party designation and in the order of the priority of the times of filing their petitions of nomination. No candidate may file both at large and from a subdistrict and the names of all candidates shall appear only once on the ballot, nor may any candidate file more than one declaration of candidacy. All declarations shall designate the candidate's residence and whether the candidate is filing at large or from a subdistrict and the numerical designation of the subdistrict or at-large area.

6. The provisions of all sections relating to seven-director school districts shall also apply to and govern urban districts in cities of more than three hundred thousand inhabitants, to the extent applicable and not in conflict with the provisions of those sections specifically relating to such urban districts.

7. Vacancies which occur on the school board **[**~~between the dates of election shall be filled by special election if such vacancy happens more than six months prior to the time of holding an election as provided in subsection 2 of this section. The state board of education shall order a special election to fill such a vacancy. A letter from the commissioner of education, delivered by certified mail to the election authority or authorities that would normally conduct an election for school board members shall be the authority for the election authority or authorities to proceed with election procedures. If a vacancy occurs less than six months prior to the time of holding an election as provided in subsection 2 of this section, no special election shall occur and the vacancy shall be filled at the next election day on which local elections are held as specified in the charter of any home rule city with more than four hundred thousand inhabitants and located in more than one county~~**] shall be filled in the manner provided in section 162.471**.

162.611. Any member failing to attend the meetings of the board for three consecutive regular meetings, unless excused by the board for reasons satisfactory to the board, shall be deemed to have vacated his **or her** seat; and the secretary of the board shall certify that fact to the **[**~~mayor~~**] board**. The secretary shall likewise certify to the **[**~~mayor~~**] board** any other vacancy occurring in the board. Any vacancy shall be filled by the **[**~~mayor~~**] board** by appointment for the remainder of the term.

167.027. 1. As used in this section, "student special education record" means the"; and

Re: Possible Personal Interest in Legislation

Dear Ms. Miller:

Pursuant to Section 105.461 RSMo, I am hereby filing a written report of personal interest in legislation on which the House of Representatives may vote during the legislative session.

I am a member of the Missouri State Employee's Retirement System, and have previously received a pension from MOSERS, and would be eligible to do so in the future following my service in the General Assembly, or if the statute was changed to allow payments during legislative service. I also currently receive Social Security benefits, relief from taxation of which in Missouri is being considered.

Please publish this letter in the Journal of the House.

If you have any questions, please feel free to contact my office.

Very truly yours,

/s/ Kent Haden
State Representative
District 43

LETTER OF RESIGNATION

April 14, 2023

The Honorable Dean Plocher
Speaker of the House of Representatives
State Capitol, Room 308A
Jefferson City, MO 65101

Dear Speaker Plocher,

It has been the pleasure of a lifetime to represent the wonderful people of the Mighty 78th District and to work alongside my colleagues in this legislature.

May my final remarks to this body, which are summarized by the words of our former President Harry Truman, inspire everyone to better our state for those most at risk:

"Millions of our citizens do not now have a full measure of opportunity to achieve and enjoy good health… The time has arrived for action to help them attain that opportunity and that protection."

And with my final remarks having been said:

Pursuant to RSMo. 21.090, I hereby submit my resignation, effective at 11:59 p.m. on April 17, 2023, as a state representative for the 78th District.

Sincerely,

/s/ Rasheen Aldridge

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FIFTY-SIXTH DAY, TUESDAY, APRIL 18, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Brad Hudson.

Dear Heavenly Father,

Thank You for blessing us with another day. Before us, this morning is yet another opportunity to use the abilities You've given to serve our state. It's getting late in session, Lord. This is a time when the days seem longer, our bodies are getting tired, and our patience can wear thin. Let us be grateful to know that You are there, and that we can draw strength from You. Let us press on. For the long days, the tired bodies, and the thinning patience--Your grace is sufficient. In the words of the psalmist, "Blessed be the LORD for evermore. Amen, and Amen."

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: William Garland, George Mizio, Jr. and Drew Patchin.

The Journal of the fifty-fifth day was approved as corrected.

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, WEDNESDAY, APRIL 19, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Yolanda Young.

O God,

In these turbulent days when fear and doubt are mounting high, give us broad visions, penetrating eyes, and power of endurance. Help us work with renewed vigor for a warless world, for a better distribution of wealth, and for a brotherhood and sisterhood that transcends race or color.

In the name and spirit of Jesus we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-sixth day was approved as printed.

Representative Cook raised a point of order that there was a violation of Rule 99.

The Chair ruled the point of order not well taken.

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, THURSDAY, APRIL 20, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Brad Hudson.

Almighty God,

What an honor it is to be chosen by Your sovereign hand through the will of our friends and neighbors to serve in this legislative body. What a responsibility it is to be in a position to make decisions that could impact others long after our time here is over. Give us wisdom to make the right decisions. Give us courage to be willing to stand for truth even if we must, at times, stand alone. Give us joy that we may have a deeper appreciation for the blessings that are all around us. Forgive us of our sins, bestow upon us Your grace, and let Thy will be done.

In Jesus' name, I pray, and the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Emma Asher, Daniel Asher, James Asher, and Theodore David Reedy.

The Journal of the fifty-seventh day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FIFTY-NINTH DAY, MONDAY, APRIL 24, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Ed Lewis.

We praise You, God, for Your infinite wisdom. We know so little, and yet we are so grateful to serve the one who knows all things. We confess that our hearts have been shattered by our selfish desires. We confess our motivations are not always pure and that we want our way and we place our thoughts and ideas in place of Your ideas. We place our goals before the goals of others and the needs of those in our state.

Lord, we pray that we have the attitude of Christ in our dealings.

"Have this attitude in yourselves which was also in Christ Jesus, who, although He existed in the form of God, did not regard equality with God a thing to be grasped, but emptied Himself, taking the form of servant, and being made in the likeness of men. Being found in appearance as a man, He humbled Himself by becoming obedient to the point of death, even death on a cross. For this reason also, God highly exalted Him, and bestowed on Him the name which is above every name, so that at the name of Jesus every knee will bow, of those who are in heaven and on earth and under the earth, and that every tongue will confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2:5-11)

We humbly acknowledge You as Lord and we pray that we place the good of others and Your will before our will.

And all the People of the House said, Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Brock Page, Jett Page, Claire Page, Max Beardslee, Maverick Beardslee, Vivian Christ, Hazel Christ, Olive Christ, George Christ, Hattie Ingle, and Stella Plocher.

The Journal of the fifty-eighth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

SIXTIETH DAY, TUESDAY, APRIL 25, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

"God be merciful unto us and bless us; and cause His face to shine upon us." (Psalm 67:1)

O Holy One, who is the bright sun of the world sending Your light to all of Your creation, shine upon our hearts as we pray this moment, driving away the darkness of evil and enabling us to walk without stumbling, to live without burdening our lives or the lives of others, and to serve our State of Missouri without fear and with fidelity.

Consecrate with Your power the way our feet may go, the way our minds may think, and the way our hearts may feel, that our work may be well done and our lives be filled with the glory of Your creative spirit.

Bless our House with the grace of Your favor, our leaders with the greatness of Your wisdom, and our citizens with the blessings of Your victory.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-ninth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

SIXTY-FIRST DAY, WEDNESDAY, APRIL 26, 2023

The House met pursuant to adjournment.

Speaker Pro Tem Henderson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

"Let the people praise Thee, O God; let all the people praise Thee." (Psalm 67:3)

Blessed are You, O Lord, our God, who turns the shadow of night into the light of the morning and gives to us the glory of another day in the People's House; we lift our hearts to You in praise and thanksgiving.

Thanks be to You for the revelation of Yourself in the light of Your word, in the beauty of nature, in the orderliness of the universe, and in the splendor of the triumphant spirits. Thanks be to You for the revelation of Yourself in our own hearts, for moments when Your presence has been real, and we have known You are with us and we are with You on this long day.

Grateful for another day of session, send us out to do our work as best we can, touching the lives of our fellow citizens for the better. Help us to look at the others with caring eyes and endeavor to meet the needs of our people with sympathetic hearts and understanding minds. House Amendment No. 2

AMEND House Bill No. 1044, Page 1, Section 386.050, Line 16, by inserting after all of said section and line the following:

"386.370. 1. The commission shall, prior to the beginning of each fiscal year beginning with the fiscal year commencing on July 1, 1947, make an estimate of the expenses to be incurred by it during such fiscal year reasonably attributable to the regulation of public utilities as provided in chapters 386, 392 and 393 and shall also separately estimate the amount of such expenses directly attributable to such regulation of each of the following groups of public utilities: electrical corporations, gas corporations, water corporations, heating companies and telephone corporations, telegraph corporations, sewer corporations, and any other public utility as defined in section 386.020, as well as the amount of such expenses not directly attributable to any such group. For purposes of this section, water corporations and sewer corporations will be combined and considered one group of public utilities.

2. The commission shall allocate to each such group of public utilities the estimated expenses directly attributable to the regulation of such group and an amount equal to such proportion of the estimated expenses not directly attributable to any group as the gross intrastate operating revenues of such group during the preceding calendar year bears to the total gross intrastate operating revenues of all public utilities subject to the jurisdiction of the commission, as aforesaid, during such calendar year. The commission shall then assess the amount so allocated to each group of public utilities, subject to reduction as herein provided, to the public utilities in such group in proportion to their respective gross intrastate operating revenues during the preceding calendar year, except that the total amount so assessed to all such public utilities shall not exceed three hundred fifteen thousandths of one percent of the total gross intrastate operating revenues of all utilities subject to the jurisdiction of the commission. **Beginning January 1, 2024, the total amount assessed on the total gross intrastate operating revenues of all utilities subject to the jurisdiction of the commission shall not exceed three hundred fifty thousandths of one percent and shall increase every two years thereafter by one hundredth of one percent until such time as the maximum amount available to be assessed is equal to one-half of one percent. All corporations subject to the jurisdiction of the commission shall defer to an asset or liability account any difference in the assessment actually incurred and those on which the revenue requirement used to set rates in the corporation's most recently completed general rate proceeding was based. The asset or liability account balances shall be included in the revenue requirement used to set rates through an amortization over a reasonable period of time in such corporation's subsequent general rate proceedings. The commission shall also adjust the rate base used to establish the revenue requirement of the utility to reflect the unamortized asset or liability account balances in such general rate proceedings.**

3. The commission shall render a statement of such assessment to each such public utility on or before July first and the amount so assessed to each such public utility shall be paid by it to the director of revenue in full on or before July fifteenth next following the rendition of such statement, except that any such public utility may at its election pay such assessment in four equal installments not later than the following dates next following the rendition of said statement, to wit: July fifteenth, October fifteenth, January fifteenth and April fifteenth. The director of revenue shall remit such payments to the state treasurer.

4. The state treasurer shall credit such payments to a special fund, which is hereby created, to be known as "The Public Service Commission Fund", which fund, or its successor fund created pursuant to section 33.571, shall be devoted solely to the payment of expenditures actually incurred by the commission and attributable to the regulation of such public utilities subject to the jurisdiction of the commission, as aforesaid. Any amount remaining in such special fund or its successor fund at the end of any fiscal year shall not revert to the general revenue fund, but shall be applicable by appropriation of the general assembly to the payment of such expenditures of the commission in the succeeding fiscal year and shall be applied by the commission to the reduction of the amount to be assessed to such public utilities in such succeeding fiscal year, such reduction to be allocated to each group of public utilities in proportion to the respective gross intrastate operating revenues of the respective groups during the preceding calendar year.

5. In order to enable the commission to make the allocations and assessments herein provided for, each public utility subject to the jurisdiction of the commission as aforesaid shall file with the commission, within ten days after August 28, 1996, and thereafter on or before March thirty-first of each year, a statement under oath showing its gross intrastate operating revenues for the preceding calendar year, and if any public utility shall fail to file such statement within the time aforesaid the commission shall estimate such revenue which estimate shall be binding on such public utility for the purpose of this section.

393.135. **Except as provided in section 393.1250,** any charge made or demanded by an electrical corporation for service, or in connection therewith, which is based on the costs of construction **work** in progress upon any existing or new **[**~~facility of the~~**]** electrical corporation **facility**, or any other cost associated with owning, operating, maintaining, or financing any property before it is fully operational and used for service, **[**~~is unjust and unreasonable, and~~**]** is prohibited.

393.1250. 1. This section shall be known and may be cited as the "Missouri Nuclear Clean Power Act", the purpose of which is to enable the construction of clean baseload electric generating plants. This section shall not apply to clean baseload electric generating plants that are in commercial operation before August 28, 2023.

2. As used in this section, the following terms mean:

(1) "Clean baseload generating plant", a new nuclear-fueled electric generating facility located in this state that is designed to be operated at three hundred megawatts or less and is intended in whole or in part to serve retail customers of an electrical corporation in Missouri;

(2) "Construction work in progress", the electrical corporation's share of all capital costs associated with a clean baseload generating plant, which have been incurred but have not been included in the electrical corporation's plant in service, and are recorded in the Federal Energy Regulatory Commission's Uniform System of Accounts Prescribed for Public Utilities and Licensees Subject to the Provisions of the Federal Power Act, Balance Sheet Chart Accounts, as construction work in progress for electric plants in 18 CFR Part 101, or any other account established in the Uniform System of Accounts for the recording of construction work in progress.

3. The provisions of section 393.135 shall not apply to a clean baseload generating plant if the plant is rated at three hundred megawatts or less. Before any such construction work begins, an electrical corporation seeking to include construction work in progress in rates shall file with the commission a plan detailing the projected costs of the project and the plan to recover those costs through rates. Costs recovered by an electrical corporation under the provisions of this section are subject to inclusion or exclusion from rates in a ratemaking proceeding pursuant to the commission's authority to determine just and reasonable rates. If the commission determines a project was not completed within a reasonable amount of time, the commission shall reduce rates in an amount equal to all amounts recovered in advance by the electrical corporation from ratepayers under the provisions of this section plus interest at the same rate as the rate of interest for delinquent taxes determined by the director of revenue in accordance with section 32.065, in the next ratemaking proceeding for that electrical corporation.

4. The commission may promulgate rules to assist in the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Nothing in sections 379.1850 to 379.1869 shall limit an insurer's discretion, as actuarially appropriate, to distinguish different terms, conditions, exclusions, eligibility criteria, or other unique or different characteristics. Moreover, an insurer may, where actuarially acceptable, rely upon models or, in the case of flood filings where applicable experience is not credible, on Federal Emergency Management Agency National Flood Insurance Program data.

3. Nothing in sections 379.1850 to 379.1869 shall be construed to extinguish any mortgagor rights otherwise available under state, federal, or common law.

(1) Payment of a monetary penalty of not more than one thousand dollars per violation, not to exceed an aggregate penalty of one hundred thousand dollars, unless the violation was committed flagrantly in a conscious disregard of sections 379.1850 to 379.1869, in which case the penalty shall not be more than twenty-five thousand dollars for each violation, not to exceed an aggregate penalty of two hundred fifty thousand dollars; or

(2) Suspension or revocation of the insurer's license.

379.1869. The department of commerce and insurance may promulgate rules as necessary for the implementation of sections 379.1850 to 379.1869. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void."; and

If the provider's parent company's Form 10-K, Form 20-F, or financial statements are filed to meet the provider's financial security requirement, the parent company shall agree to guarantee the obligations of the provider relating to vehicle value protection agreements sold by the provider in this state.

The provider of the vehicle value protection agreement shall mail a written notice to the contract holder at the last known address of the contract holder contained in the records of the provider at least five days before cancellation by the provider. Prior notice shall not be required if the reason for cancellation is nonpayment of the provider fee, a material misrepresentation by the contract holder to the provider or administrator, or a substantial breach of duties by the contract holder relating to the covered product or its use. The notice shall state the effective date of the cancellation and the reason for the cancellation. If a vehicle value protection agreement is cancelled by the provider for a reason other than nonpayment of the provider fee, the provider shall refund to the contract holder one hundred percent of the unearned pro rata provider fee paid by the contract holder, if any. (2) Impose a penalty of not more than five hundred dollars for each violation of the provisions of sections 407.2020 to 407.2090 and not more than ten thousand dollars in the aggregate for all violations of a similar nature. A violation shall be considered of a similar nature to another violation if the violation consists of the same or similar course of conduct, action, or practice, irrespective of the number of times the action, conduct, or practice that is determined to be a violation of the provisions of sections 407.2020 to 407.2090 occurred.

2. If a court of competent jurisdiction determines that a consumer legal funding company has intentionally violated the provisions of sections 436.550 to 436.572 in a consumer legal funding contract, the consumer legal funding contract shall be voided.

436.564. 1. The contingent right to receive an amount of the potential proceeds of a legal claim is assignable.

2. Nothing contained in sections 436.550 to 436.572 shall be construed to cause any consumer legal funding contract conforming to sections 436.550 436.572 to be deemed a loan or to be subject to any of the provisions governing loans. A consumer legal funding contract that complies with sections 436.550 to 436.572 is not subject to any other statutory or regulatory provisions governing loans or investment contracts. To the extent that sections 436.550 to 436.572 conflict with any other law, such sections shall supersede the other law for the purposes of regulating consumer legal funding in this state.

4. A consumer legal funding license shall not be issued unless the division of finance, upon investigation, finds that the character and fitness of the applicant company, and of the officers and directors thereof, are such as to warrant belief that the business shall operate honestly and fairly within the purposes of sections 436.550 to 436.572.

5. Every applicant shall also, at the time of filing such application, file a bond satisfactory to the division of finance in an amount not to exceed fifty thousand dollars. The bond shall provide that the applicant shall faithfully conform to and abide by the provisions of sections 436.550 to 436.572, to all rules lawfully made by the commissioner under sections 436.550 to 436.572, and the bond shall act as a surety for any person or the state for any and all amount of moneys that may become due or owing from the applicant under and by virtue of sections 436.550 to 436.572, which shall include the result of any action that occurred while the bond was in place for the applicable period of limitations under statute and so long as the bond is not exhausted by valid claims.

6. If an action is commenced on a licensee's bond, the commissioner may require the filling of a new bond. Immediately upon any recovery on the bond, the licensee shall file a new bond.

7. To ensure the effective supervision and enforcement of sections 436.550 to 436.572, the commissioner may, under chapter 536:

(1) Deny, suspend, revoke, condition, or decline to renew a license for a violation of sections 436.550 to 436.572, rules issued under sections 436.550 to 436.572, or order or directive entered under sections 436.550 to 436.572;

(4) Order or direct such other affirmative action as the commissioner deems necessary.

8. Any letter issued by the commissioner and declaring grounds for denying or declining to grant or renew a license may be appealed to the circuit court of Cole County. All other matters presenting a contested case involving a licensee may be heard by the commissioner under chapter 536.

9. Notwithstanding the prior approval requirement of subsection 1 of this section, a consumer legal funding company that has applied with the division of finance between the effective date of sections 436.550 to 436.572, or when the division of finance has made applications available to the public, whichever is later, and six months thereafter may engage in consumer legal funding while the license application of the company or an affiliate of the company is awaiting approval by the division of finance and until such time as the applicant has pursued all appellate remedies and procedures for any denial of such application. All funding contracts in effect prior to the effective date of sections 436.550 to 436.572 are not subject to the terms of sections 436.550 to 436.572.

10. If it appears to the commissioner that any consumer legal funding company is failing, refusing, or neglecting to make a good faith effort to comply with the provisions of sections 436.550 to 436.572, or any laws or rules relating to consumer legal funding, the commissioner may issue an order to cease and desist, which may be enforceable by a civil penalty of not more than one thousand dollars per day for each day that the neglect, failure, or refusal continues. The penalty shall be assessed and collected by the commissioner. In determining the amount of the penalty, the commissioner shall take into account the appropriateness of the penalty with respect to the gravity of the violation, any history of previous violations, and any other matters justice may require.

11. If any consumer legal funding company fails, refuses, or neglects to comply with the provisions of sections 436.550 to 436.572, or of any laws or rules relating to consumer legal funding, its license may be suspended or revoked by order of the commissioner after a hearing before said commissioner on any order to show cause why such order of suspension or revocation should not be entered and that specifies the grounds therefor. Such an order shall be served on the particular consumer legal funding company at least ten days prior to the hearing. Any order made and entered by the commissioner may be appealed to the circuit court of Cole County.

12. (1) The division shall conduct an examination of each consumer funding company at least once every twenty-four months and at such other times as the commissioner may determine.

(2) For any such investigation or examination, the commissioner and his or her representatives shall have free and immediate access to the place or places of business and the books and records, and shall have the authority to place under oath all persons whose testimony may be required relative to the affairs and business of the consumer legal funding company.

(3) The commissioner may also make such special investigations or examination as the commissioner deems necessary to determine whether any consumer legal funding company has violated any of the provisions of sections 436.550 to 436.572 or rules promulgated thereunder, and the commissioner may assess the reasonable costs of any investigation or examination incurred by the division to the company.

13. The division of finance shall have the authority to promulgate rules to carry out the provisions of sections 436.550 to 436.572. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

"214.330. 1. (1) The endowed care trust fund required by sections 214.270 to 214.410 shall be permanently set aside in trust or in accordance with the provisions of subsection 2 of this section. The trustee of the endowed care trust shall be a state or federally chartered financial institution authorized to exercise trust powers in Missouri. The contact information for a trust officer or duly appointed representative of the trustee with knowledge and access to the trust fund accounting and trust fund records must be disclosed to the office or its duly authorized representative upon request.

(2) The trust fund records, including all trust fund accounting records, shall be maintained in the state of Missouri at all times or shall be electronically stored so that the records may be made available in the state of Missouri within fifteen business days of receipt of a written request. The operator of an endowed care cemetery shall maintain a current name and address of the trustee and the records custodian for the endowed care trust fund and shall supply such information to the office, or its representative, upon request.

(3) Missouri law shall control all endowed care trust funds and the Missouri courts shall have jurisdiction over endowed care trusts regardless of where records may be kept or various administrative tasks may be performed.

2. An endowed care trust fund shall be administered in accordance with Missouri law governing trusts, including but not limited to the applicable provisions of chapters 456 and 469, except as specifically provided in this subsection or where the provisions of sections 214.270 to 214.410 provide differently, provided that a cemetery operator shall not in any circumstances be authorized to restrict, enlarge, change, or modify the requirements of this section or the provisions of chapters 456 and 469 by agreement or otherwise.

(1) Income and principal of an endowed care trust fund shall be determined under the provisions of law applicable to trusts, except that the **[**~~provisions of section 469.405 shall not apply~~**] trustee shall have:**

(d) No discretion to determine applicable value for purposes of computing the unitrust amount beyond that granted by law and exercised solely for reasons of administrative convenience and not to affect the size of distributions.

In determining applicable value under section 469.473, values over a three-year period if available, or the duration of the trust if shorter, shall be used.

(2) No principal shall be distributed from an endowed care trust fund except to the extent that a unitrust **[**~~election is in effect with respect to such trust under the provisions of section 469.411~~**] amount is required by the terms of the endowed care trust fund agreement under subdivision (6) of this subsection**.

(3) No right to transfer jurisdiction from Missouri under section 456.1-108 shall exist for endowed care trusts.

The unitrust rate shall be changed only by amendment to the agreement as provided in this section**.

(7) No contract of insurance shall be deemed a suitable investment for an endowed care trust fund.

(8) The income from the endowed care fund may be distributed to the cemetery operator at least annually on a date designated by the cemetery operator **by record**, but no later than sixty days following the end of the **[**~~trust fund~~**] trust's fiscal** year. Any income not distributed within sixty days following the end of the trust's fiscal year shall be added to and held as part of the principal of the trust fund. **The cemetery operator may instruct by record the trustee to distribute less than all the income distributable for the year if the cemetery operator determines that the money is not needed.**

3. The cemetery operator shall have the duty and responsibility to apply the income distributed to provide care and maintenance only for that part of the cemetery designated as an endowed care section and not for any other purpose.

4. In addition to any other duty, obligation, or requirement imposed by sections 214.270 to 214.410 or the endowed care trust agreement, the trustee's duties shall be the maintenance of records related to the trust and the accounting for and investment of moneys deposited by the operator to the endowed care trust fund.

(1) For the purposes of sections 214.270 to 214.410, the trustee shall not be deemed responsible for the care, the maintenance, or the operation of the cemetery, or for any other matter relating to the cemetery, or the proper expenditure of funds distributed by the trustee to the cemetery operator, including, but not limited to, compliance with environmental laws and regulations.

(2) With respect to cemetery property maintained by endowed care funds, the cemetery operator shall be responsible for the performance of the care and maintenance of the cemetery property.

5. The account shall be insured by the Federal Deposit Insurance Corporation or comparable deposit insurance and held in a state or federally chartered financial institution authorized to do business in Missouri and located in this state.

(1) The interest from the escrow account may be distributed to the cemetery operator at least in annual or semiannual installments, but not later than six months following the calendar year. Any interest not distributed within six months following the end of the calendar year shall be added to and held as part of the principal of the account.

(2) The cemetery operator shall have the duty and responsibility to apply the interest to provide care and maintenance only for that part of the cemetery in which burial space shall have been sold and with respect to which sales the escrow account shall have been established and not for any other purpose. The principal of such funds shall be kept intact. The cemetery operator's duties shall be the maintenance of records and the accounting for an investment of moneys deposited by the operator to the escrow account. For purposes of sections 214.270 to 214.410, the administrator of the office of endowed care cemeteries shall not be deemed to be responsible for the care, maintenance, or operation of the cemetery. With respect to cemetery property maintained by cemetery care funds, the cemetery operator shall be responsible for the performance of the care and maintenance of the cemetery property owned by the cemetery operator.

(3) The division may approve an escrow agent if the escrow agent demonstrates the knowledge, skill, and ability to handle escrow funds and financial transactions and is of good moral character.

6. The cemetery operator shall be accountable to the owners of burial space in the cemetery for compliance with sections 214.270 to 214.410.

7. Excluding funds held in an escrow account, all endowed care trust funds shall be administered in accordance with an endowed care trust fund agreement, which shall be submitted to the office by the cemetery operator for review and approval. The endowed care cemetery shall be notified in writing by the office of endowed care cemeteries regarding the approval or disapproval of the endowed care trust fund agreement and regarding any changes required to be made for compliance with sections 214.270 to 214.410 and the rules and regulations promulgated thereunder.

8. All endowed care cemeteries shall be under a continuing duty to file with the office of endowed care cemeteries and to submit for prior approval any and all changes, amendments, or revisions of the endowed care trust fund agreement at least thirty days before the effective date of such change, amendment, or revision.

9. If the endowed care trust fund agreement, or any changes, amendments, or revisions filed with the office, are not disapproved by the office within thirty days after submission by the cemetery operator, the endowed care trust fund agreement, or the related change, amendment, or revision, shall be deemed approved and may be used by the cemetery operator and the trustee. Notwithstanding any other provision of this section, the office may review and disapprove an endowed care trust fund agreement, or any submitted change, amendment, or revision, after the thirty days provided herein or at any other time if the agreement is not in compliance with sections 214.270 to 214.410 or the rules promulgated thereunder. Notice of disapproval by the office shall be in writing and delivered to the cemetery operator and the trustee within ten days of disapproval.

10. Funds in an endowed care trust fund or escrow account may be commingled with endowed care funds for other endowed care cemeteries, provided that the cemetery operator and the trustee shall maintain adequate accounting records of the disbursements, contributions, and income allocated for each cemetery.

11. By accepting the trusteeship of an endowed care trust or accepting funds as an escrow agent pursuant to sections 214.270 to 214.410, the trustee or escrow agent submits personally to the jurisdiction of the courts of this

state and the office of endowed care cemeteries regarding the administration of the trust or escrow account. A trustee or escrow agent shall consent in writing to the jurisdiction of the state of Missouri and the office in regards to the trusteeship or the operation of the escrow account and to the appointment of the office of secretary of state as its agent for service of process regarding any administrative or legal actions relating to the trust or the escrow account, if it has no designated agent for service of process located in this state. A determination in accordance with sections 469.401 to 469.467 is presumed to be fair and reasonable to all of the beneficiaries~~**] neither the terms of the trust nor sections 469.399 to 469.487 allocate the disbursement between income and principal**.

4. A fiduciary may exercise the power to adjust under section 469.405, convert an income trust to a unitrust under subdivision (1) of subsection 1 of section 469.475, change the percentage or method used to calculate a unitrust amount under subdivision (2) of subsection 1 of section 469.475, or convert a unitrust to an income trust under subdivision (3) of subsection 1 of section 469.475, if the fiduciary determines the exercise of the power will assist the fiduciary to administer the trust or estate impartially.

5. Factors the fiduciary shall consider in making the determination under subsection 4 of this section include:

(1) The terms of the trust;

(2) The nature, distribution standards, and expected duration of the trust;

(3) The effect of the allocation rules, including specific adjustments between income and principal, under sections 407.413 to 407.461;

(4) The desirability of liquidity and regularity of income;

(5) The desirability of the preservation and appreciation of principal;

(6) The extent to which an asset is used or may be used by a beneficiary;

(7) The increase or decrease in the value of principal assets, reasonably determined by the fiduciary;

(8) Whether and to what extent the terms of the trust give the fiduciary power to accumulate income or invade principal or prohibit the fiduciary from accumulating income or invading principal;

(9) The extent to which the fiduciary has accumulated income or invaded principal in preceding accounting periods;

(10) The effect of current and reasonably expected economic conditions; and

(11) The reasonably expected tax consequences of the exercise of the power.

469.404. 1. In this section, "fiduciary decision" means:

(1) A fiduciary's allocation between income and principal or other determination regarding income and principal required or authorized by the terms of the trust or sections 469.399 to 469.487;

(2) The fiduciary's exercise or nonexercise of a discretionary power regarding income and principal granted by the terms of the trust or sections 469.399 to 469.487, including the power to adjust under section 469.405, convert an income trust to a unitrust under subdivision (1) of subsection 1 of section 469.475, change the percentage or method used to calculate a unitrust amount under subdivision (2) of subsection 1 of section 469.475, or convert a unitrust to an income trust under subdivision (3) of subsection 1 section 469.475; or

(3) The fiduciary's implementation of a decision described in subdivision (1) or (2) of this subsection.

2. The court shall not order a fiduciary to change a fiduciary decision unless the court determines that the fiduciary decision was an abuse of the fiduciary's discretion.

3. If the court determines that a fiduciary decision was an abuse of the fiduciary's discretion, the court may order a remedy authorized by law, including under section 456.10-1001. To place the beneficiaries in the positions the beneficiaries would have occupied if there had not been an abuse of the fiduciary's discretion, the court may order:

(1) The fiduciary to exercise or refrain from exercising the power to adjust under section 469.405;

(2) The fiduciary to exercise or refrain from exercising the power to convert an income trust to a unitrust under subdivision (1) of subsection 1 of section 469.475, change the percentage or method used to calculate a unitrust amount under subdivision (2) of subsection 1 of section 469.475, or convert a unitrust to an income trust under subdivision (3) of subsection 1 of section 469.475;

(3) The fiduciary to distribute an amount to a beneficiary;

(4) A beneficiary to return some or all of a distribution; or

(5) The fiduciary to withhold an amount from one or more future distributions to a beneficiary.

4. On petition by a fiduciary for instruction, the court may determine whether a proposed fiduciary decision will result in an abuse of the fiduciary's discretion. If the petition describes the proposed decision, contains sufficient information to inform the beneficiary of the reasons for making the proposed decision and the facts on which the fiduciary relies, and explains how the beneficiary will be affected by the proposed decision, a beneficiary that opposes the proposed decision has the burden to establish that it will result in an abuse of the fiduciary's discretion.

If any provision of sections **[**~~469.401~~**] 469.399** to **[**~~469.467~~**] 469.487** or **[**~~the~~**] its** application **[**~~of these sections~~**]** to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of sections **[**~~469.401~~**] 469.399** to **[**~~469.467~~**] 469.487** which can be given effect without the invalid provision or application **and to this end, the provisions of sections 469.399 to 469.487 are severable**.

469.467. Sections **[**~~469.401~~**] 469.399** to **[**~~469.467~~**] 469.487** apply to **[**~~every~~**] a** trust or **[**~~decedent's~~**]** estate existing **or created** on or after August 28, **[**~~2001~~**] 2023**, except as otherwise expressly provided in the **[**~~will or~~**]** terms of the trust or **[**~~in~~**]** sections **[**~~469.401~~**] 469.399** to **[**~~469.467~~**] 469.487**.

469.471. As used in sections 469.471 to 469.487, the following terms mean:

(1) "Applicable value", the amount of the net fair market value of a trust taken into account under section 469.483;

(2) "Express unitrust", a trust for which, under the terms of the trust without regard to sections 469.471 to 469.487, income or net income shall or may be calculated as a unitrust amount;

(3) "Income trust", a trust that is not a unitrust;

(4) "Net fair market value of a trust", the fair market value of the assets of the trust, less the noncontingent liabilities of the trust;

(5) "Unitrust", a trust for which net income is a unitrust amount. The term includes an express unitrust;

(6) "Unitrust amount", an amount computed by multiplying a determined value of a trust by a determined percentage. For a unitrust administered under a unitrust policy, the term means the applicable value multiplied by the unitrust rate;

(7) "Unitrust policy", a policy described in sections 469.479 to 469.487 and adopted under section 469.475;

(8) "Unitrust rate", the rate used to compute the unitrust amount for a unitrust administered under a unitrust policy.

469.473. 1. Except as otherwise provided in subsection 2 of this section, sections 469.471 to 469.487 apply to:

(1) An income trust, unless the terms of the trust expressly prohibit use of sections 469.471 to 469.487 by a specific reference to these sections or an explicit expression of intent that net income not be calculated as a unitrust amount; and

(2) An express unitrust, except to the extent the terms of the trust explicitly:

(a) Prohibit use of sections 469.471 to 469.487 by a specific reference to such sections;

(b) Prohibit conversion to an income trust; or

(c) Limit changes to the method of calculating the unitrust amount.

2. Sections 469.471 to 469.487 do not apply to a trust described in 26 U.S.C. Section 170(f)(2)(B), 642(c)(5), 664(d), 2702(a)(3)(A)(ii) or (iii), or 2702(b), as amended.

3. An income trust to which sections 469.471 to 469.487 apply under subdivision (1) of subsection 1 of this section may be converted to a unitrust under sections 469.471 to 469.487 regardless of the terms of the

trust concerning distributions. Conversion to a unitrust under sections 469.471 to 469.487 does not affect other terms of the trust concerning distributions of income or principal.

4. Sections 469.471 to 469.487 apply to an estate only to the extent a trust is a beneficiary of the estate. To the extent of the trust's interest in the estate, the estate may be administered as a unitrust, the administration of the estate as a unitrust may be discontinued, or the percentage or method used to calculate the unitrust amount may be changed, in the same manner as for a trust under sections 469.471 to 469.487.

5. Sections 469.471 to 469.487 do not create a duty to take or consider action under sections 469.471 to 469.487 or to inform a beneficiary about the applicability of sections 469.471 to 469.487.

6. A fiduciary that in good faith takes or fails to take an action under sections 469.471 to 469.487 is not liable to a person affected by the action or inaction.

469.475. 1. A fiduciary, without court approval, by complying with subsections 2 and 6 of this section, may:

(1) Convert an income trust to a unitrust if the fiduciary adopts in a record a unitrust policy for the trust providing:

(a) That in administering the trust the net income of the trust will be a unitrust amount rather than net income determined without regard to sections 469.471 to 469.487; and

(b) The percentage and method used to calculate the unitrust amount;

(2) Change the percentage or method used to calculate a unitrust amount for a unitrust if the fiduciary adopts in a record a unitrust policy or an amendment or replacement of a unitrust policy providing changes in the percentage or method used to calculate the unitrust amount; or

(3) Convert a unitrust to an income trust if the fiduciary adopts in a record a determination that, in administering the trust, the net income of the trust will be net income determined without regard to sections 469.471 to 469.487 rather than a unitrust amount.

2. A fiduciary may take an action under subsection 1 of this section if:

(1) The fiduciary determines that the action will assist the fiduciary to administer a trust impartially;

(2) The fiduciary sends a notice in a record, in the manner required by section 469.477, describing and proposing to take the action;

(3) The fiduciary sends a copy of the notice under subdivision (2) of this subsection to each settlor of the trust that is:

(a) If an individual, living; or

(b) If not an individual, in existence;

(4) At least one member of each class of the qualified beneficiaries described under section 456.1-103 receiving the notice under subdivision (2) of this subsection is:

(a) If an individual, legally competent;

(b) If not an individual, in existence; or

(c) Represented in the manner provided in subsection 2 of section 469.477; and

(5) The fiduciary does not receive, by the date specified in the notice under subdivision (5) of subsection 4 of section 469.477, an objection in a record to the action proposed under subdivision (2) of this subsection from a person to which the notice under subdivision (2) of this subsection is sent.

3. If a fiduciary receives, not later than the date stated in the notice under subdivision (5) of subsection 4 of section 469.477, an objection in a record described in subdivision (4) of subsection 4 of section 469.477 to a proposed action, the fiduciary or a beneficiary may request the court to have the proposed action taken as proposed, taken with modifications, or prevented. A person described in subsection 1 of section 469.477 may oppose the proposed action in the proceeding under this subsection, whether or not the person:

(1) Consented under subsection 3 of section 469.477; or

(2) Objected under subdivision (4) of subsection 4 of section 469.477.

4. If, after sending a notice under subdivision (2) of subsection 2 of this section, a fiduciary decides not to take the action proposed in the notice, the fiduciary shall notify in a record each person described in subsection 1 of section 469.477 of the decision not to take the action and the reasons for the decision.

5. If a beneficiary requests in a record that a fiduciary take an action described in subsection 1 of this section and the fiduciary declines to act or does not act within ninety days after receiving the request, the beneficiary may request the court to direct the fiduciary to take the action requested.

6. In deciding whether and how to take an action authorized by subsection 1 of this section, or whether and how to respond to a request by a beneficiary under subsection 5 of this section, a fiduciary shall consider all factors relevant to the trust and the beneficiaries, including relevant factors in subsection 5 of section 469.403.

7. A fiduciary may release or delegate the power to convert an income trust to a unitrust under subdivision (1) of subsection 1 of this section, change the percentage or method used to calculate a unitrust amount under subdivision (2) of subsection 1 of this section, or convert a unitrust to an income trust under subdivision (3) of subsection 1 of this section, for a reason described in subsection 7 of section 469.405 and in the manner described in subsection 8 of section 469.405.

469.477. 1. A notice required by subdivision (3) of subsection 2 of section 469.475 shall be sent in a manner authorized under section 456.1-109 to:

(1) The qualified beneficiaries defined under section 456.1-103;

(2) Each person acting as trust protector under section 456.8-808; and

(3) Each person that is granted a power over the trust by the terms of the trust, to the extent the power is exercisable when the person is not then serving as a trustee:

(a) Including a:

a. Power over the investment, management, or distribution of trust property or other matters of trust administration; and

b. Power to appoint or remove a trustee or person described in this paragraph; and

(b) Excluding a:

a. Power of appointment;

b. Power of a beneficiary over the trust, to the extent the exercise or nonexercise of the power affects the beneficial interest of the beneficiary or another beneficiary represented by the beneficiary under sections 456.3-301 to 456.3-305 with respect to the exercise or nonexercise of the power; and

c. Power over the trust if the terms of the trust provide that the power is held in a nonfiduciary capacity and the power shall be held in a nonfiduciary capacity to achieve a tax objective under 26 U.S.C., as amended.

2. The representation provisions of sections 456.3-301 to 456.3-305 apply to notice under this section.

3. A person may consent in a record at any time to action proposed under subdivision (2) of subsection 2 of section 469.475. A notice required by subdivision (2) of subsection 2 of section 469.475 need not be sent to a person that consents under this subsection.

4. A notice required by subdivision (2) of subsection 2 of section 469.475 shall include:

(1) The action proposed under subdivision (2) of subsection 2 of section 469.475;

(2) For a conversion of an income trust to a unitrust, a copy of the unitrust policy adopted under subdivision (1) of subsection 1 of section 469.475;

(3) For a change in the percentage or method used to calculate the unitrust amount, a copy of the unitrust policy or amendment or replacement of the unitrust policy adopted under subdivision (2) of subsection 1 of section 469.475;

(4) A statement that the person to which the notice is sent may object to the proposed action by stating in a record the basis for the objection and sending or delivering the record to the fiduciary;

(5) The date by which an objection under subdivision (4) shall be received by the fiduciary, which shall be at least thirty days after the date the notice is sent;

(6) The date on which the action is proposed to be taken and the date on which the action is proposed to take effect;

(7) The name and contact information of the fiduciary; and

(8) The name and contact information of a person that may be contacted for additional information.

469.479. 1. In administering a unitrust under sections 469.471 to 469.487, a fiduciary shall follow a unitrust policy adopted under subdivision (1) or (2) of subsection 1 of section 469.475 or amended or replaced under subdivision (2) of section 1 of section 469.475.

2. A unitrust policy shall provide:

(1) The unitrust rate or the method for determining the unitrust rate under section 469.481;

(2) The method for determining the applicable value under section 469.483; and

(a) Mandatory, as provided in subsection 1 of section 469.483 and subsection 1 of section 469.485; or

(b) Optional, as provided in section 469.481, subsection 2 of section 469.483, subsection 2 of section 469.485, and subsection 1 of section 469.487, to the extent the fiduciary elects to adopt such rules.

469.481. 1. Except as otherwise provided in subdivision (1) of subsection 2 of section 469.487, a unitrust rate may be:

(1) A fixed unitrust rate; or

(2) A unitrust rate that is determined for each period using:

(a) A market index or other published data; or

(b) A mathematical blend of market indices or other published data over a stated number of preceding periods.

2. Except as otherwise provided in subdivision (1) of subsection 2 of section 469.487, a unitrust policy may provide:

(1) A limit on how high the unitrust rate determined under subdivision (2) of subsection 1 of this section may rise;

(2) A limit on how low the unitrust rate determined under subdivision (2) of subsection 1 of this section may fall;

(3) A limit on how much the unitrust rate determined under subdivision (2) of subsection 1 of this section may increase over the unitrust rate for the preceding period or a mathematical blend of unitrust rates over a stated number of preceding periods;

(4) A limit on how much the unitrust rate determined under subdivision (2) of subsection 1 of this section may decrease below the unitrust rate for the preceding period or a mathematical blend of unitrust rates over a stated number of preceding periods; or

(5) A mathematical blend of any of the unitrust rates determined under subdivision (2) of subsection 1 of this section and subdivisions (1) to (4) of this subsection.

469.483. 1. A unitrust policy shall provide the method for determining the fair market value of an asset for the purpose of determining the unitrust amount, including:

(1) The frequency of valuing the asset, which need not require a valuation in every period; and

(2) The date for valuing the asset in each period in which the asset is valued.

2. Except as otherwise provided in subdivision (2) of subsection 2 of section 469.487, a unitrust policy may provide methods for determining the amount of the net fair market value of the trust to take into account in determining the applicable value, including:

(1) Obtaining an appraisal of an asset for which fair market value is not readily available;

(2) Exclusion of specific assets or groups or types of assets;

(3) Other exceptions or modifications of the treatment of specific assets or groups or types of assets;

(8) The treatment of accrued income and other features of an asset that affect value; and

(9) Determining the liabilities of the trust, including treatment of liabilities to conform with the treatment of assets under subdivisions (1) to (8) of this subsection.

469.485. 1. A unitrust policy shall provide the period used under sections 469.481 and 469.483. Except as otherwise provided in subdivision (3) of subsection 2 of section 469.481, the period may be:

~~(1) Any such claim brought by a qualified beneficiary is barred if not asserted in a judicial proceeding commenced within two years after the trustee has sent a report to that qualified beneficiary that adequately discloses the facts constituting the claim.~~

~~(2) Any such claim brought by a beneficiary (other than a qualified beneficiary) with any interest whatsoever in the trust, no matter how remote or contingent, or whether or not the beneficiary is ascertainable or has the capacity to contract, is barred if not asserted in a judicial proceeding commenced within two years after the first to occur of:~~

~~(a) The date the trustee sent a report to all qualified beneficiaries that adequately discloses the facts constituting the claim; or~~

~~(b) The date the trustee sent a report to a person that represents the beneficiary under the provisions of subdivision (2) of subsection 2 of this section.~~

~~2. For purposes of this section the following rules shall apply:~~

~~(1) A report adequately discloses the facts constituting a claim if it provides sufficient information so that the beneficiary should know of the claim or reasonably should have inquired into its existence;~~

~~(2) Section 469.402 shall apply in determining whether a beneficiary (including a qualified beneficiary) has received notice for purposes of this section;~~

~~(3) The determination of the identity of all qualified beneficiaries shall be made on the date the report is deemed to have been sent; and~~

~~(4) This section does not preclude an action to recover for fraud or misrepresentation related to the report.~~**]**

[~~469.411. 1. (1) If the provisions of this section apply to a trust, the unitrust amount determined for each accounting year of the trust shall be a percentage between three and five percent of the average net fair market value of the trust, as of the first day of the trust's current accounting year. The percentage applicable to a trust shall be that percentage specified by the terms of the governing instrument or by the election made in accordance with subdivision (2) of subsection 5 of this section.~~

~~(2) The unitrust amount for the current accounting year computed pursuant to this section shall be proportionately reduced for any distributions, in whole or in part, other than distributions of the unitrust amount, and for any payments of expenses, including debts, disbursements and taxes, from the trust within a current accounting year that the trustee determines to be material and substantial, and shall be proportionately increased for the receipt, other than a receipt that represents a return on investment, of any additional property into the trust within a current accounting year.~~

~~(3) For purposes of this section, the net fair market values of the assets held in the trust on the first business day of a prior accounting quarter shall be adjusted to reflect any reduction, in the case of a distribution or payment, or increase, in the case of a receipt, for the prior accounting year pursuant to subdivision (1) of this subsection, as if the distribution, payment or receipt had occurred on the first day of the prior accounting year.~~

~~(4) In the case of a short accounting period, the trustee shall prorate the unitrust amount on a daily basis.~~

~~(5) In the case where the net fair market value of an asset held in the trust has been incorrectly determined in any quarter, the unitrust amount shall be increased in the case of an undervaluation, or be decreased in the case of an overvaluation, by an amount equal to the difference between the unitrust amount determined based on the correct valuation of the asset and the unitrust amount originally determined.~~

~~2. As used in this section, the following terms mean:~~

~~(1) "Average net fair market value", a rolling average of the fair market value of the assets held in the trust on the first business day of the lessor of the number of accounting quarters of the trust from the date of inception of the trust to the determination of the trust's average net fair market value, or twelve accounting quarters of the trust, regardless of whether this section applied to the ascertainment of net income for all valuation quarters;~~

~~(2) "Current accounting year", the accounting period of the trust for which the unitrust amount is being determined.~~

~~3. In determining the average net fair market value of the assets held in the trust, there shall not be included the value of:~~

~~(1) Any residential property or any tangible personal property that, as of the first business day of the current valuation year, one or more income beneficiaries of the trust have or had the right to occupy, or have or had the right to possess or control, other than in a capacity as trustee, and instead the right of occupancy or the right to possession or control shall be deemed to be the unitrust amount with respect to the residential property or the tangible personal property; or~~

~~(2) Any asset specifically given to a beneficiary under the terms of the trust and the return on investment on that asset, which return on investment shall be distributable to the beneficiary.~~

~~4. In determining the average net fair market value of the assets held in the trust pursuant to subsection 1 of this section, the trustee shall, not less often than annually, determine the fair market value of each asset of the trust that consists primarily of real property or other property that is not traded on a regular basis in an active market by appraisal or other reasonable method or estimate, and that determination, if made reasonably and in good faith, shall be conclusive as to all persons interested in the trust. Any claim based on a determination made pursuant to this subsection shall be barred if not asserted in a judicial proceeding brought by any~~

~~beneficiary with any interest whatsoever in the trust within two years after the trustee has sent a report to all qualified beneficiaries that adequately discloses the facts constituting the claim. The rules set forth in subsection 2 of section 469.409 shall apply to the barring of claims pursuant to this subsection.~~

~~5. This section shall apply to the following trusts:~~

~~(1) Any trust created after August 28, 2001, with respect to which the terms of the trust clearly manifest an intent that this section apply;~~

~~(2) Any trust created under an instrument that became irrevocable on, before, or after August 28, 2001, if the trustee, in the trustee's discretion, elects to have this section apply unless the instrument creating the trust specifically prohibits an election under this subdivision. The trustee shall deliver notice to all qualified beneficiaries and the settlor of the trust, if he or she is then living, of the trustee's intent to make such an election at least sixty days before making that election. The trustee shall have sole authority to make the election. Section 469.402 shall apply for all purposes of this subdivision. An action or order by any court shall not be required. The election shall be made by a signed writing delivered to the settlor of the trust, if he or she is then living, and to all qualified beneficiaries. The election is irrevocable, unless revoked by order of the court having jurisdiction of the trust. The election may specify the percentage used to determine the unitrust amount pursuant to this section, provided that such percentage is between three and five percent, or if no percentage is specified, then that percentage shall be three percent. In making an election pursuant to this subsection, the trustee shall be subject to the same limitations and conditions as apply to an adjustment between income and principal pursuant to subsections 3 and 4 of section 469.405; and~~

~~(3) No action of any kind based on an election made by a trustee pursuant to subdivision (2) of this subsection shall be brought against the trustee by any beneficiary of that trust three years from the effective date of that election.~~

~~6. (1) Once the provisions of this section become applicable to a trust, the net income of the trust shall be the unitrust amount.~~

~~(2) Unless otherwise provided by the governing instrument, the unitrust amount distributed each year shall be paid from the following sources for that year up to the full value of the unitrust amount in the following order:~~

~~(a) Net income as determined if the trust were not a unitrust;~~

~~(b) Other ordinary income as determined for federal income tax purposes;~~

~~(c) Assets of the trust principal for which there is a readily available market value; and~~

~~(d) Other trust principal.~~

~~(3) Additionally, the trustee may allocate to trust income for each taxable year of the trust, or portion thereof:~~

~~(a) Net short-term capital gain described in the Internal Revenue Code, 26 U.S.C. Section 1222(5), for such year, or portion thereof, but only to the extent that the amount so allocated together with all other amounts to trust income, as determined under the provisions of this chapter without regard to this section, for such year, or portion thereof, does not exceed the unitrust amount for such year, or portion thereof;~~

~~(b) Net long-term capital gain described in the Internal Revenue Code, 26 U.S.C. Section 1222(7), for such year, or portion thereof, but only to the extent that the amount so allocated together with all other amounts, including amounts described in paragraph (a) of this subdivision, allocated to trust income for such year, or portion thereof, does not exceed the unitrust amount for such year, or portion thereof.~~

~~7. A trust with respect to which this section applies on August 28, 2011, may calculate the unitrust amount in accordance with the provisions of this section, as it existed either before or after such date, as the trustee of such trust shall determine in a writing kept with the records of the trust in the trustee's discretion.~~**]**

~~(2) An income tax or any other tax that is imposed upon the fiduciary or a beneficiary as a result of a transaction involving or a distribution from the estate or trust; or~~

~~(3) The ownership by an estate or trust of an interest in an entity whose taxable income, whether or not distributed, is includable in the taxable income of the estate, trust or a beneficiary.~~

~~2. The total reimbursement shall equal the increase in the estate tax to the extent that the principal used to pay the increase would have qualified for a marital deduction or charitable contribution deduction but for the payment. The proportionate share of the reimbursement for each estate, trust or beneficiary whose income taxes are reduced shall be the same as its proportionate share of the total decrease in income tax. An estate or trust shall reimburse principal from income.~~**]**";

361.942. 1. If an application for an original license under sections 361.900 to 361.1035 appears to include all the items and addresses and all of the matters that are required, the application is complete and the commissioner shall promptly notify the applicant in a record of the date on which the application is determined to be complete, and:

(1) The commissioner shall approve or deny the application within one hundred twenty days after the completion date; or

(2) If the application is not approved or denied within one hundred twenty days after the completion date:

(a) The application is approved; and

(b) The license takes effect as of the first business day after expiration of the one hundred twenty-day period.

The commissioner may for good cause extend the application period.

2. A determination by the commissioner that an application is complete and is accepted for processing means only that the application, on its face, appears to include all of the items, including the Criminal Background Check response from the Federal Bureau of Investigation, and address all of the matters that are required, and is not an assessment of the substance of the application or of the sufficiency of the information provided.

3. If an application is filed and considered complete under this section, the commissioner shall investigate the applicant's financial condition and responsibility, financial and business experience, character, and general fitness. The commissioner may conduct an onsite investigation of the applicant, the reasonable cost of which the applicant shall pay. The commissioner shall issue a license to an applicant under this section if the commissioner finds that all of the following conditions have been fulfilled:

(1) The applicant has complied with the provisions of sections 361.929 and 361.936; and

(2) The financial condition and responsibility, financial and business experience, competence, character, and general fitness of the applicant; and the competence, experience, character, and general fitness of the key individuals and persons in control of the applicant indicate that it is in the interest of the public to permit the applicant to engage in money transmission.

4. If an applicant avails itself or is otherwise subject to a multistate licensing process:

(1) The commissioner shall be authorized to accept the investigation results of a lead investigative state for the purpose of subsection 3 of this section if the lead investigative state has sufficient staffing, expertise, and minimum standards; or

(2) If this state is a lead investigative state, the commissioner shall be authorized to investigate the applicant under subsection 3 of this section and the time frames established by agreement through the multistate licensing process, provided however, that in no case shall such time frame be noncompliant with the application period in subdivision (1) of subsection 1 of this section.

5. The commissioner shall issue a formal written notice of the denial of a license application within thirty days of the decision to deny the application. The commissioner shall set forth in the notice of denial the specific reasons for the denial of the application. An applicant whose application is denied by the commissioner under this subsection may appeal within thirty days after receipt of the written notice of the denial under chapter 536.

6. The initial license term shall begin on the day the application is approved. The license shall expire on December thirty-first of the year in which the license term began unless the initial license date is between November first and December thirty-first, in which instance the initial license term shall run through December thirty-first of the following year.

361.945. 1. A license under sections 361.900 to 361.1035 shall be renewed annually. An annual renewal fee to be determined by the commissioner shall be paid no more than sixty days before the license expiration. The renewal term shall be for a period of one year and shall begin on January first of each year after the initial license term and shall expire on December thirty-first of the year the renewal term begins.

2. A licensee shall submit a renewal report with the renewal fee, in a form and in a medium prescribed by the commissioner. The renewal report shall state or contain a description of each material change in information submitted by the licensee in its original license application that has not been reported to the commissioner.

3. The commissioner for good cause may grant an extension of the renewal date.

4. The commissioner shall be authorized to utilize NMLS to process license renewals provided that such functionality is consistent with this section.

361.948. 1. If a licensee does not continue to meet the qualifications or satisfy the requirements that apply to an applicant for a new money transmission license, the commissioner may suspend or revoke the licensee's license in accordance with the procedures established under sections 361.900 to 361.1035 or other applicable state law for such suspension or revocation.

2. An applicant for a money transmission license shall demonstrate that it meets or will meet, and a money transmission licensee shall at all times meet, the requirements in sections 361.999, 361.1002, and 361.1005.

361.951. 1. Any person, or group of persons acting in concert, seeking to acquire control of a licensee shall obtain the written approval of the commissioner prior to acquiring control. An individual is not deemed to acquire control of a licensee and is not subject to the acquisition of control provisions when that individual becomes a key individual in the ordinary course of business.

2. A person, or group of persons acting in concert, seeking to acquire control of a licensee shall, in cooperation with the licensee:

(1) Submit an application in a form and in a medium prescribed by the commissioner; and

(2) Submit a nonrefundable fee to be determined by the commissioner with the request for approval.

3. Upon request, the commissioner may permit a licensee or a person, or group of persons acting in concert, to submit some or all information required by the commissioner under subdivision (1) of subsection 2 of this section without using NMLS.

4. The application required under subdivision (1) of subsection 2 of this section shall include information required under section 361.939 for any new key individuals that have not previously completed the requirements of section 361.939 for a licensee.

5. When an application for acquisition of control under this section appears to include all the items and address all of the matters that are required, the application shall be considered complete. The commissioner shall promptly notify the applicant in a record of the date on which the application was determined to be complete, and:

(1) The commissioner shall approve or deny the application within sixty days after the completion date; or

(2) If the application is not approved or denied within sixty days after the completion date:

(a) The application is approved; and

(b) The person, or group of persons acting in concert, are not prohibited from acquiring control; and

(3) The commissioner may for good cause extend the application period.

6. A determination by the commissioner that an application is complete and is accepted for processing means only that the application, on its face, appears to include all of the items and address all of the matters that are required, and is not an assessment of the substance of the application or of the sufficiency of the information provided.

7. If an application is filed and considered complete under subsection 5 of this section, the commissioner shall investigate the financial condition and responsibility, financial and business experience, character, and general fitness of the person, or group of persons acting in concert, seeking to acquire control. The commissioner shall approve an acquisition of control under this section if the commissioner finds that all of the following conditions have been fulfilled:

(1) The requirements of subsections 2 and 4 of this section have been met, as applicable; and

(2) The financial condition and responsibility, financial and business experience, competence, character, and general fitness of the person, or group of persons acting in concert, seeking to acquire control and the competence, experience, character, and general fitness of the key individuals and persons that would be in control of the licensee after the acquisition of control indicate that it is in the interest of the public to permit the person, or group of persons acting in concert, to control the licensee.

8. If an applicant avails itself or is otherwise subject to a multistate licensing process:

(1) The commissioner is authorized to accept the investigation results of a lead investigative state for the purpose of subsection 7 of this section if the lead investigative state has sufficient staffing, expertise, and minimum standards; or

(2) If this state is a lead investigative state, the commissioner is authorized to investigate the applicant under subsection 7 of this section and the time frames established by agreement through the multistate licensing process.

9. The commissioner shall issue a formal written notice of the denial of an application to acquire control within thirty days of the decision to deny the application. The commissioner shall set forth in the notice of denial the specific reasons for the denial of the application. An applicant whose application is denied by the commissioner under this subsection may appeal within thirty days after receipt of the written notice of the denial under chapter 536.

10. The requirements of subsections 1 and 2 of this section shall not apply to any of the following:

(1) A person that acts as a proxy for the sole purpose of voting at a designated meeting of the shareholders or holders of voting shares or voting interests of a licensee or a person in control of a licensee;

(2) A person that acquires control of a licensee by devise or descent;

(3) A person that acquires control of a licensee as a personal representative, custodian, guardian, conservator, or trustee, or as an officer appointed by a court of competent jurisdiction or by operation of law;

(4) A person that is exempt under subsection 7 of section 361.909;

(5) A person that the commissioner determines is not subject to subsection 1 of this section based on the public interest;

(6) A public offering of securities of a licensee or a person in control of a licensee; or

(7) An internal reorganization of a person in control of the licensee where the ultimate person in control of the licensee remains the same.

11. Persons in subdivisions (2), (3), (4), (6), and (7) of subsection 10 of this section in cooperation with the licensee shall notify the commissioner within fifteen days after the acquisition of control.

12. (1) The requirements of subsections 1 and 2 of this section shall not apply to a person that has complied with and received approval to engage in money transmission under sections 361.900 to 361.1035 or was identified as a person in control in a prior application filed with and approved by the commissioner or by another state under a multistate licensing process, provided that:

(a) The person has not had a license revoked or suspended or controlled a licensee that has had a license revoked or suspended while the person was in control of the licensee in the previous five years;

(b) If the person is a licensee, the person is well managed and has received at least a satisfactory rating for compliance at its most recent examination by another state if such rating was given;

(c) The licensee to be acquired is projected to meet the requirements of sections 361.999, 361.1002, and 361.1005 after the acquisition of control is completed, and if the person acquiring control is a licensee, that licensee is also projected to meet the requirements of sections 361.999, 361.1002, and 361.1005 after the acquisition of control is completed;

(d) The licensee to be acquired will not implement any material changes to its business plan as a result of the acquisition of control, and if the person acquiring control is a licensee, that licensee also will not implement any material changes to its business plan as a result of the acquisition of control; and

(e) The person provides notice of the acquisition in cooperation with the licensee and attests to paragraphs (a) to (d) of this subdivision in a form and in a medium prescribed by the commissioner.

(2) If the notice is not disapproved within thirty days after the date on which the notice was determined to be complete, the notice is deemed approved.

13. Before filing an application for approval to acquire control of a licensee, a person may request in writing a determination from the commissioner as to whether the person would be considered a person in control of a licensee upon consummation of a proposed transaction. If the commissioner determines that the person would not be a person in control of a licensee, the proposed person and transaction is not subject to the requirements of subsections 1 and 2 of this subsection.

14. If a multistate licensing process includes a determination under subsection 13 of this section and an applicant avails itself or is otherwise subject to the multistate licensing process:

(1) The commissioner is authorized to accept the control determination of a lead investigative state with sufficient staffing, expertise, and minimum standards for the purpose of subsection 13 of this section; or

(2) If this state is a lead investigative state, the commissioner is authorized to investigate the applicant under subsection 13 of this section and the time frames established by agreement through the multistate licensing process.

361.954. 1. A licensee adding or replacing any key individual shall:

(1) Provide notice in a manner prescribed by the commissioner within fifteen days after the effective date of the key individual's appointment; and

(2) Provide information as required by section 361.939 within forty-five days of the effective date.

2. Within ninety days of the date on which the notice provided under subsection 1 of this section was determined to be complete, the commissioner may issue a notice of disapproval of a key individual if the competence, experience, character, or integrity of the individual would not be in the best interests of the public or the customers of the licensee to permit the individual to be a key individual of such licensee.

3. A notice of disapproval shall contain a statement of the basis for disapproval and shall be sent to the licensee and the disapproved individual. A licensee may appeal a notice of disapproval under chapter 536 within thirty days after receipt of such notice of disapproval.

4. If the notice provided under subsection 1 of this section is not disapproved within ninety days after the date on which the notice was determined to be complete, the key individual is deemed approved.

5. If a multistate licensing process includes a key individual notice review and disapproval process under this section and the licensee avails itself or is otherwise subject to the multistate licensing process:

(1) The commissioner is authorized to accept the determination of another state if the investigating state has sufficient staffing, expertise, and minimum standards for the purpose of this section; or

(2) If this state is a lead investigative state, the commissioner is authorized to investigate the applicant under subsection 2 of this section and the time frames established by agreement through the multistate licensing process.

(4) Transaction destination country reporting for money received for transmission, if applicable; and

(5) Any other information the commissioner reasonably requires with respect to the licensee. The commissioner is authorized to utilize NMLS for the submission of the report required by subsection 1 of this section and is authorized to update as necessary the requirements of this section to carry out the purposes of sections 361.900 to 361.1035 and maintain consistency with NMLS reporting.

3. The information required under subdivision (4) of subsection 2 of this section shall be included only in a report of condition submitted within forty-five days of the end of the fourth calendar quarter.

(2) Any other information as the commissioner may reasonably require.

2. The audited financial statement shall be prepared by an independent certified public accountant or independent public accountant who is satisfactory to the commissioner.

3. The audited financial statements shall include or be accompanied by a certificate of opinion of the independent certified public accountant or independent public accountant that is satisfactory in form and content to the commissioner. If the certificate or opinion is qualified, the commissioner may order the licensee to take any action as the commissioner may find necessary to enable the independent certified public accountant or independent public accountant to remove the qualification.

361.963. 1. Each licensee shall submit a report of authorized delegates within forty-five days of the end of the calendar quarter. 4. All records maintained by the licensee as required in subsections 1 to 3 of this section are open to inspection by the commissioner under subsection 1 of section 361.921.

361.975. 1. As used in this section, "remit" means to make direct payments of money to a licensee or its representative authorized to receive money or to deposit money in a bank in an account specified by the licensee.

2. Before a licensee is authorized to conduct business through an authorized delegate, or allows a person to act as the licensee's authorized delegate, the licensee shall:

(1) Adopt, and update as necessary, written policies and procedures reasonably designed to ensure that the licensee's authorized delegates comply with applicable state and federal law;

(2) Enter into a written contract that complies with subsection 4 of this section; and

(3) Conduct a reasonable risk-based background investigation sufficient for the licensee to determine whether the authorized delegate has complied and will likely comply with applicable state and federal law.

5. If the licensee's license is suspended, revoked, surrendered, or expired, the licensee shall, within five business days, provide documentation to the commissioner that the licensee has notified all applicable authorized delegates of the licensee whose names are in a record filed with the commissioner of the suspension, revocation, surrender, or expiration of a license. Upon suspension, revocation, surrender, or expiration of a license, applicable authorized delegates shall immediately cease to provide money transmission as an authorized delegate of the licensee.

6. An authorized delegate of a licensee holds in trust for the benefit of the licensee all money net of fees received from money transmission. If any authorized delegate commingles any funds received from money transmission with any other funds or property owned or controlled by the authorized delegate, all commingled funds and other property shall be considered held in trust in favor of the licensee in an amount equal to the amount of money net of fees received from money transmission.

7. An authorized delegate shall not use a subdelegate to conduct money transmission on behalf of a licensee.

361.978. A person shall not engage in the business of money transmission on behalf of a person not licensed under sections 361.900 to 361.1035 or not exempt under sections 361.909 and 361.912. A person that engages in such activity provides money transmission to the same extent as if the person were a licensee and shall be jointly and severally liable with the unlicensed or nonexempt person.

361.981. 1. The circuit court in an action brought by a licensee shall have jurisdiction to grant appropriate equitable or legal relief, including without limitation prohibiting the authorized delegate from directly or indirectly acting as an authorized delegate for any licensee in this state and the payment of restitution, damages, or other monetary relief, if the circuit court finds that an authorized delegate failed to remit money in accordance with the written contract required by subsection 2 of section 361.1275 or as otherwise directed by the licensee or required by law.

2. 361.984. 1. Every licensee shall forward all money received for transmission in accordance with the terms of the agreement between the licensee and the sender unless the licensee has a reasonable belief or a reasonable basis to believe that the sender may be a victim of fraud or that a crime or violation of law, rule, or regulation has occurred, is occurring, or may occur.

2. If a licensee fails to forward money received for transmission in accordance with this section, the licensee shall respond to inquiries by the sender with the reason for the failure unless providing a response would violate a state or federal law, rule, or regulation.

361.987. 1. This section shall not apply to:

If funds have not yet been forwarded in accordance with the terms of the agreement between the licensee and the sender, the licensee shall issue a refund in accordance with the other provisions of this section;

(4) The refund is requested for a transaction that the licensee has not completed based on a reasonable belief or a reasonable basis to believe that a crime or violation of law, rule, or regulation has occurred, is occurring, or may occur; or

(5) The refund request does not enable the licensee to:

(a) Identify the sender's name and address or telephone number; or

(b) Identify the particular transaction to be refunded in the event the sender has multiple transactions outstanding.

361.990. 1. This section shall not apply to:

(2) The receipt required by this section shall be in English and in the language principally used by the licensee or authorized delegate to advertise, solicit, or negotiate, either orally or in writing, for a transaction conducted in person, electronically, or by phone, if other than English.

361.996. 1. A licensee that provides payroll processing services shall:

(1) Issue reports to clients detailing client payroll obligations in advance of the payroll funds being deducted from an account; and

(2) Make available worker paystubs or an equivalent statement to workers.

2. Subsection 1 of this section shall not apply to a licensee providing payroll processing services if the licensee's client designates the intended recipients to the licensee and is responsible for providing the disclosures required by subdivision (2) of subsection 1 of this section.

361.999. 1. A licensee under sections 361.900 to 361.1035 shall maintain at all times a tangible net worth of the greater of one hundred thousand dollars or three percent of total assets for the first one hundred million dollars, two percent of additional assets for one hundred million dollars to one billion dollars, and one-half of one percent of additional assets for over one billion dollars.

2. The amount of the required security shall be:

(1) The greater of one hundred thousand dollars or an amount equal to one hundred percent of the licensee's average daily money transmission liability in this state calculated for the most recently completed three-month period, up to a maximum of five hundred thousand dollars; or

(2) In the event that the licensee's tangible net worth exceeds ten percent of the total assets, a surety bond of one hundred thousand dollars.

3. A licensee that maintains a bond in the maximum amount provided for in subsection 2 of this section shall not be required to calculate its average daily money transmission liability in this state for purposes of this section.

361.1005. 1. A licensee shall maintain at all times permissible investments that have a market value computed in accordance with United States generally accepted accounting principles of not less than the aggregate amount of all of its outstanding money transmission obligations.

2. Except for permissible investments enumerated in subsection 1 of section 361.1008, the commissioner, with respect to any licensee, may by rule limit the extent to which a specific investment maintained by a licensee within a class of permissible investments may be considered a permissible investment if the specific investment represents undue risk to customers not reflected in the market value of investments.

3. Permissible investments, even if commingled with other assets of the licensee, are held in trust for the benefit of the purchasers and holders of the licensee's outstanding money transmission obligations in the event of insolvency, the filing of a petition by or against the licensee under the United States Bankruptcy Code, 11 U.S.C. Section 101-110, as amended or recodified from time to time, for bankruptcy or reorganization, the filing of a petition by or against the licensee for receivership, the commencement of any other judicial or administrative proceeding for its dissolution or reorganization, or in the event of an action by a creditor against the licensee who is not a beneficiary of the statutory trust. No permissible investments impressed with a trust under this subsection shall be subject to attachment, levy of execution, or sequestration by order of any court, except for a beneficiary of the statutory trust.

4. Upon the establishment of a statutory trust in accordance with subsection 3 of this section or when any funds are drawn on a letter of credit under subdivision (4) of subsection 1 of section 361.1008, the commissioner shall notify the applicable regulator of each state in which the licensee is licensed to engage in money transmission, if any, of the establishment of the trust or the funds drawn on the letter of credit, as applicable. Notice shall be deemed satisfied if performed under a multistate agreement or through NMLS. Funds drawn on a letter of credit, and any other permissible investments held in trust for the benefit of the purchasers and holders of the licensee's outstanding money transmission obligations, are deemed held in trust for the benefit of such purchasers and holders on a pro rata and equitable basis in accordance with statutes under which permissible investments are required to be held in this state, and other states, as applicable. Any statutory trust established under this subsection shall be terminated upon extinguishment of all of the licensee's outstanding money transmission obligations.

5. The commissioner by rule or by order may allow other types of investments that the commissioner determines are of sufficient liquidity and quality to be a permissible investment. The commissioner is authorized to participate in efforts with other state regulators to determine that other types of investments are of sufficient liquidity and quality to be a permissible investment.

361.1008. 1. The following investments are permissible under section 361.1005:

If the commissioner determines that a violation of sections 361.900 to 361.1035 or of a rule adopted or an order issued under sections 361.900 to 361.1035 by a licensee or authorized delegate is likely to cause immediate and irreparable harm to the licensee, its customers, or the public as a result of the violation, or cause insolvency or significant dissipation of assets of the licensee, the commissioner may issue an order requiring the licensee or authorized delegate to cease and desist from the violation. The order becomes effective upon service to the licensee or authorized delegate.

2. The commissioner may issue an order against a licensee to cease and desist from providing money transmission through an authorized delegate that is the subject of a separate order by the commissioner.

A consent order shall be signed by the person to whom it is issued or by the person's authorized representative and shall indicate agreement with the terms contained in the order. A consent order may provide that it does not constitute an admission by a person that sections 361.900 to 361.1035 or a rule adopted or an order issued under sections 361.900 to 361.1035 has been violated.

361.1023. 1. 2. A person that knowingly engages in an activity for which a license is required under sections 361.900 to 361.1035 without being licensed under sections 361.900 to 361.1035 and who receives more than five hundred dollars in compensation within a thirty-day period for this activity is guilty of a class E felony.

3. 361.1029. 1. If the commissioner has reason to believe that a person has violated or is violating section 361.930, the commissioner may issue an order to show cause why an order to cease and desist shall not be issued requiring that the person cease and desist from the violation of section 361.930.

2. In an emergency, the commissioner may petition the circuit court with jurisdiction for the issuance of a temporary restraining order under the rules of civil procedure.

3. An order to cease and desist becomes effective upon service to the person.

4. An order to cease and desist remains effective and enforceable pending the completion of an administrative proceeding under chapter 536.

5. A person that is served with an order to cease and desist for violating section 361.930 may petition the circuit court with jurisdiction for a judicial order setting aside, limiting, or suspending the enforcement, operation, or effectiveness of the order pending the completion of an administrative proceeding under chapter 536.

2. Notwithstanding subsection 1 of this section, a licensee shall only be required to amend its authorized delegate contracts for contracts entered into or amended after the effective date or the completion of any transition period contemplated under subsection 1 of this section. Nothing herein shall be construed as limiting an authorized delegate's obligations to operate in full compliance with sections 361.900 to 361.1035 as required by subsection 3 of section 361.975.

However, this section shall not apply if the person's account on which the instrument was written was closed by the consumer before the agreed-upon date of negotiation or the consumer has stopped payment on the check.

(2) Entering into a sales lease back arrangement;

(3) Catalog sales;

(4) Entering into any other transaction with the consumer that is designed to evade the applicability of this section.

Such standards shall address, at a minimum, landowner communication expectations, agricultural mitigation and restoration practices, and construction-related tree and brush clearing.**

523.010. 1. In case land, or other property, is sought to be appropriated by any road, railroad, street railway, telephone, telegraph or any electrical corporation organized for the manufacture or transmission of electric current for light, heat or power, including the construction, when that is the case, of necessary dams and appurtenant canals, flumes, tunnels and tailraces and including the erection, when that is the case, of necessary electric steam powerhouses, hydroelectric powerhouses and electric substations or any oil, pipeline or gas corporation engaged in the business of transporting or carrying oil, liquid fertilizer solutions, or gas by means of pipes or pipelines laid underneath the surface of the ground, or other corporation created under the laws of this state for public use, and such corporation and the owners cannot agree upon the proper compensation to be paid, or in the case the owner is incapable of contracting, be unknown, or be a nonresident of the state, such corporation may apply to the circuit court of the county of this state where such land or any part thereof lies by petition setting forth the general directions in which it is desired to construct its road, railroad, street railway, telephone, or telegraph line or electric line, including, when that is the case, the construction and maintenance of necessary dams and appurtenant canals, tunnels, flumes and tailraces and, when that is the case, the appropriation of land submerged by the construction of such dam, and including the erection and maintenance, when that is the case, of necessary electric steam powerhouses, hydroelectric powerhouses and electric substations, or oil, pipeline, liquid fertilizer solution pipeline, or gas line over or underneath the surface of such lands, a description of the real estate, or other property, which the

company seeks to acquire; the names of the owners thereof, if known; or if unknown, a pertinent description of the property whose owners are unknown and praying the appointment of three disinterested residents of the county, as commissioners, or a jury, to assess the damages which such owners may severally sustain in consequence of the establishment, erection and maintenance of such road, railroad, street railway, telephone, telegraph line, or electrical line including damages from the construction and maintenance of necessary dams and the condemnation of land submerged thereby, and the construction and maintenance of appurtenant canals, flumes, tunnels and tailraces and the erection and maintenance of necessary electric steam powerhouses, hydroelectric powerhouses and electric substations, or oil, pipeline, or gas line over or underneath the surface of such lands; to which petition the owners of any or all as the plaintiff may elect of such parcels as lie within the county or circuit may be made parties defendant by names if the names are known, and by the description of the unknown owners of the land therein described if their names are unknown.

2. If the proceedings seek to affect the lands of persons under conservatorship, the conservators must be made parties defendant. If the present owner of any land to be affected has less estate than a fee, the person having the next vested estate in remainder may at the option of the petitioners be made party defendant; but if such remaindermen are not made parties, their interest shall not be bound by the proceedings.

3. It shall not be necessary to make any persons party defendants in respect to their ownership unless they are either in actual possession of the premises to be affected claiming title or having a title of the premises appearing of record upon the proper records of the county.

5. A public utility or a rural electric cooperative may only condemn the property of another provider of public utility service, even if the property is used or useful in providing utility services by such provider, if the condemnation is necessary for the public purpose of acquiring a nonexclusive easement or right-of-way across the property of such provider and only if the acquisition will not materially impair or interfere with the current use of such property by the utility or cooperative and will not prevent or materially impair such provider of public utility service from any future expansion of its facilities on such property.

6. If a public utility or rural electric cooperative seeks to condemn the property of another provider of public utility service, and the conditions in subsection 4 of this section do not apply, this section does not limit the condemnation powers otherwise possessed by such public utility or rural electric cooperative.

The provisions of this subsection shall not apply to applications filed pursuant to section 393.170 prior to August 28, 2022.

"211.071. 1. If a petition alleges that a child between the ages of twelve and eighteen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that any child has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030 as it existed prior to August 28, 2013, rape in the first degree under section 566.030, forcible sodomy under section 566.060 as it existed prior to August 28, 2013, sodomy in the first degree under section 566.060, first degree robbery under section 569.020 as it existed prior to January 1, 2017, **[**~~or~~**]** robbery in the first degree under section 570.023, distribution of drugs under section 195.211 as it existed prior to January 1, 2017, **[**~~or~~**]** the manufacturing of a controlled substance under section 579.055, **or armed criminal action under section 571.015,** or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between eighteen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;

(6) The sophistication and maturity of the child as determined by consideration of his or her home and environmental situation, emotional condition and pattern of living;

(7) The age of the child;

(8) The program and facilities available to the juvenile court in considering disposition;

(9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and

(10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

(1) Findings showing that the court had jurisdiction of the cause and of the parties;

(2) Findings showing that the child was represented by counsel;

(3) Findings showing that the hearing was held in the presence of the child and his or her counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the prosecution of the child results in a conviction, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171."; and

House Amendment No. 5

AMEND House Committee Substitute for Senate Bill No. 186, Page 3, Section 56.601, Line 50, by inserting after all of said section and line the following:

"57.952. **1.** There is hereby authorized a "Sheriffs' Retirement Fund" which shall be under the management of a board of directors described in section 57.958. The board of directors shall be responsible for the administration and the investment of the funds of such sheriffs' retirement fund. **[**~~Neither~~**]** The general assembly **[**~~nor~~**] and** the governing body of a county **[**~~shall~~**] may** appropriate funds for deposit in the sheriffs' retirement fund. If insufficient funds are generated to provide the benefits payable pursuant to the provisions of sections 57.949 to 57.997, the board shall proportion the benefits according to the funds available.

2. The board may accept gifts, donations, grants, and bequests from public or private sources to the sheriffs' retirement fund.

3. Each county shall make the payroll deductions for member contributions mandated under section 57.961, and the county shall transmit such moneys to the board for deposit into the sheriffs' retirement fund.

57.961. 1. On and after the effective date of the establishment of the system, as an incident to his **or her** employment or continued employment, each person employed as an elected or appointed sheriff of a county shall become a member of the system. Such membership shall continue as long as the person continues to be an employee, or receives or is eligible to receive benefits under the provisions of sections 57.949 to 57.997.

2. Notwithstanding any other provision of law to the contrary, each person who is a member of the system on or after January 1, 2024, shall be required to contribute five percent of the member's pay to the retirement system. Such contribution shall be made notwithstanding that the minimum salary or wages provided by law for any member shall thereby be changed. Each member shall be deemed to consent and agree to the deduction made and provided for herein. Payment of a member's compensation less such deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for services rendered by him or her to a county, except as to benefits provided by this system.

3. The officer or officers responsible for making up the payrolls for each county shall cause the contribution provided for in this section to be deducted from the compensation of the member in the employ of the county, on each and every payroll, for each and every payroll to the date his or her membership terminates. When deducted, each contribution shall be paid by the county to the system; the payments shall be made in the manner and shall be accompanied by such supporting data as the board shall from time to time prescribe. When paid to the system, each of the contributions shall be credited to the member from whose compensation the contributions were deducted. The contributions so deducted shall be treated as employee contributions for purposes of determining the member's pay that is includable in the member's gross income for federal income tax purposes.

4. Member contributions deducted and paid into the system by the county shall be paid from the same source of funds used for the payment of pay to a member. A deduction shall be made from each member's pay equal to the amount of the member's contributions picked up by the employer. This deduction, however, shall not reduce the member's pay for purposes of computing benefits under the retirement system under this chapter.

5. The contributions, although designated as employee contributions, shall be paid by the county in lieu of the contributions by the member. The member shall not have the option of choosing to receive the contributed amounts directly instead of having them paid by the county to the retirement system.

6. A former member who is not vested may request a refund of his or her contributions. Such refund shall be paid by the system after ninety days from the date of termination of employment or the request, whichever is later, and shall include all contributions made to any retirement plan administered by the system.

[~~2.~~**] 7.** Beginning September 1, 1986, any city not within a county and any county having a charter form of government may elect, by a majority vote of its governing body, to come under the provisions of sections 57.949 to 57.997 except for the provisions of section 57.955. Notice in writing of such election shall be given to the board,

and the person employed as sheriff of such county, as an incident of his contract of employment or continued employment, shall become a member of the system on the first day of the month immediately following the date the board receives notice. Such membership shall continue as long as the person continues to be an employee, or receives or is eligible to receive benefits under the provisions of sections 57.949 to 57.997, and upon becoming a member he shall receive credit for all prior service as if he had become a member on December 22, 1983.

8. Subject to the limitations under sections 57.949 to 57.997, the board shall have the authority to formulate and adopt rules and regulations for the administration of these provisions.

57.967. 1. The normal annuity of a retired member shall equal two percent of the final average compensation of the retired member multiplied by the number of years of creditable service of the retired member, except that the normal annuity shall not exceed seventy-five percent of the retired member's average final compensation. **Such annuity shall be not less than one thousand dollars per month.**

2. The board, at its last meeting of each calendar year, shall determine the monthly amount for medical insurance premiums to be paid to each retired member during the next following calendar year. The monthly amount shall not exceed four hundred fifty dollars. The monthly payments are at the discretion of the board on the advice of the actuary. The anticipated sum of all such payments during the year plus the annual normal cost plus the annual amount to amortize the unfunded actuarial accrued liability in no more than thirty years shall not exceed the anticipated moneys credited to the system pursuant to **[**~~section~~**] sections 57.952 and** 57.955. The money amount granted here shall not be continued to any survivor.

3. If a member with eight or more years of service dies before becoming eligible for retirement, the member's surviving spouse, if he or she has been married to the member for at least two years prior to the member's death, shall be entitled to survivor benefits under option 1 as set forth in section 57.979 as if the member had retired on the date of the member's death. The member's monthly benefit shall be calculated as the member's accrued benefit at his or her death reduced by one-fourth of one percent per month for an early commencement from the member's normal retirement date: age fifty-five with twelve or more years of creditable service or age sixty-two with eight years of creditable service, to the member's date of death. Such benefit shall be payable on the first day of the month following the member's death and shall be payable during the surviving spouse's lifetime.

57.991. **1. For members of the system prior to December 31, 2023,** the benefits provided for by sections 57.949 to 57.997 shall in no way affect any person's eligibility for retirement benefits under the local government employees' retirement system, sections 70.600 to 70.755, or any other local government retirement or pension system, or in any way have the effect of reducing retirement benefits in such systems, or reducing compensation or mileage reimbursement of employees, anything to the contrary notwithstanding.

2. Any new members employed under this section, on or after January 1, 2024, shall be subject to the following provisions:

(1) A member of another state or local retirement or pension system who begins employment in a position covered by the sheriffs' retirement system shall become a member of the sheriffs' retirement system upon employment. Any membership in any other state or local retirement or pension system shall cease, except that the member shall be entitled to benefits accrued through December 31, 2023, or the commencement of membership in the sheriffs' retirement system, whichever is later; and

(2) Subject to the limitations under sections 57.949 to 57.997, the board shall have the authority to formulate and adopt rules and regulations for the administration of these provisions."; and

The board of police commissioners shall execute all documents reasonably required to accomplish such transfer of ownership and obligations.

3. If the city establishes a municipal police force and completes the transfer described in subsection 2 of this section, the city shall provide the necessary funds for the maintenance of the municipal police force.

All interest earned on money deposited in the endowed care cemetery audit fund shall be credited to the endowed care cemetery fund. Notwithstanding the provisions of section 33.080 to the contrary, money placed in the endowed care cemetery audit fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds three times the amount of the appropriation from the endowed care cemetery audit fund for the preceding fiscal year. The money deposited in the public health services fund under this section shall be deposited in a separate account in the fund, and moneys in such account, upon appropriation, shall be used to automate and improve the state vital records system, and develop and maintain an electronic birth and death registration system. For any search of the files and records, when no record is found, the state shall be entitled to a fee equal to the amount for a certification of a vital record for a five-year search to be paid by the applicant. For the processing of each legitimation, adoption, court order or recording after the registrant's twelfth birthday, the state shall be entitled to a fee equal to the amount for a certification of a vital record. 2. For the issuance of a certification of a death record by the local registrar, the applicant shall pay a fee of fourteen dollars for the first certification or copy and a fee of eleven dollars for each additional copy ordered at that time. For each fee collected under this subsection, one dollar shall be deposited to the state department of revenue and the remainder shall be deposited to the official city or county health agency. The director of revenue shall credit all fees deposited to the state department of revenue under this subsection to the Missouri state coroners' training fund established in section 58.208.

3. For the issuance of a certification or copy of a birth, marriage, divorce, or fetal death record, the applicant shall pay a fee of fifteen dollars; except that, in any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, a donation of one dollar may be collected by the local registrar over and above any fees required by law when a certification or copy of any marriage license or birth certificate is provided, with such donations collected to be forwarded monthly by the local registrar to the county treasurer of such county and the donations so forwarded to be deposited by the county treasurer into

the housing resource commission fund to assist homeless families and provide financial assistance to organizations addressing homelessness in such county. The local registrar shall include a check-off box on the application form for such copies. All fees collected under this subsection, other than the donations collected in any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants for marriage licenses and birth certificates, shall be deposited to the official city or county health agency.

4. A certified copy of a death record by the local registrar can only be issued within twenty-four hours of receipt of the record by the local registrar. Computer-generated certifications of death records may be issued by the local registrar after twenty-four hours of receipt of the records. The fees paid to the official county health agency shall be retained by the local agency for local public health purposes.

5. An unaccompanied youth shall be eligible to receive a certification or copy of his or her own birth record without the consent or signature of his or her parent or guardian; provided, that only one certificate under this provision shall be provided without cost to the unaccompanied or homeless youth. For the issuance of any additional certificates, the statutory fee shall be paid.

6. No fee shall be required or collected for a certification of birth, death, or marriage if the request for certification is made by a prosecuting attorney, a circuit attorney, or the attorney general.

195.817. 1. The department of health and senior services shall require all employees, contractors, owners, and volunteers of marijuana facilities to submit fingerprints to the Missouri state highway patrol for the purpose of conducting a state and federal fingerprint-based criminal background check.

2. The department may require that such fingerprint submissions be made as part of a marijuana facility application, a marijuana facility renewal application, and an individual's application for a license or permit authorizing that individual to be an employee, contractor, owner, or volunteer of a marijuana facility.

3. Fingerprint cards and any required fees shall be sent to the Missouri state highway patrol's central repository. The fingerprints shall be used for searching the state criminal records repository and shall also be forwarded to the Federal Bureau of Investigation for a federal criminal records search under section 43.540. The Missouri state highway patrol shall notify the department of any criminal history record information or lack of criminal history record information discovered on the individual. 210.305. 1. When an initial emergency placement of a child is deemed necessary, the children's division shall immediately begin a diligent search to locate, contact, and place the child with a grandparent or grandparents or a relative or relatives of the child, subject to subsection 3 of section 210.565 regarding preference of placement, except when the children's division determines that placement with a grandparent or grandparents or a relative or relatives is not in the best interest of the child and subject to the provisions of section 210.482 regarding background checks for emergency placements. If emergency placement of a child with grandparents or relatives is deemed not to be in the best interest of the child, the children's division shall document in writing the reason for denial and shall have just cause to deny the emergency placement. The children's division shall continue the search for other relatives until the division locates the relatives of the child for placement or the court excuses further search. Prior to placement of the child in any emergency placement, the division shall assure that the child's physical needs are met.

2. For purposes of this section, the following terms shall mean:

(1) "Diligent search", an exhaustive effort to identify and locate the grandparents or relatives whose identity or location is unknown**. "Diligent search" shall include, but is not limited to:**

(a) Interviews with the child's parent during the course of an investigation, while child protective services are provided, and while such child is in care;

(b) Interviews with the child;

(c) Interviews with identified grandparents or relatives throughout the case;

(d) Interviews with any other person who is likely to have information about the identity or location of the person being sought;

(e) Comprehensive searches of databases available to the children's division;

(f) Appropriate inquiry during the course of hearings in the case; and

(g) Any other reasonable means that are likely to identify grandparents, relatives, or other persons who have demonstrated an ongoing commitment to the child;

(2) "Emergency placement", those limited instances when the children's division is placing for an initial placement a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caretaker.

3. A diligent search shall be made to locate, contact, and notify the grandparent or grandparents of the child within three hours from the time the emergency placement is deemed necessary for the child. During such three-hour time period, the child may be placed in an emergency placement. If a grandparent or grandparents of the child cannot be located within the three-hour period, the child may be temporarily placed in emergency placement; except that, after the emergency placement is deemed necessary, the children's division shall continue a diligent search to contact, locate, and place the child with a grandparent or grandparents, or other relatives, with first consideration given to a grandparent for placement, subject to subsection 3 of section 210.565 regarding preference of placement.

4. A diligent search shall be made to locate, contact, and notify the relative or relatives of the child within thirty days from the time the emergency placement is deemed necessary for the child. The children's division shall continue the search for the relative or relatives until the division locates the relative or relatives of the child for placement**, for six months following the child's out-of-home placement,** or the court excuses further search**, whichever occurs first**. **The department shall resume search efforts if ordered by the court, a change in the child's placement occurs, or a party shows that continuing the search is in the best interests of the child.** The children's division, or an entity under contract with the division, shall use all sources of information, including any known parent or relative, to attempt to locate an appropriate relative as placement.

5. **[**~~Search progress under subsection 3 or 4 of this section shall be reported at each court hearing until the grandparents or relatives are either located or the court excuses further search.~~**] The children's division shall file with the court information regarding attempts made under this section within thirty days from the date the child was removed from his or her home, or as otherwise required by the court, and at each periodic review hearing. Such information shall include:**

(1) A detailed narrative explaining the division's efforts to find and consider each potential placement and the specific outcome;

(2) The names of and relevant information about grandparents and relatives of the child;

(3) Steps taken by the division to locate and contact grandparents and relatives of the child;

(4) Responses received from grandparents and relatives of the child;

(5) Dates of each attempted or completed contact with a grandparent or relative of the child;

(6) Reasons why a grandparent or relative of the child was not considered for emergency or permanent placement of the child; and

(7) All efforts for placement of the child through an interstate compact agreement under section 210.620, including:

(a) The names of grandparents or relatives of the child who were considered for an interstate placement;

(b) Any pending placement of the child through an interstate compact agreement; and

(c) All potential out-of-state placements outside of an interstate compact agreement and the reasons such placements have not been initiated.

If an out-of-state placement option exists and the division has failed to file a request with the receiving state under the requirements of an interstate compact agreement under section 210.620, the court shall enter a finding that the division has not made a due diligence search and shall order the division to file a request with the receiving state under the terms of the interstate compact.

6. **All grandparents or relatives to the child identified in a diligent search required by this section, subject to exceptions due to family or domestic violence or other safety concerns, shall be provided with notice, via certified mail as appropriate, that includes, but is not limited to:**

(1) A specification that an alleged dependent child has been or is being removed from his or her parental custody;

(2) An explanation of the options a grandparent or relative has to participate in the care and placement of the alleged dependent child and any options that may be lost by failing to respond to the notice;

(3) A description of the process for becoming a licensed foster family home and the additional services and supports available for children placed in approved foster homes;

(4) A description of any financial assistance for which a grandparent or relative may be eligible; and

(5) An explanation that any response received after thirty days or willful failure to respond upon receiving a notice may result in the grandparent or relative of the child not being considered for placement.

7. If a grandparent or relative entitled to notice under this section fails to respond to the division, responds and declines to be considered as placement for the child, or is otherwise presently prevented from being considered as placement for the child and later petitions the court for a change in placement, such person shall provide evidence that such change is in the child's best interests.

8. Nothing in this section shall be construed or interpreted to interfere with or supersede laws related to parental rights or judicial authority.

210.565. 1. Whenever a child is placed in a foster home and the court has determined pursuant to subsection 4 of this section that foster home placement with relatives is not contrary to the best interest of the child, the children's division shall give foster home placement to relatives of the child. Notwithstanding any rule of the division to the contrary **and under section 210.305**, the children's division shall complete a diligent search to locate and notify the grandparents, adult siblings, parents of siblings of the child, and all other relatives and determine whether they wish to be considered for placement of the child. Grandparents who request consideration shall be given preference and first consideration for foster home placement of the child. If more than one grandparent requests consideration, the family support team shall make recommendations to the juvenile or family court about which grandparent should be considered for placement.

2. As used in this section, the following terms shall mean:

(1) "Adult sibling", any brother or sister of whole or half-blood who is at least eighteen years of age;

(2) "Relative", a grandparent or any other person related to another by blood or affinity or a person who is not so related to the child but has a close relationship with the child or the child's family. **A foster parent or kinship caregiver with whom a child has resided for nine months or more is a person who has a close relationship with the child.** The status of a grandparent shall not be affected by the death or the dissolution of the marriage of a son or daughter;

(3) "Sibling", one of two or more individuals who have one or both parents in common through blood, marriage, or adoption, including siblings as defined by the child's tribal code or custom.

3. The following shall be the order or preference for placement of a child under this section:

(1) Grandparents;

(2) Adult siblings or parents of siblings;

(3) Relatives **[**~~related by blood or affinity within the third degree~~**]**; **and**

(4) **[**~~Other relatives; and~~

~~(5)~~**]** Any foster parent who is currently licensed and capable of accepting placement of the child.

4. The preference for placement and first consideration for grandparents or preference for placement with other relatives created by this section shall only apply where the court finds that placement with such grandparents or other relatives is not contrary to the best interest of the child considering all circumstances. If the court finds that it is contrary to the best interest of a child to be placed with grandparents or other relatives, the court shall make specific findings on the record detailing the reasons why the best interests of the child necessitate placement of the child with persons other than grandparents or other relatives. **Absent evidence to the contrary, the court may presume that continuation of the child's placement with his or her current caregivers is in the child's best interests.**

5. Recognizing the critical nature of sibling bonds for children, the children's division shall make reasonable efforts to place siblings in the same foster care, kinship, guardianship, or adoptive placement, unless doing so would be contrary to the safety or well-being of any of the siblings. If siblings are not placed together, the children's division shall make reasonable efforts to provide frequent visitation or other ongoing interaction between the siblings, unless this interaction would be contrary to a sibling's safety or well-being.

6. The age of the child's grandparent or other relative shall not be the only factor that the children's division takes into consideration when it makes placement decisions and recommendations to the court about placing the child with such grandparent or other relative.

7. For any Native American child placed in protective custody, the children's division shall comply with the placement requirements set forth in 25 U.S.C. Section 1915.

8. A grandparent or other relative may, on a case-by-case basis, have standards for licensure not related to safety waived for specific children in care that would otherwise impede licensing of the grandparent's or relative's home. In addition, any person receiving a preference may be licensed in an expedited manner if a child is placed under such person's care.

9. The guardian ad litem shall ascertain the child's wishes and feelings about his or her placement by conducting an interview or interviews with the child, if appropriate based on the child's age and maturity level, which shall be considered as a factor in placement decisions and recommendations, but shall not supersede the preference for relative placement created by this section or be contrary to the child's best interests.

210.795. 1. (1) A child in the care and custody of the children's division whose physical whereabouts are unknown to the division, the child's physical custodian, or contracted service providers shall be considered missing and the case manager or placement provider shall immediately inform a law enforcement agency having jurisdiction and the National Center for Missing and Exploited Children within two hours of discovery that the child is missing.

(2) The case manager shall document the report number and any relevant information in the child's record.

(3) Within twenty-four hours of a report being made under this subsection, the department shall inform and obtain information about the child's disappearance from the child's parents, known relatives, out-of-home caregivers, attorney, guardian or guardian ad litem, court appointed special advocate, juvenile officer, or Indian tribe, as applicable, or from any other person known to the department who may have relevant information regarding the child's disappearance.

(4) The case manager shall:

(a) Within one week and monthly thereafter, maintain contact with the child's family members, friends, school faculty, and service providers and with any other person or agency involved in the child's case;

(b) Document ongoing efforts to locate the child; and

(c) Continue contacting law enforcement about the missing child and shall make quarterly reports to the court about the status of the child and efforts to locate the child.

The department shall contact law enforcement every seven days and document the information provided and any information received.

(5) The division shall not petition the court for a release of jurisdiction for the child or stop searching for the child while the child is missing until the child reaches the age of twenty-one.

2. The division shall maintain protocols, including appropriate trainings, for conducting ongoing searches for children missing from care. Such protocols shall include preventative measures to identify and mitigate risk to children who are at increased risk for running away or disappearing or of being victims of trafficking as defined under section 566.200.

3. The division shall ensure that each child in the care and custody of the division has an updated photograph in the child's record.

4. When a child is located, the department shall:

(1) Inform all law enforcement agencies and organizations involved in the child's case; and

(2) Have in-person contact with the child within twenty-four hours after the child is located to assess the child's health, experiences while absent, the appropriateness of the child returning to the child's current placement, and the factors that contributed to the child's absence.

5. Any employee or contractor with the children's division, child welfare agencies, other state agencies, or schools shall, upon becoming aware that an emancipated minor as defined in section 302.178, a homeless youth as defined in section 167.020, or an unaccompanied minor as defined in section 210.121 is missing, inform the appropriate law enforcement agency and the National Center for Missing and Exploited Children within twenty-four hours.

6. Within twenty-four hours of a missing child being found, the division shall assess whether the child was a victim of trafficking and determine any factors that caused the child to go missing.

7. The general assembly may require an annual independent audit of the department's compliance with this section."; and

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. 5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. 6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(3) Findings showing that the hearing was held in the presence of the child and his or her counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the prosecution of the child results in a conviction, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

"**307.018. 1. Notwithstanding any other provision of law, no court shall issue a warrant of arrest for a person's failure to respond, pay the fine assessed, or appear in court with respect to a traffic citation issued for an infraction under the provisions of this chapter. In lieu of such warrant of arrest, the court shall issue a notice of failure to respond, pay the fine assessed, or appear, and the court shall schedule a second court date for the person to respond, pay the fine assessed, or appear. A copy of the court's notice with the new court date shall be sent to the driver of the vehicle. If the driver fails to respond, pay the fine assessed, or appear on the second court date, the court shall issue a second notice of failure to respond, pay the fine assessed, or appear. If the driver fails to respond, pay the fine assessed, or appear after the second notice, the court may issue a default judgment under section 556.021 for the infraction.**

(2) Waiving or reducing the amount owed; or

(3) Requiring the driver to perform community service or attend a court-ordered program in lieu of payment.

3. At any point after the default judgment has been entered, the driver may appear in court and show proof that he or she corrected the equipment violation for which the fine and costs were assessed. If the driver shows such proof, the court may waive the fines and costs that are due.

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax imposed pursuant to the provisions of this section shall be effective unless the governing body of the fire protection district submits to the voters of the fire protection district, at a county or state general, primary or special election, a proposal to authorize the governing body of the fire protection district to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

> Shall the fire protection district of _____ (district's name) impose a district-wide sales tax of _____ for the purpose of providing revenues for the operation of the fire protection district?
>
> □ YES □ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the sales tax authorized in this section shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the fire protection district shall not impose the sales tax authorized in this section unless and until the governing body of the fire protection district resubmits a proposal to authorize the governing body of the fire protection district to impose the sales tax authorized by this section and such proposal is approved by a majority of the qualified voters voting thereon.

3. All revenue received by a fire protection district from the tax authorized pursuant to the provisions of this section shall be deposited in a special trust fund and shall be used solely for the operation of the fire protection district.

4. All sales taxes collected by the director of revenue pursuant to this section on behalf of any fire protection district, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in the fire protection **[**~~district~~**]** sales tax trust fund established pursuant to section 321.242. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the fire protection district which levied the tax. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to section 57.280 shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of such charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall, as provided in section 57.280, receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his or her agent or attorney. The sheriff shall be allowed for each mile, as provided in section 57.280, going and returning from the courthouse of the county in which he or she resides to the place where the court is held, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

3. As provided in subsection 4 of section 57.280, the sheriff shall receive ten dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of section 57.280, in addition to the charge for such service that each sheriff receives under subsection 1 of section 57.280. The money received by the sheriff under subsection 4 of section 57.280 shall be paid into the county treasury and the county treasurer shall make such money payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278.

4. The moneys received by the clerk under this subsection shall be paid into the county treasury and the county treasurer shall make such moneys payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278.

491.075. 1. A statement made by a child under the age of **[**~~fourteen~~**]** **eighteen**, or a vulnerable person, relating to an offense under chapter 565, 566, 568 or 573, performed by another, not otherwise admissible by statute or court rule, is admissible in evidence in criminal proceedings in the courts of this state as substantive evidence to prove the truth of the matter asserted if:

(1) The court finds, in a hearing conducted outside the presence of the jury that the time, content and circumstances of the statement provide sufficient indicia of reliability; and

(2) (a) The child or vulnerable person testifies at the proceedings; or

(b) The child or vulnerable person is unavailable as a witness; or

(c) The child or vulnerable person is otherwise physically available as a witness but the court finds that the significant emotional or psychological trauma which would result from testifying in the personal presence of the defendant makes the child or vulnerable person unavailable as a witness at the time of the criminal proceeding.

2. Notwithstanding subsection 1 of this section or any provision of law or rule of evidence requiring corroboration of statements, admissions or confessions of the defendant, and notwithstanding any prohibition of hearsay evidence, a statement by a child when under the age of **[**~~fourteen~~**]** **eighteen**, or a vulnerable person, who is alleged to be victim of an offense under chapter 565, 566, 568 or 573 is sufficient corroboration of a statement, admission or confession regardless of whether or not the child or vulnerable person is available to testify regarding the offense.

3. A statement may not be admitted under this section unless the prosecuting attorney makes known to the accused or the accused's counsel his or her intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the accused or the accused's counsel with a fair opportunity to prepare to meet the statement.

4. Nothing in this section shall be construed to limit the admissibility of statements, admissions or confessions otherwise admissible by law.

5. For the purposes of this section, "vulnerable person" shall mean a person who, as a result of an inadequately developed or impaired intelligence or a psychiatric disorder that materially affects ability to function, lacks the mental capacity to consent, or whose developmental level does not exceed that of an ordinary child of **[**~~fourteen~~**]** **seventeen** years of age.

492.304. 1. In addition to the admissibility of a statement under the provisions of section 492.303, the visual and aural recording of a verbal or nonverbal statement of a child when under the age of **[**~~fourteen~~**]** **eighteen** **[**~~who is alleged to be a victim of~~**]** **or a vulnerable person, relating to** an offense under the provisions of chapter 565, 566 **[**~~or~~**]** **,** 568**, or 573 if performed by another,** is admissible into evidence if:

(1) No attorney for either party was present when the statement was made; except that, for any statement taken at a state-funded child assessment center as provided for in subsection 2 of section 210.001, an attorney representing the state of Missouri in a criminal investigation may, as a member of a multidisciplinary investigation team, observe the taking of such statement, but such attorney shall not be present in the room where the interview is being conducted;

(2) The recording is both visual and aural and is recorded on film or videotape or by other electronic means;

(3) The recording equipment was capable of making an accurate recording, the operator of the equipment was competent, and the recording is accurate and has not been altered;

(4) The statement was not made in response to questioning calculated to lead the child **or vulnerable person** to make a particular statement or to act in a particular way;

(5) Every voice on the recording is identified;

(6) The person conducting the interview of the child **or vulnerable person** in the recording is present at the proceeding and available to testify or be cross-examined by either party; and

(7) The defendant or the attorney for the defendant is afforded an opportunity to view the recording before it is offered into evidence.

2. If the child **or vulnerable person** does not testify at the proceeding, the visual and aural recording of a verbal or nonverbal statement of the child **or vulnerable person** shall not be admissible under this section unless the recording qualifies for admission under section 491.075.

3. If the visual and aural recording of a verbal or nonverbal statement of a child **or vulnerable person** is admissible under this section and the child **or vulnerable person** testifies at the proceeding, it shall be admissible in addition to the testimony of the child **or vulnerable person** at the proceeding whether or not it repeats or duplicates the child's **or vulnerable person's** testimony.

4. As used in this section, a nonverbal statement shall be defined as any demonstration of the child **or vulnerable person** by his or her actions, facial expressions, demonstrations with a doll or other visual aid whether or not this demonstration is accompanied by words.

5. For the purposes of this section, "vulnerable person" shall mean a person who, as a result of an inadequately developed or impaired intelligence or a psychiatric disorder that materially affects the ability to function, lacks the mental capacity to consent, or whose developmental level does not exceed that of an ordinary child of seventeen years of age.

494.430. 1. Upon timely application to the court, the following persons shall be excused from service as a petit or grand juror:

(1) Any person who has served on a state or federal petit or grand jury within the preceding two years;

(2) Any nursing mother, upon her request, and with a completed written statement from her physician to the court certifying she is a nursing mother;

(3) Any person whose absence from his or her regular place of employment would, in the judgment of the court, tend materially and adversely to affect the public safety, health, welfare or interest;

(4) Any person upon whom service as a juror would in the judgment of the court impose an undue or extreme physical or financial hardship;

(5) Any person licensed as a health care provider as such term is defined in section 538.205, but only if such person provides a written statement to the court certifying that he or she is actually providing health care services to patients, and that the person's service as a juror would be detrimental to the health of the person's patients;

(6) Any employee of a religious institution whose religious obligations or constraints prohibit their serving on a jury. The certification of the employment and obligation or constraint may be provided by the employee's religious supervisor;

(7) **When requested,** any person who is **[**~~seventy-five~~**] seventy** years of age or older.

2. A judge of the court for which the individual was called to jury service shall make undue or extreme physical or financial hardship determinations. The authority to make these determinations is delegable only to court officials or personnel who are authorized by the laws of this state to function as members of the judiciary.

3. A person asking to be excused based on a finding of undue or extreme physical or financial hardship must take all actions necessary to have obtained a ruling on that request by no later than the date on which the individual is scheduled to appear for jury duty.

4. Unless it is apparent to the court that the physical hardship would significantly impair the person's ability to serve as a juror, for purposes of sections 494.400 to 494.460 undue or extreme physical or financial hardship is limited to circumstances in which an individual would:

(1) Be required to abandon a person under his or her personal care or supervision due to the impossibility of obtaining an appropriate substitute caregiver during the period of participation in the jury pool or on the jury; or

(2) Incur costs that would have a substantial adverse impact on the payment of the individual's necessary daily living expenses or on those for whom he or she provides the principal means of support; or

(3) Suffer physical hardship that would result in illness or disease.

5. Undue or extreme physical or financial hardship does not exist solely based on the fact that a prospective juror will be required to be absent from his or her place of employment.

6. A person asking a judge to grant an excuse based on undue or extreme physical or financial hardship shall provide the judge with documentation as required by the judge, such as, but not limited to, federal and state income tax returns, medical statements from licensed physicians, proof of dependency or guardianship, and similar documents, which the judge finds to clearly support the request to be excused. Failure to provide satisfactory documentation shall result in a denial of the request to be excused. Such documents shall be filed under seal.

7. After two years, a person excused from jury service shall become eligible once again for qualification as a juror unless the person was excused from service permanently. A person is excused from jury service permanently only when the deciding judge determines that the underlying grounds for being excused are of a permanent nature."; and

550.125. 1. There is hereby created in the state treasury the "Change of Venue for Capital Cases Fund", which shall consist of moneys appropriated to the fund by the general assembly. In the event the amount disbursed is less than the county's actual costs associated with sequestering jurors, the original county shall reimburse the county to which the case was transferred for the difference. 4. Applications for reimbursement shall be submitted by May first of the current fiscal year, and disbursements shall be made by June thirtieth of the current fiscal year. Applications submitted after May first of the current fiscal year shall be reimbursed in the following fiscal year. 5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. The notice of entry of default judgment and the amount of fines and costs imposed shall be sent to the person by first class mail. The default judgment may be set aside for good cause if the person files a motion to set aside the judgment within six months of the date the notice of entry of default judgment is mailed.

7. These funds shall be subject to a biennial audit by the Missouri state auditor. Such audit shall include all records associated with crime victims' compensation funds collected, held or disbursed by any state agency.

8. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

The pay plan shall include, for each class of positions, a minimum and a maximum rate, and such provision for intermediate rates as the director considers necessary or equitable. The pay plan may also provide for the use of open, or stepless, pay ranges. The pay plan may include provision for grouping of positions with similar levels of responsibility or expertise into broad classification bands for purposes of determining compensation and for such salary differentials and other pay structures as the director considers necessary or equitable. In establishing the rates, the director shall give consideration to the experience in recruiting for positions in the state service, the rates of pay prevailing in the state for the services performed, and for comparable services in public and private employment, living costs, maintenance, or other benefits received by employees, and the financial condition and policies of the state. Amendments to the pay plan may be recommended by the director from time to time as circumstances require and such amendments shall take effect when approved as provided by this section. The conditions under which employees may be appointed at a rate above the minimum provided for the class, or advance from one rate to another within the rates applicable to their positions, may be determined by the regulations.

2. Any change in the pay plan shall be made on a uniform statewide basis. No employee in a position subject to this chapter shall receive more or less compensation than another employee solely because of the geographical area in which the employee lives or works.

3. The provisions of this section prohibiting consideration of geographical area in changes to the pay plan shall not apply to employees of the Missouri state highway patrol.

37.725. 1. Any files maintained by the advocate program shall be disclosed only at the discretion"; and

On motion of Representative Hicks, **House Amendment No. 6, as amended**, was adopted.

Representative Billington offered **House Amendment No. 7**.

House Amendment No. 7

AMEND House Committee Substitute for Senate Bill No. 186, Page 5, Section 211.031, Line 93, by inserting after all of said section and line the following:

"301.227. 1. Whenever a vehicle is sold for salvage, dismantling or rebuilding, the purchaser shall forward to the director of revenue within ten days the certificate of ownership or salvage certificate of title and the proper application and fee of eight dollars and fifty cents, and the director shall issue a negotiable salvage certificate of title to the purchaser of the salvaged vehicle. On vehicles purchased during a year that is no more than six years after the manufacturer's model year designation for such vehicle, it shall be mandatory that the purchaser apply for a salvage title. On vehicles purchased during a year that is more than six years after the manufacturer's model year designation for such vehicle, then application for a salvage title shall be optional on the part of the purchaser. Whenever a vehicle is sold for destruction and a salvage certificate of title, junking certificate, or certificate of ownership exists, the seller, if licensed under sections 301.217 to 301.221, shall forward the certificate to the director of revenue within ten days, with the notation of the date sold for destruction and the name of the purchaser clearly shown on the face of the certificate.

2. Whenever a vehicle is classified as junk, as defined in section 301.010, the purchaser may forward to the director of revenue a properly completed application for a junking certificate as well as the salvage certificate of title or certificate of ownership and the director shall issue a negotiable junking certificate to the purchaser of the vehicle. The director may also issue a junking certificate to a possessor of a vehicle manufactured twenty-six years or more prior to the current model year who has a bill of sale for said vehicle but does not possess a certificate of ownership, provided no claim of theft has been made on the vehicle and the highway patrol has by letter stated the vehicle is not listed as stolen after checking the registration number through its nationwide computer system. Such junking certificate may be granted within thirty days of the submission of a request. A junking certificate shall authorize the holder to possess, transport, or, by assignment, transfer ownership in such parts, scrap, or junk.

3. For any vehicle issued a junking certificate or such similar document or classification pursuant to the laws of another state, regardless of whether such designation has been subsequently changed by law in any other state, the department shall only issue a junking certificate, and a salvage certificate of title or original certificate of ownership shall not thereafter be issued for such vehicle. Notwithstanding the provisions of this subsection, if the vehicle has not previously been classified as a junk vehicle, the applicant making the original junking certification application shall, within ninety days, be allowed to rescind his application for a junking certificate by surrendering the junking certificate and apply for a salvage certificate of title in his name. The seller of a vehicle for which a junking certificate has been applied for or issued shall disclose such fact in writing to any prospective buyers before sale of such vehicle; otherwise the sale shall be voidable at the option of the buyer.

4. No scrap metal operator shall acquire or purchase a motor vehicle or parts thereof without, at the time of such acquisition, receiving the original certificate of ownership or salvage certificate of title or junking certificate from the seller of the vehicle or parts, unless the seller is a licensee under sections 301.219 to 301.221.

5. All titles and certificates required to be received by scrap metal operators from nonlicensees shall be forwarded by the operator to the director of revenue within ten days of the receipt of the vehicle or parts.

6. The scrap metal operator shall keep a record, for three years, of the seller's name and address, the salvage business license number of the licensee, date of purchase, and any vehicle or parts identification numbers open for inspection as provided in section 301.225.

7. Notwithstanding any other provision of this section, a motor vehicle dealer as defined in section 301.550 and licensed under the provisions of sections 301.550 to 301.572 may negotiate one reassignment of a salvage certificate of title on the back thereof.

8. Notwithstanding the provisions of subsection 1 of this section, an insurance company which settles a claim for a stolen vehicle may apply for and shall be issued a negotiable salvage certificate of title without the payment of any fee upon proper application within thirty days after settlement of the claim for such stolen vehicle. However, if the insurance company upon recovery of a stolen vehicle determines that the stolen vehicle has not sustained damage to the extent that the vehicle would have otherwise been declared a salvage vehicle pursuant to section 301.010, then the insurance company may have the vehicle inspected by the Missouri state highway patrol, or other law enforcement agency authorized by the director of revenue, in accordance with the inspection provisions of subsection 9 of section 301.190. Upon receipt of title application, applicable fee, the completed inspection, and the return of any previously issued negotiable salvage certificate, the director shall issue an original title with no salvage or prior salvage designation. Upon the issuance of an original title the director shall remove any indication of the negotiable salvage title previously issued to the insurance company from the department's electronic records.

9. Notwithstanding subsection 4 of this section or any other provision of the law to the contrary, if a motor vehicle is inoperable and is at least **[**~~ten~~**] twenty** model years old, or the parts are from a motor vehicle that is inoperable and is at least **[**~~ten~~**] twenty** model years old, a scrap metal operator may purchase or acquire such motor vehicle or parts without receiving the original certificate of ownership, salvage certificate of title, or junking certificate from the seller of the vehicle or parts, provided the scrap metal operator verifies with the department of revenue, via the department's online record access, that the motor vehicle is not subject to any recorded security interest or lien and the scrap metal operator complies with the requirements of this subsection. In lieu of forwarding certificates of title or ownership for such motor vehicles as required by subsection 5 of this section, the scrap metal operator shall forward a copy of the seller's state identification card along with a bill of sale to the department of revenue. The bill of sale form shall be designed by the director and such form shall include, but not be limited to, a certification that the motor vehicle is at least **[**~~ten~~**] twenty** model years old, is inoperable, is not subject to any recorded security interest or lien, and a certification by the seller that the seller has the legal authority to sell or otherwise transfer the seller's interest in the motor vehicle or parts. Upon receipt of the information required by this subsection, the department of revenue shall cancel any certificate of title or ownership and registration for the motor vehicle. If the motor vehicle is inoperable and at least twenty model years old, then the scrap metal operator shall not be required to verify with the department of revenue whether the motor vehicle is subject to any recorded security interests or liens. As used in this subsection, the term "inoperable" means a motor vehicle that is in a rusted, wrecked, discarded, worn out, extensively damaged, dismantled, and mechanically inoperative condition and the vehicle's highest and best use is for scrap purposes. The director of the department of revenue is directed to promulgate rules and regulations to implement and administer the provisions of this section, including but not limited to, the development of a uniform bill of sale. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and

Subject to the limitations of subsection 12 of this section, a person may apply to have one or more offenses, violations, or infractions expunged if such offense, violation, or infraction occurred within the state of Missouri and was prosecuted under the jurisdiction of a Missouri municipal, associate circuit, or circuit court, so long as such person lists all the offenses, violations, and infractions he or she is seeking to have expunged in the petition and so long as all such offenses, violations, and infractions are not excluded under subsection 2 of this section. If the offenses, violations, or infractions were charged as counts in the same indictment or information or were committed as part of the same course of criminal conduct, the person may include all the related offenses, violations, and infractions in the petition, regardless of the limits of subsection 12 of this section, and the petition shall only count as a petition for expungement of the highest level violation or offense contained in the petition for the purpose of determining future eligibility for expungement.

(7) Any offense eligible for expungement under section 577.054 or 610.130;

(8) Any intoxication-related traffic or boating offense as defined in section 577.001, or any offense of operating an aircraft with an excessive blood alcohol content or while in an intoxicated condition;

(9) Any ordinance violation that is the substantial equivalent of any offense that is not eligible for expungement under this section;

(10) Any violation of any state law or county or municipal ordinance regulating the operation of motor vehicles when committed by an individual who has been issued a commercial driver's license or is required to possess a commercial driver's license issued by this state or any other state; and

(11) Any offense of section 571.030, except any offense under subdivision (1) of subsection 1 of section 571.030 where the person was convicted or found guilty prior to January 1, 2017, or any offense under subdivision (4) of subsection 1 of section 571.030.

3. The petition shall name as defendants all law enforcement agencies, courts, prosecuting or circuit attorneys, municipal prosecuting attorneys, central state repositories of criminal records, or others who the petitioner has reason to believe may possess the records subject to expungement for each of the offenses, violations, and infractions listed in the petition. The court's order of expungement shall not affect any person or entity not named as a defendant in the action.

4. The petition shall include the following information:

(1) The petitioner's:

(a) Full name;

(b) Sex;

(c) Race;

(d) Driver's license number, if applicable; and

(e) Current address;

(2) Each offense, violation, or infraction for which the petitioner is requesting expungement;

(3) The approximate date the petitioner was charged for each offense, violation, or infraction; and

(4) The name of the county where the petitioner was charged for each offense, violation, or infraction and if any of the offenses, violations, or infractions occurred in a municipality, the name of the municipality for each offense, violation, or infraction; and

(5) The case number and name of the court for each offense.

5. The clerk of the court shall give notice of the filing of the petition to the office of the prosecuting attorney, circuit attorney, or municipal prosecuting attorney that prosecuted the offenses, violations, or infractions listed in the petition. If the prosecuting attorney, circuit attorney, or municipal prosecuting attorney objects to the petition for expungement, he or she shall do so in writing within thirty days after receipt of service. Unless otherwise agreed upon by the parties, the court shall hold a hearing within sixty days after any written objection is filed, giving reasonable notice of the hearing to the petitioner. If no objection has been filed within thirty days after receipt of service, the court may set a hearing on the matter and shall give reasonable notice of the hearing to each entity named in the petition. At any hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses, violations, or infractions listed in the petition for expungement:

(1) At the time the petition is filed, it has been at least three years if the offense is a felony, or at least one year if the offense is a misdemeanor, municipal offense, or infraction, from the date the petitioner completed any authorized disposition imposed under section 557.011 for each offense, violation, or infraction listed in the petition;

(2) At the time the petition is filed, the person has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters 301, 302, 303, 304, and 307, during the time period specified for the underlying offense, violation, or infraction in subdivision (1) of this subsection;

(3) The person has satisfied all obligations relating to any such disposition, including the payment of any fines or restitution;

(4) The person does not have charges pending;

(5) The petitioner's habits and conduct demonstrate that the petitioner is not a threat to the public safety of the state; and

(6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney, circuit attorney, or municipal prosecuting attorney to rebut the presumption. A victim of an offense, violation, or infraction listed in the petition shall have an opportunity to be heard at any hearing held under this section, and the court may make a determination based solely on such victim's testimony.

6. A petition to expunge records related to an arrest for an eligible offense, violation, or infraction may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than three years from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

7. If the court determines that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses, violations, or infractions listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. A copy of the order of expungement shall be provided to the petitioner and each entity possessing records subject to the order, and, upon receipt of the order, each entity shall close any record in its possession relating to any offense, violation, or infraction listed in the petition, in the manner established by section 610.120. The records and files maintained in any administrative or court proceeding in a municipal, associate, or circuit court for any offense, infraction, or violation ordered expunged under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

8. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. For purposes of 18 U.S.C. Section 921(a)(33)(B)(ii), an order or expungement granted pursuant to this section shall be considered a complete removal of all effects of the expunged conviction. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense, violation, or infraction to any court when asked or upon being charged with any subsequent offense, violation, or infraction. The expunged offense, violation, or infraction may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

9. Notwithstanding the provisions of subsection 8 of this section to the contrary, a person granted an expungement shall disclose any expunged offense, violation, or infraction when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313 or permit issued under chapter 571;

(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;

(4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;

(5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

(6) Employment with any employer that is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection. Notwithstanding any provision of law to the contrary, an expunged offense, violation, or infraction shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, an offense, violation, or infraction expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

10. A person who has been granted an expungement of records pertaining to a misdemeanor or felony offense, an ordinance violation, or an infraction may answer "no" to an employer's inquiry into whether the person has ever been convicted of a crime if, after the granting of the expungement, the person has no public record of a misdemeanor or felony offense, an ordinance violation, or an infraction. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense or violation expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

11. If the court determines that the petitioner has not met the criteria for any of the offenses, violations, or infractions listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

12. A person may be granted more than one expungement under this section provided that during his or her lifetime, the total number of offenses, violations, or infractions for which orders of expungement are granted to the person shall not exceed the following limits:

(1) Not more than two misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than one felony offense.

A person may be granted expungement under this section for any number of infractions. Nothing in this section shall prevent the court from maintaining records to ensure that an individual has not exceeded the limitations of this subsection. Nothing in this section shall be construed to limit or impair in any way the subsequent use of any record

expunged under this section of any arrests or findings of guilt by a law enforcement agency, criminal justice agency, prosecuting attorney, circuit attorney, or municipal prosecuting attorney, including its use as a prior offense, violation, or infraction.

13. The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief.".

14. Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law.

"302.304. 1. The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege have been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege have been suspended under the provisions of subdivision (8) of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible, shall be reinstated as follows:

(2) In the case of a second suspension, sixty days after the effective date of the suspension;

(3) In the case of the third and subsequent suspensions, ninety days after the effective date of the suspension.

Unless proof of financial responsibility is filed with the department of revenue, a suspension shall continue in effect for two years from its effective date.

5. The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege as defined in section 302.010. Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. If a person, otherwise subject to the provisions of this subsection, files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition

interlock device, there shall be no period of suspension. However, in lieu of a suspension the person shall instead complete a ninety-day period of restricted driving privilege. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated. Upon completion of such ninety-day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such ninety-day period indicate that the ignition interlock device has registered a confirmed blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional thirty-day period of restricted driving privilege.

7. The director shall revoke the license and driving privilege of any person when the person's driving record shows such person has accumulated twelve points in twelve months or eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation period of any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the Armed Forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the Armed Forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, except any suspension or revocation issued under section 302.410, 302.462, or 302.574, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state. Any person who has had his or her license suspended or revoked under section 302.410, 302.462, or 302.574, shall be required to pay the reinstatement fee.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (24) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.001 or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of**:**

(1) An assessment of points for a conviction for an intoxication-related traffic offense**,** as defined under section 577.001, **in which the person's blood alcohol content was found to be at least eight-hundredths of one percent but less than fifteen-hundredths of one percent by weight of alcohol in such person's blood** and who has a prior alcohol-related enforcement contact as defined under section 302.525**[**,**]; or**

(2) An assessment of points for a conviction for an intoxication-related traffic offense, as defined under section 577.001, in which the person's blood alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in such person's blood;

shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or

circumvented the ignition interlock device within the last three months of the six-month period of required installation of the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended until the person has completed three consecutive months with no violations as described in this section. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.

302.440. In addition to any other provisions of law, a court may require that any person who is found guilty of a first intoxication-related traffic offense, as defined in section 577.001, and a court shall require that any person who is found guilty of a second or subsequent intoxication-related traffic offense, as defined in section 577.001, **or any person who is found guilty of an intoxication-related traffic offense, as defined under section 577.001, in which the person's blood alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in such person's blood** shall not operate any motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device **that the person must use** for a period of not less than six months from the date of reinstatement of the person's driver's license. In addition, any court authorized to grant a limited driving privilege under section 302.309 to any person who is found guilty of a second or subsequent intoxication-related traffic offense **or to any person who is found guilty of an intoxication-related traffic offense, as defined under section 577.001, in which the person's blood alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in such person's blood** shall require the use of an ignition interlock device on all vehicles operated by the person as a required condition of the limited driving privilege, except as provided in section 302.441. These requirements shall be in addition to any other provisions of this chapter or chapter 577 requiring installation and maintenance of an ignition interlock device. Any person required to use an ignition interlock device shall comply with such requirement subject to the penalties provided by section 577.599.

302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515. If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible. The restricted driving privilege shall indicate **[**~~whether~~**] that** a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle. A copy of the restricted driving privilege shall be given to the person and such person shall carry a copy of the restricted driving privilege while operating a motor vehicle. In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section. If a person otherwise subject to the provisions of this subdivision files proof of installation with the department of revenue that any vehicle that he or she operates is equipped with a functioning, certified ignition interlock device, there shall be no period of suspension. However, in lieu of a suspension the person shall instead complete a ninety-day period of restricted driving privilege. Upon completion of such ninety-day period of restricted driving privilege, compliance with other requirements of law, and filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such ninety-day period indicate that the ignition interlock device has registered a confirmed blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional thirty-day period of restricted driving privilege. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts **or to any person whose driving record shows an intoxication-related traffic offense, as defined under section 577.001, in which the person's blood**

alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in such person's blood until the person has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving while intoxicated, driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012 or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts **or an intoxication-related traffic offense, as defined under section 577.001, in which the person's blood alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in such person's blood** showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device within the last three months of the six-month period of required installation of the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended until the person has completed three consecutive months with no violations as described in this section. If the person fails to maintain such proof with the director, the license shall be suspended or revoked, until proof as required by this section is filed with the director, and the person shall be guilty of a class A misdemeanor.

302.574. 1. If a person who was operating a vehicle refuses upon the request of the officer to submit to any chemical test under section 577.041, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall take possession of any license to operate a vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person notice of his or her right to file a petition for review to contest the license revocation.

2. Such officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

(1) That the officer has:

(a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;

(2) That the person refused to submit to a chemical test;

(3) Whether the officer secured the license to operate a motor vehicle of the person;

(4) Whether the officer issued a fifteen-day temporary permit;

(5) Copies of the notice of revocation, the fifteen-day temporary permit, and the notice of the right to file a petition for review. The notices and permit may be combined in one document; and

(6) Any license, which the officer has taken into possession, to operate a motor vehicle.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident, such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit division or associate division of the court in the county in which the arrest or stop occurred. Pursuant to local court rule promulgated pursuant to Section 15 of Article V of the Missouri Constitution, the case may also be assigned to a traffic judge pursuant to section 479.500. The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation under this section. Upon the person's request, the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing, the court shall determine only:

(1) Whether the person was arrested or stopped;

(2) Whether the officer had:

(a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

(3) Whether the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked under the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (24) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion under the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a similar offense in the future, except that the court may modify but shall not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.001, or of a person determined to have operated a motor vehicle with a blood alcohol content of fifteen-hundredths of one percent or more by weight. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted under this subsection shall not be necessary unless directed by the court.

8. The fees for the substance abuse traffic offender program, or a portion thereof, to be determined by the division of behavioral health of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010. The administrator of the program shall remit to the division of behavioral health of the department of mental health on or before the fifteenth day of each month the supplemental

fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due to the division of behavioral health under this section, and shall accrue at a rate not to exceed the annual rates established under the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health under this section shall be deposited in the mental health earnings fund, which is created in section 630.053.

9. Any administrator who fails to remit to the division of behavioral health of the department of mental health the supplemental fees and interest for all persons enrolled in the program under this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due to the division under this section. If the supplemental fees, interest, and penalties are not remitted to the division of behavioral health of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action for the collection of said fees and accrued interest. The court shall assess attorneys' fees and court costs against any delinquent program.

10. Any person who has had a license to operate a motor vehicle revoked under this section and who has a prior alcohol-related enforcement contact, as defined in section 302.525, **or who has been found guilty of an intoxication-related traffic offense, as defined under section 577.001, in which the person's blood alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in such person's blood,** shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of license reinstatement. Such ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device within the last three months of the six-month period of required installation of the ignition interlock device, then the period for which the person shall maintain the ignition interlock device following the date of reinstatement shall be extended until the person has completed three consecutive months with no violations as described in this section. If the person fails to maintain such proof with the director as required by this section, the license shall be rerevoked until proof as required by this section is filed with the director, and the person shall be guilty of a class A misdemeanor.

11. The revocation period of any person whose license and driving privilege has been revoked under this section and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked.

12. A person commits the offense of failure to maintain proof with the Missouri department of revenue if, when required to do so, he or she fails to file proof with the director of revenue that any vehicle operated by the person is equipped with a functioning, certified ignition interlock device or fails to file proof of financial responsibility with the department of revenue in accordance with chapter 303. The offense of failure to maintain proof with the Missouri department of revenue is a class A misdemeanor."; and"; and

"287.067. 1. In this chapter the term "occupational disease" is hereby defined to mean, unless a different meaning is clearly indicated by the context, an identifiable disease arising with or without human fault out of and in the course of the employment. Ordinary diseases of life to which the general public is exposed outside of the employment shall not be compensable, except where the diseases follow as an incident of an occupational disease as defined in this section. The disease need not to have been foreseen or expected but after its contraction it must appear to have had its origin in a risk connected with the employment and to have flowed from that source as a rational consequence.

2. An injury or death by occupational disease is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

3. An injury due to repetitive motion is recognized as an occupational disease for purposes of this chapter. An occupational disease due to repetitive motion is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

4. "Loss of hearing due to industrial noise" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be a loss of hearing in one or both ears due to prolonged exposure to harmful noise in employment. "Harmful noise" means sound capable of producing occupational deafness.

5. "Radiation disability" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be that disability due to radioactive properties or substances or to Roentgen rays (X-rays) or exposure to ionizing radiation caused by any process involving the use of or direct contact with radium or radioactive properties or substances or the use of or direct exposure to Roentgen rays (X-rays) or ionizing radiation.

6. Disease of the lungs or respiratory tract, hypotension, hypertension, or disease of the heart or cardiovascular system, including carcinoma, may be recognized as occupational diseases for the purposes of this chapter and are defined to be disability due to exposure to smoke, gases, carcinogens, inadequate oxygen, of paid firefighters of a paid fire department or paid police officers of a paid police department certified under chapter 590 if a direct causal relationship is established, or psychological stress of firefighters of a paid fire department or paid peace officers of a police department who are certified under chapter 590 if a direct causal relationship is established.

7. Any employee who is exposed to and contracts any contagious or communicable disease arising out of and in the course of his or her employment shall be eligible for benefits under this chapter as an occupational disease.

8. With regard to occupational disease due to repetitive motion, if the exposure to the repetitive motion which is found to be the cause of the injury is for a period of less than three months and the evidence demonstrates that the exposure to the repetitive motion with the immediate prior employer was the prevailing factor in causing the injury, the prior employer shall be liable for such occupational disease.

9. (1) (a) Posttraumatic stress disorder (PTSD), as described in the Diagnostic and Statistical Manual of Mental Health Disorders, Fifth Edition, published by the American Psychiatric Association, (DSM-5) is recognized as a compensable occupational disease for purposes of this chapter when diagnosed in a first responder, as that term is defined under section 67.145.

(b) Benefits payable to a first responder under this section shall not require a physical injury to the first responder, and are not subject to any preexisting PTSD.

(c) Benefits payable to a first responder under this section are compensable only if demonstrated by clear and convincing evidence that PTSD has resulted from the course and scope of employment, and the first responder is examined and diagnosed with PTSD by an authorized treating physician, due to the first responder experiencing one of the following qualifying events:

a. Seeing for oneself a deceased minor;

b. Witnessing directly the death of a minor;

c. Witnessing directly the injury to a minor who subsequently died prior to or upon arrival at a hospital emergency department, participating in the physical treatment of, or manually transporting, an injured minor who subsequently died prior to or upon arrival at a hospital emergency department;

d. Seeing for oneself a person who has suffered serious physical injury of a nature that shocks the conscience;

e. Witnessing directly a death, including suicide, due to serious physical injury; or homicide, including murder, mass killings, manslaughter, self-defense, misadventure, and negligence;

f. Witnessing directly an injury that results in death, if the person suffered serious physical injury that shocks the conscience;

g. Participating in the physical treatment of an injury, including attempted suicide, or manually transporting an injured person who suffered serious physical injury, if the injured person subsequently died prior to or upon arrival at a hospital emergency department; or,

h. Involvement in an event that caused or may have caused serious injury or harm to the first responder or had the potential to cause the death of the first responder, whether accidental or by an intentional act of another individual.

(2) The time for notice of injury or death in cases of compensable PTSD under this section is measured from exposure to one of the qualifying stressors listed in the DSM-5 criteria, or the diagnosis of the disorder, whichever is later. Any claim for compensation for such injury shall be properly noticed within fifty-two weeks after the qualifying exposure, or the diagnosis of the disorder, whichever is later."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

7. Regional EMS medical directors may act to provide online telecommunication medical direction to AEMTs, **[**~~EMT-Bs, EMT-Ps~~**] EMTs, paramedics**, and community paramedics and provide offline medical direction per standardized treatment, triage, and transport protocols when EMS personnel, including AEMTs, **[**~~EMT-Bs, EMT-Ps~~**] EMTs, paramedics**, and community paramedics, are providing care to special needs patients or at the request of a local EMS agency or medical director.

8. When developing treatment protocols for special needs patients, regional EMS medical directors may promulgate such protocols on a regional basis across multiple political subdivisions' jurisdictional boundaries, and such protocols may be used by multiple agencies including, but not limited to, ambulance services, emergency response agencies, and public health departments. Treatment protocols shall include steps to ensure the receiving hospital is informed of the pending arrival of the special needs patient, the condition of the patient, and the treatment instituted.

9. Multiple EMS agencies including, but not limited to, ambulance services, emergency response agencies, and public health departments shall take necessary steps to follow the regional EMS protocols established as provided under subsection 8 of this section in cases of mass casualty or state-declared disaster incidents.

10. When regional EMS medical directors develop and implement treatment protocols for patients or provide online medical direction for patients, such activity shall not be construed as having usurped local medical direction authority in any manner.

11. The state EMS medical directors advisory committee shall review and make recommendations regarding all proposed community and regional time-critical diagnosis plans.

12. Notwithstanding any other provision of law to the contrary, when regional EMS medical directors are providing either online telecommunication medical direction to AEMTs, **[**~~EMT-Bs, EMT-Ps~~**] EMTs, paramedics**, and community paramedics, or offline medical direction per standardized EMS treatment, triage, and transport protocols for patients, those medical directions or treatment protocols may include the administration of the patient's own prescription medications.

(2) For applications submitted after the recognition of EMS personnel licensure interstate compact under sections 190.900 to 190.939 takes effect, an applicant for initial licensure as an emergency medical technician in this state shall submit to a background check by the Missouri state highway patrol and the Federal Bureau of Investigation through a process approved by the department of health and senior services. Such processes may

include the use of vendors or systems administered by the Missouri state highway patrol. The department may share the results of such a criminal background check with any emergency services licensing agency in any member state, as that term is defined under section 190.900, in recognition of the EMS personnel licensure interstate compact. The department shall not issue a license until the department receives the results of an applicant's criminal background check from the Missouri state highway patrol and the Federal Bureau of Investigation, but, notwithstanding this subsection, the department may issue a temporary license as provided under section 190.143. Any fees due for a criminal background check shall be paid by the applicant.

(3) The director may authorize investigations into criminal records in other states for any applicant.

2. The department shall issue a license to all levels of emergency medical technicians, for a period of five years, if the applicant meets the requirements established pursuant to sections 190.001 to 190.245 and the rules adopted by the department pursuant to sections 190.001 to 190.245. The department may promulgate rules relating to the requirements for an emergency medical technician including but not limited to:

(1) Age requirements;

(2) Emergency medical technician and paramedic education and training requirements based on respective National Emergency Medical Services Education Standards and any modification to such curricula specified by the department through rules adopted pursuant to sections 190.001 to 190.245;

(3) Paramedic accreditation requirements. Paramedic training programs shall be accredited **[**~~by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) or hold a CAAHEP letter of review~~**] as required by the National Registry of Emergency Medical Technicians**;

(4) Initial licensure testing requirements. Initial **[**~~EMT-P~~**] paramedic** licensure testing shall be through the national registry of EMTs;

(5) Continuing education and relicensure requirements; and

(6) Ability to speak, read and write the English language.

3. Application for all levels of emergency medical technician license shall be made upon such forms as prescribed by the department in rules adopted pursuant to sections 190.001 to 190.245. The application form shall contain such information as the department deems necessary to make a determination as to whether the emergency medical technician meets all the requirements of sections 190.001 to 190.245 and rules promulgated pursuant to sections 190.001 to 190.245.

4. All levels of emergency medical technicians may perform only that patient care which is:

(1) Consistent with the training, education and experience of the particular emergency medical technician; and

(2) Ordered by a physician or set forth in protocols approved by the medical director.

5. No person shall hold themselves out as an emergency medical technician or provide the services of an emergency medical technician unless such person is licensed by the department.

6. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

190.147. 1. **[**~~An emergency medical technician paramedic (EMT-P)~~**] A paramedic** may make a good faith determination that such behavioral health patients who present a likelihood of serious harm to themselves or others, as the term "likelihood of serious harm" is defined under section 632.005, or who are significantly incapacitated by alcohol or drugs shall be placed into a temporary hold for the sole purpose of transport to the nearest appropriate facility; provided that, such determination shall be made in cooperation with at least one other **[**~~EMT-P~~**] paramedic** or other health care professional involved in the transport. Once in a temporary hold, the patient shall be treated with humane care in a manner that preserves human dignity, consistent with applicable federal regulations and nationally recognized guidelines regarding the appropriate use of temporary holds and restraints in medical transport. Prior to making such a determination:

(1) The **[**~~EMT-P~~**] paramedic** shall have completed a standard crisis intervention training course as endorsed and developed by the state EMS medical director's advisory committee;

(2) The **[**~~EMT-P~~**] paramedic** shall have been authorized by his or her ground or air ambulance service's administration and medical director under subsection 3 of section 190.103; and

(3) The **[**~~EMT-P's~~**] paramedic** ground or air ambulance service has developed and adopted standardized triage, treatment, and transport protocols under subsection 3 of section 190.103, which address the challenge of treating and transporting such patients. Provided:

(a) That such protocols shall be reviewed and approved by the state EMS medical director's advisory committee; and

(b) That such protocols shall direct the **[**~~EMT-P~~**] paramedic** regarding the proper use of patient restraint and coordination with area law enforcement; and

(c) Patient restraint protocols shall be based upon current applicable national guidelines.

2. In any instance in which a good faith determination for a temporary hold of a patient has been made, such hold shall be made in a clinically appropriate and adequately justified manner, and shall be documented and attested to in writing. The writing shall be retained by the ambulance service and included as part of the patient's medical file.

3. **[**~~EMT-Ps~~**] Paramedics** who have made a good faith decision for a temporary hold of a patient as authorized by this section shall no longer have to rely on the common law doctrine of implied consent and therefore shall not be civilly liable for a good faith determination made in accordance with this section and shall not have waived any sovereign immunity defense, official immunity defense, or Missouri public duty doctrine defense if employed at the time of the good faith determination by a government employer.

4. Any ground or air ambulance service that adopts the authority and protocols provided for by this section shall have a memorandum of understanding with applicable local law enforcement agencies in order to achieve a collaborative and coordinated response to patients displaying symptoms of either a likelihood of serious harm to themselves or others or significant incapacitation by alcohol or drugs, which require a crisis intervention response. The memorandum of understanding shall include, but not be limited to, the following:

(1) Administrative oversight, including coordination between ambulance services and law enforcement agencies;

(2) Patient restraint techniques and coordination of agency responses to situations in which patient restraint may be required;

(3) Field interaction between paramedics and law enforcement, including patient destination and transportation; and

(4) Coordination of program quality assurance.

5. The physical restraint of a patient by an emergency medical technician under the authority of this section shall be permitted only in order to provide for the safety of bystanders, the patient, or emergency personnel due to an imminent or immediate danger, or upon approval by local medical control through direct communications. Restraint shall also be permitted through cooperation with on-scene law enforcement officers. All incidents involving patient restraint used under the authority of this section shall be reviewed by the ambulance service physician medical director.

190.327. 1. Immediately upon the decision by the commission to utilize a portion of the emergency telephone tax for central dispatching and an affirmative vote of the telephone tax, the commission shall appoint the initial members of a board which shall administer the funds and oversee the provision of central dispatching for emergency services in the county and in municipalities and other political subdivisions which have contracted for such service. Beginning with the general election in 1992, all board members shall be elected according to this section and other applicable laws of this state. (7) To adopt and amend bylaws and any other rules and regulations;

(8) To fix, charge and collect the taxes and fees authorized by law for the purpose of implementing and operating the services described in this section;

(9) To pay all expenses connected with the first election and all subsequent elections; and

(10) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted in this subsection. Such specific powers shall not be considered as a limitation upon any power necessary or appropriate to carry out the purposes and intent of sections 190.300 to 190.329.

4. (1) Notwithstanding the provisions of subsections 1 and 2 of this section to the contrary, the county commission may elect to appoint the members of the board to administer the funds and oversee the provision of central dispatching for emergency services in the counties, municipalities, and other political subdivisions which have contracted for such service upon the request of the municipalities and other political subdivisions. Upon appointment of the initial members of the board, the commission shall relinquish all powers and duties to the board and no longer exercise the duties prescribed in this chapter with regard to the provision of central dispatching service and such duties shall be exercised by the board.

(2) The board shall consist of seven members appointed without regard to political affiliation. The members shall include:

(a) Five members who shall serve for so long as they remain in their respective county or municipal positions as follows:

(3) Upon the appointment of the board under this subsection, the board shall have the powers provided in subsection 3 of this section and the commission shall relinquish all powers and duties relating to the provision of central dispatching service under this chapter to the board.

[~~5. An emergency services board originally organized under section 190.325 operating within a county with a charter form of government and with more than two hundred thousand but fewer than three hundred fifty thousand inhabitants shall not have a sales tax for emergency services or for providing central dispatching for emergency services greater than one-quarter of one percent. If on July 9, 2019, such tax is greater than one-quarter of one percent, the board shall lower the tax rate.~~**]**

(1) "Board", the Missouri 911 service board established under section 650.325;

(2) "Consumer", a person who purchases prepaid wireless telecommunications service in a retail transaction;

(3) "Department", the department of revenue;

(4) "Prepaid wireless service provider", a provider that provides prepaid wireless service to an end user;

(5) "Prepaid wireless telecommunications service", a wireless telecommunications service that allows a caller to dial 911 to access the 911 system and which service shall be paid for in advance and is sold in predetermined units or dollars of which the number declines with use in a known amount;

(6) "Retail transaction", the purchase of prepaid wireless telecommunications service from a seller for any purpose other than resale. The purchase of more than one item that provides prepaid wireless telecommunication service, when such items are sold separately, constitutes more than one retail transaction;

(8) "Wireless telecommunications service", commercial mobile radio service as defined by 47 CFR 20.3, as amended.

(2) When prepaid wireless telecommunications service is sold with one or more products or services for a single, nonitemized price, the prepaid wireless emergency telephone service charge set forth in subdivision (1) of this subsection shall apply to the entire nonitemized price unless the seller elects to apply such service charge in the following way:

(a) If the amount of the prepaid wireless telecommunications service is disclosed to the consumer as a dollar amount, three percent of such dollar amount; or

(b) If the seller can identify the portion of the price that is attributable to the prepaid wireless telecommunications service by reasonable and verifiable standards from the seller's books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes, three percent of such portion;

The first fifteen dollars of each transaction under this subdivision shall not be subject to the service charge.

(3) The prepaid wireless emergency telephone service charge shall be collected by the seller from the consumer with respect to each retail transaction occurring in this state. The amount of the prepaid wireless emergency telephone service charge shall be either separately stated on an invoice, receipt, or other similar document that is provided to the consumer by the seller or otherwise disclosed to the consumer.

(4) For purposes of this subsection, a retail transaction that is effected in person by a consumer at a business location of the seller shall be treated as occurring in this state if that business location is in this state, and any other retail transaction shall be treated as occurring in this state if the retail transaction is treated as occurring under chapter 144.

(5) The prepaid wireless emergency telephone service charge is the liability of the consumer and not of the seller or of any provider; except that, the seller shall be liable to remit all charges that the seller collects or is deemed to collect.

(6) The amount of the prepaid wireless emergency telephone service charge that is collected by a seller from a consumer, if such amount is separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller, shall not be included in the base for measuring any tax, fee, surcharge, or other charge that is imposed by this state, any political subdivision of this state, or any intergovernmental agency.

3. (1) Prepaid wireless emergency telephone service charges collected by sellers shall be remitted to the department at the times and in the manner provided by state law with respect to sales and use taxes. The department shall establish registration and payment procedures that substantially coincide with the registration and payment procedures that apply under state law. On or after the effective date of the service charge imposed under the provisions of this section, the director of the department of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the service charge, and the director shall collect, in addition to the sales tax for the state of Missouri, all additional service charges imposed in this section. All service charges imposed under this section together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director. (2) Beginning on January 1, 2019, and ending on January 31, 2019, when a consumer purchases prepaid wireless telecommunications service in a retail transaction from a seller under this section, the seller shall be allowed to retain one hundred percent of the prepaid wireless emergency telephone service charges that are collected by the seller from the consumer. Beginning on February 1, 2019, a seller shall be permitted to deduct and retain three percent of prepaid wireless emergency telephone service charges that are collected by the seller from consumers.

(3) The department shall establish procedures by which a seller of prepaid wireless telecommunications service may document that a sale is not a retail transaction, which procedures shall substantially coincide with the procedures for documenting sale for resale transactions for sales and use purposes under state law.

(4) The department shall deposit all remitted prepaid wireless emergency telephone service charges into the general revenue fund for the department's use until eight hundred thousand one hundred fifty dollars is collected to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges. From then onward, the department shall deposit all remitted prepaid wireless emergency telephone service charges into the Missouri 911 service trust fund created under section 190.420 within thirty days of receipt for use by the board. After the initial eight hundred thousand one hundred fifty dollars is collected, the department may deduct an amount not to exceed one percent of collected charges to be retained by the department to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges.

(5) The board shall set a rate between twenty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties without a charter form of government, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to such counties in direct proportion to the amount of charges collected in each county. The board shall set a rate between sixty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties with a charter form of government and any city not within a county, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to each such county or city not within a county in direct proportion to the amount of charges collected in each such county or city not within a county. If a county has an elected emergency services board, the Missouri 911 service board shall remit the funds to the elected emergency services board, except for an emergency services board originally organized under section 190.325 operating within a county with a charter form of government and with more than two hundred thousand but fewer than three hundred fifty thousand inhabitants, in which case the funds shall be remitted to the county's general fund for the purpose of public safety infrastructure. The initial percentage rate set by the board for counties with and without a charter form of government and any city not within a county shall be set by June thirtieth of each applicable year and may be adjusted annually for the first three years, and thereafter the rate may be adjusted every three years; however, at no point shall the board set rates that fall below twenty-five percent for counties without a charter form of government and sixty-five percent for counties with a charter form of government and any city not within a county.

(6) Any amounts received by a county or city under subdivision (5) of this subsection shall be used only for purposes authorized in sections 190.305, 190.325, and 190.335. Any amounts received by any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants under this section may be used for emergency service notification systems.

4. (1) A seller that is not a provider shall be entitled to the immunity and liability protections under section 190.455, notwithstanding any requirement in state law regarding compliance with Federal Communications Commission Order 05-116.

(2) A provider shall be entitled to the immunity and liability protections under section 190.455.

(3) In addition to the protection from liability provided in subdivisions (1) and (2) of this subsection, each provider and seller and its officers, employees, assigns, agents, vendors, or anyone acting on behalf of such persons shall be entitled to the further protection from liability, if any, that is provided to providers and sellers of wireless telecommunications service that is not prepaid wireless telecommunications service under section 190.455.

5. The prepaid wireless emergency telephone service charge imposed by this section shall be in addition to any other tax, fee, surcharge, or other charge imposed by this state, any political subdivision of this state, or any intergovernmental agency for 911 funding purposes.

6. The provisions of this section shall become effective unless the governing body of a county or city adopts an ordinance, order, rule, resolution, or regulation by at least a two-thirds vote prohibiting the charge established under this section from becoming effective in the county or city at least forty-five days prior to the effective date of this section. If the governing body does adopt such ordinance, order, rule, resolution, or regulation by at least a two-thirds vote, the charge shall not be collected and the county or city shall not be allowed to obtain funds from the Missouri 911 service trust fund that are remitted to the fund under the charge established under this section. The Missouri 911 service board shall, by September 1, 2018, notify all counties and cities of the implementation of the charge established under this section, and the procedures set forth under this subsection for prohibiting the charge from becoming effective.

7. Any county or city which prohibited the prepaid wireless emergency telephone service charge pursuant to the provisions of subsection 6 of this section may take a vote of the governing body, and notify the department of revenue of the result of such vote**[**~~, by November 15, 2019,~~**]** to impose such charge **[**~~effective January 1, 2020~~**]**. A vote of at least two-thirds of the governing body is required in order to impose such charge. The department shall notify the board of notices received by **[**~~December 1, 2019~~**] within sixty days of receiving such notice**.

Notwithstanding any other provision of this section, a duly ordained minister, clergy, religious worker, or Christian Science practitioner while functioning in his or her ministerial capacity shall not be required to report concerning a privileged communication made to him or her in his or her professional capacity.

2. Any other person who becomes aware of circumstances that may reasonably be expected to be the result of, or result in, abuse or neglect of an eligible adult may report to the department.

(2) The increased capitation payments made under this section shall be in amounts at least actuarially equivalent to the supplemental fee-for-service payments and up to equivalent of commercial reimbursement rates available for eligible providers to the extent permissible under federal law.

(3) Except as provided in subsection 6 of this section, all funds associated with intergovernmental transfers made and accepted under this section shall be used to fund additional payments to eligible providers.

(4) MO HealthNet managed care plans and coordinated care organizations shall pay one hundred percent of any amount of increased capitation payments made under this section to eligible providers for providing and making available ground emergency medical transportation and prestabilization services pursuant to a contract or other arrangement with a MO HealthNet managed care plan or coordinated care organization.

4. "Further amend said bill, Page 28, Section 579.022, Line 10, by inserting after all of said section and line the following:

"590.502. 1. For purposes of this section, the following shall mean:

(1) "Administering authority", any individual or body authorized by a law enforcement agency to hear and make final decisions regarding appeals of disciplinary actions issued by such agency;

(2) "Color of law", any act by a law enforcement officer, whether on duty or off duty, that is performed in furtherance of his or her sworn duty to enforce laws and to protect and serve the public;

(3) "Economic loss", any economic loss including, but not limited to, loss of overtime accrual, overtime income, sick time accrual, sick time, secondary employment income, holiday pay, and vacation pay;

(4) "Good cause", sufficient evidence or facts that would support a party's request for extensions of time or any other requests seeking accommodations outside the scope of the rules set out herein;

(5) "Law enforcement officer", any commissioned peace officer with the power to arrest for a violation of the criminal code who is employed by any unit of the state or any county, charter county, city, charter city, municipality, district, college, university, or any other political subdivision or is employed by the board of police commissioners as defined in chapter 84. Law enforcement officer shall not include any officer who is the highest ranking officer in the law enforcement agency.

2. Whenever a law enforcement officer is under administrative investigation or is subjected to administrative questioning that the officer reasonably believes could lead to disciplinary action, demotion, dismissal, transfer, or placement on a status that could lead to economic loss, the investigation or questioning shall be conducted under the following conditions:

(1) The law enforcement officer who is the subject of the investigation shall be informed, in writing, of the existence and nature of the alleged violation and the individuals who will be conducting the investigation. Notice shall be provided to the officer along with a copy of the complaint at least twenty-four hours prior to any interrogation or interview of the officer;

(2) Any person, including members of the same agency or department as the officer under investigation, filing a complaint against a law enforcement officer shall have the complaint supported by a written statement outlining the complaint that includes the personal identifying information of the person filing the complaint. All personal identifying information shall be held confidential by the investigating agency;

(3) When a law enforcement officer is questioned or interviewed regarding matters pertaining to his or her law enforcement duties or actions taken within the scope of his or her employment, such questioning shall be conducted for a reasonable length of time and only while the officer is on duty unless reasonable circumstances exist that necessitate questioning the officer while he or she is off duty;

(4) Any interviews or questioning shall be conducted at a secure location at the agency that is conducting the investigation or at the place where the officer reports to work, unless the officer consents to another location;

(5) Law enforcement officers shall be questioned by up to two investigators and shall be informed of the name, rank, and command of the investigator or investigators conducting the investigation; except that, separate investigators shall be assigned to investigate alleged department policy violations and alleged criminal violations;

(6) Interview sessions shall be for a reasonable period of time. There shall be times provided for the officer to allow for such personal necessities and rest periods as are reasonably necessary;

(7) Prior to an interview session, the investigator or investigators conducting the investigation shall advise the law enforcement officer of the rule set out in Garrity v. New Jersey, 385 U.S. 493 (1967), specifically that the law enforcement officer is being ordered to answer questions under threat of disciplinary action and that the officer's answers to the questions will not be used against the officer in criminal proceedings;

(8) Law enforcement officers shall not be threatened, harassed, or promised rewards to induce them into answering any question; except that, law enforcement officers may be compelled by their employer to give protected Garrity statements to an investigator under the direct control of the employer, but such compelled statements shall not be used or derivatively used against the officer in any aspect of a criminal case brought against the officer;

(9) Law enforcement officers under investigation are entitled to have an attorney or any duly authorized representative present during any questioning that the law enforcement officer reasonably believes may result in disciplinary action. The attorney or representative shall be permitted to confer with the officer but shall not unduly disrupt or interfere with the interview. The questioning shall be suspended for a period of up to twenty-four hours if the officer requests representation;

(10) Prior to the law enforcement officer being interviewed, the officer and his or her attorney or representative shall have the opportunity to review the complaint;

(11) The law enforcement agency conducting the investigation shall have ninety days from receipt of a citizen complaint to complete such investigation. The agency shall determine the disposition of the complaint and render a disciplinary decision, if any, within ninety days. The agency may, for good cause, petition the administering authority overseeing the administration of discipline for an extension of time to complete the

investigation. If the administering authority finds the agency has shown good cause for the granting of an extension of time to complete the investigation, the administering authority shall grant an extension of up to sixty days. The agency is limited to two extensions per investigation; except that, if there is an ongoing criminal investigation there shall be no limitation on the amount of sixty-day extensions. For good cause shown, the internal investigation may be tolled until the conclusion of a concurrent criminal investigation arising out of the same alleged conduct. Absent consent from the officer being investigated, the administering authority overseeing the administration of discipline shall set the matter for hearing and shall provide notice of the hearing to the law enforcement officer under investigation. The officer shall have the right to attend the hearing and to present evidence and arguments against extension;

(12) Within five days of the conclusion of the administrative investigation, the investigator shall inform the officer, in writing, of the investigative findings and any recommendation for further action, including discipline;

(13) A complete record of the administrative investigation shall be kept by the law enforcement agency conducting such investigation. Upon completion of the investigation, a copy of the entire record, including, but not limited to, audio, video, and transcribed statements, shall be provided to the officer or the officer's representative within five business days of the officer's written request. The agency may request a protective order to redact all personal identifying witness information; and

(14) All records compiled as a result of any investigation subject to the provisions of this section shall be held confidential and shall not be subject to disclosure under chapter 610, except by lawful subpoena or court order, by release approved by the officer, or as provided in section 590.070.

3. Law enforcement officers who are suspended without pay, demoted, terminated, transferred, or placed on a status resulting in economic loss shall be entitled to a full due process hearing. However, nothing in this section shall prohibit a law enforcement agency and the authorized bargaining representative for a law enforcement officer employed by that agency from reaching written agreements providing disciplinary procedures more favorable than those provided for this section. The components of the hearing shall include, at a minimum:

(1) The right to be represented by an attorney or other individual of their choice during the hearing;

(2) Seven days' notice of the hearing date and time;

(3) An opportunity to access and review documents, at least seven days in advance of the hearing, that are in the employer's possession and that were used as a basis for the disciplinary action;

(4) The right to refuse to testify at the hearing if the officer is concurrently facing criminal charges in connection with the same incident. A law enforcement officer's decision not to testify shall not result in additional internal charges or discipline;

(5) A complete record of the hearing shall be kept by the agency for purposes of appeal. The record shall be provided to the officer or his or her attorney upon written request;

(6) The entire record of the hearing shall remain confidential and shall not be subject to disclosure under chapter 610, except by lawful subpoena or court order.

4. Any decision, order, or action taken following the hearing shall be in writing and shall be accompanied by findings of fact. The findings shall consist of a concise statement upon each issue in the case. A copy of the decision or order accompanying findings and conclusions along with the written action and right of appeal, if any, shall be delivered or mailed promptly to the law enforcement officer or to the officer's attorney or representative of record.

5. Law enforcement officers shall have the opportunity to provide a written response to any adverse materials placed in their personnel file, and such written response shall be permanently attached to the adverse material.

6. Law enforcement officers shall have the right to compensation for any economic loss incurred during an investigation if the officer is found to have committed no misconduct.

7. Employers shall defend and indemnify law enforcement officers from and against civil claims made against them in their official and individual capacities if the alleged conduct arose in the course and scope of their obligations and duties as law enforcement officers. This includes any actions taken off duty if such actions were taken under color of law. In the event the law enforcement officer is convicted of, or pleads guilty to, criminal charges arising out of the same conduct, the employer shall no longer be obligated to defend and indemnify the officer in connection with related civil claims.

8. Law enforcement officers shall not be disciplined, demoted, dismissed, transferred, or placed on a status resulting in economic loss as a result of the assertion of their constitutional rights in any judicial proceeding, unless the officer admits to wrongdoing, in which case the provisions of this section shall not apply.

9. Any aggrieved law enforcement officer or authorized representative may seek judicial enforcement of the requirements of this section. Suits to enforce this section shall be brought in the circuit court for the county in which the law enforcement agency or governmental body has its principal place of business.

10. Upon a finding by a preponderance of the evidence that a law enforcement agency, governmental body, or member of same has violated any provision of this section, a court shall void any action taken in violation of this section. The court may also award the law enforcement officer the costs of bringing the suit including, but not limited to, attorneys' fees. A lawsuit for enforcement shall be brought within one year from which the violation is ascertainable.

11. Nothing in this section shall apply to any investigation or other action by the director regarding a license issued by the director under this chapter.

12. A law enforcement agency that has substantially similar or greater procedures shall be deemed in compliance with this section.

13. Nothing in this section shall apply to the work of any civilian review board organized under section 590.653 or organized by local ordinance."; and"; and

(b) Petitioning for a hearing before a circuit division or associate division of the court in the county in which the work zone accident occurred. The individual may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state, and the director shall maintain possession of the person's license to operate a motor vehicle until the termination of any suspension under this subsection. The clerk of the court shall notify the prosecuting attorney of the county, and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing, the court shall determine only:

a. Whether the person was involved in a **[**~~physical accident~~**] traffic crash** where his or her vehicle struck a highway worker within a designated construction or work zone;

b. Whether the department of transportation guidelines involving notice and signage were properly implemented in such work zone; and

c. Whether the investigating officer had probable cause to believe the person's negligent acts or omissions contributed to his or her vehicle striking a highway worker.

If the court determines subparagraph a., b., or c. of this paragraph not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

(3) The department of revenue administrative adjudication to reinstate a driver's license that was revoked under this subsection, and any evidence provided to the department related to such adjudication, shall not be produced by subpoena or any other means and made available as evidence in any other administrative action, civil case, or criminal prosecution. The court's determinations issued under this section, and the evidence provided to the court relating to such determinations, shall not be produced by subpoena or any other means and made available in any other administrative action, civil case, or criminal prosecution. Nothing in this subdivision shall be construed to prevent the department from providing information to the system authorized under 49 U.S.C. Section 31309, or any successor federal law, pertaining to the licensing, identification, and disqualification of operators of commercial motor vehicles."; and

Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other city funds.

5. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

6. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between eighteen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. 5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;

(6) The sophistication and maturity of the child as determined by consideration of his or her home and environmental situation, emotional condition and pattern of living;

(2) Findings showing that the child was represented by counsel;

(3) Findings showing that the hearing was held in the presence of the child and his or her counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition **or motion to modify** and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition **or motion to modify** has been dismissed thereby permitting a child to be prosecuted under the general law and the prosecution of the child results in a conviction, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition **or motion to modify** has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition **or motion to modify** to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

"**557.520. 1. For purposes of this section, the following terms shall mean:**

(1) "Failed start", any attempt to start the vehicle with a breath alcohol concentration exceeding twenty-five thousandths of one percent by weight of alcohol in such person's breath, unless a subsequent

(2) "Running retest", failure to take a breath test performed by the driver upon a certified ignition interlock device at random intervals after the initial engine startup breath test and while the vehicle's motor is running or failure to take a breath retest with a breath alcohol concentration not exceeding twenty-five thousandths of one percent by weight of alcohol in such person's breath;

(3) "Vehicle", any mechanical device on wheels, designed primarily for use, or used, on highways.

2. In any criminal case involving an intoxicated-related traffic offense, the prosecuting or circuit attorney may divert the criminal case, with the consent of the defendant, to a driving while intoxicated (DWI) diversion program by filing a motion with the court requesting the court to stay the criminal proceeding, if the defendant meets the following criteria for eligibility into the driving while intoxicated diversion program:

(1) The defendant has not previously pled guilty to or been convicted of an intoxicated-related traffic offense in violation of section 577.010, 577.012, 577.013, 577.014, 577.015, or 577.016;

(2) The defendant is not currently enrolled in, and has not in the previous ten years completed, a diversion program pursuant to this section;

(3) The defendant does not hold a commercial driver's license;

(4) The offense did not occur while operating a commercial vehicle; and

(5) The offense did not result in the injury or death of another person.

3. Upon a motion filed by a prosecuting or circuit attorney, the court may continue a diverted case involving an intoxicated-related traffic offense for a period not to exceed twenty-four months and order the defendant to comply with terms, conditions, or requirements that the prosecuting or circuit attorney deems appropriate based on the specific situation of the defendant.

4. The DWI diversion plan shall be for a specified period and be in writing. The prosecuting or circuit attorney has the sole authority to develop diversionary program requirements, but shall require installation of an ignition interlock device for a period of not less than one year, require the defendant to participate in a victim impact panel sponsored by a nonprofit organization, and other terms deemed necessary by the court.

5. If the court continues the criminal case to divert the defendant to a DWI diversion program, the department of revenue shall continue any proceeding to suspend or revoke a license pursuant to chapter 302 for a period not to exceed twenty-four months. After the defendant successfully completes the requirements of the DWI diversion program, the department shall dismiss any proceeding against the defendant.

6. The court shall notify the defendant that he or she is required to install a functioning, certified ignition interlock device on any vehicle that the person operates and the person is prohibited from operating a motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device pursuant to this section. These requirements shall be in addition to any other provisions of this chapter or chapter 302 requiring installation and maintenance of an ignition interlock device. Any person required to use an ignition interlock device shall comply with such requirement subject to the penalties provided by section 577.599.

7. The department of revenue shall inform the defendant of the requirements of this section, including the term for which the person is required to have a certified ignition interlock device installed and shall notify the person that installation of a functioning, certified ignition interlock device on a vehicle does not allow the person to drive without a valid driver's license. The department shall record the mandatory use of the device for the term required and the time when the device is required to be installed pursuant to the court order. A person who is notified by the department shall do all of the following:

(1) Arrange for each vehicle operated by the person to be equipped with a functioning, certified ignition interlock device by a certified ignition interlock device provider as determined by the department of transportation; and

8. The certified ignition interlock device provider shall notify the department:

(1) If the device is removed or indicates that the person has attempted to remove, bypass by a running retest, or tamper with the device;

(2) If the person fails three or more times to comply with any requirement for the maintenance or calibration of the ignition interlock device; or

(3) If the device registers a failed start.

If a person has any failed start that occurs within the last ninety days of the required period of installation of the ignition interlock device, the term shall be extended for a period of ninety days.

9. After the completion of the DWI diversion program and if the defendant has complied with all the imposed terms and conditions, the court shall dismiss the criminal case against the defendant, record the dismissal, and transmit the record to the central repository upon dismissal. Any court automation system, including any pilot project, that provides public access to electronic record on the internet shall redact any personal identifying information of the defendant, including name, address, and year of birth. Such information shall be provided in a confidential filing sheet contemporaneously filed with the court or entered by the court, which shall not be subject to public inspection or availability.

10. In the event of noncompliance by the defendant with the terms and conditions of the DWI diversion program, the prosecuting or circuit attorney may file a motion to terminate the defendant from the diversion program and may recommend the prosecution of the underlying case. Upon the filing of such motion, after notice to the defendant, the court shall hold a hearing to determine by preponderance of the evidence whether the defendant has failed to comply with the terms and conditions of the diversion program. If the court finds that the defendant has not complied with the terms and conditions of the diversion program, the court may end the diversion program and set the case on the next available criminal docket.

11. Any defendant who is found guilty of any intoxicated-related traffic offense and who has previously utilized the DWI diversion program pursuant to this section shall be considered a prior offender as defined in section 577.001, provided that the prior offense occurred within five years of the intoxicated-related offense for which the person is charged, as provided in subsection 20 of section 577.001.

12. For the limited purpose of determining whether a defendant is a chronic, habitual, persistent, or prior offender under section 577.001, a criminal case diverted to a DWI diversion program shall be counted as one intoxication-related traffic offense."; and

Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated under the authority of this chapter, shall become effective only if the agency has fully complied with all of the requirements of chapter 536 including but not limited to, section 536.028, if applicable, after August 28, 1998. All rulemaking authority delegated prior to August 28, 1998, is of no force and effect and repealed as of August 28, 1998, however nothing in section 571.030 or this section shall be interpreted to repeal or affect the validity of any rule adopted and promulgated prior to August 28, 1998. If the provisions of section 536.028 apply, the provisions of this section are nonseverable and if any of the powers vested with the general assembly pursuant to section 536.028 to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule are held unconstitutional or invalid, the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void, except that nothing in section 571.030 or this section shall affect the validity of any rule adopted and promulgated prior to August 28, 1998.

217.720. 1. At any time during release on parole or conditional release the division of probation and parole may issue a warrant for the arrest of a released offender for violation of any of the conditions of parole or conditional release. The warrant shall authorize any law enforcement officer to return the offender to the actual custody of the correctional center from which the offender was released, or to any other suitable facility designated by the division. If any parole or probation officer has probable cause to believe that such offender has violated a condition of parole or conditional release, the probation or parole officer may issue a warrant for the arrest of the offender. The probation or parole officer may effect the arrest or may deputize any officer with the power of arrest to do so by giving the officer a copy of the warrant which shall outline the circumstances of the alleged violation and contain the statement that the offender has, in the judgment of the probation or parole officer, violated conditions of parole or conditional release. The warrant delivered with the offender by the arresting officer to the official in charge of any facility designated by the division to which the offender is brought shall be sufficient legal authority for detaining the offender. After the arrest the parole or probation officer shall present to the detaining authorities a similar statement of the circumstances of violation. Pending hearing as hereinafter provided, upon any charge of violation, the offender shall remain in custody or incarcerated without consideration of bail.

2. If the offender is arrested under the authority granted in subsection 1 of this section, the offender shall have the right to a preliminary hearing on the violation charged unless the offender waives such hearing. Upon such arrest and detention, the parole or probation officer shall immediately notify the board and shall submit in writing a report showing in what manner the offender has violated the conditions of his parole or conditional release. The board shall order the offender discharged from such facility, require as a condition of parole or conditional release the placement of the offender in a treatment center operated by the department of corrections, or shall cause the offender to be brought before it for a hearing on the violation charged, under such rules and regulations as the board may adopt. If the violation is established and found, the board may continue or revoke the parole or conditional release, or enter such other order as it may see fit. If no violation is established and found, then the parole or conditional release shall continue. If at any time during release on parole or conditional release the offender is arrested for a crime which later leads to conviction, and sentence is then served outside the Missouri department of corrections, the board shall determine what part, if any, of the time from the date of arrest until completion of the sentence imposed is counted as time served under the sentence from which the offender was paroled or conditionally released.

3. An offender for whose return a warrant has been issued by the division shall, if it is found that the warrant cannot be served, be deemed to be a fugitive from justice or to have fled from justice. If it shall appear that the offender has violated the provisions and conditions of his parole or conditional release, the board shall determine whether the time from the issuing date of the warrant to the date of his arrest on the warrant, or continuance on

parole or conditional release shall be counted as time served under the sentence. In all other cases, time served on parole or conditional release shall be counted as time served under the sentence.

4. At any time during parole or probation, the division may issue a warrant for the arrest of any person from another jurisdiction**[**~~, the visitation and supervision of whom the division has undertaken pursuant to the provisions of the interstate compact for the supervision of parolees and probationers authorized in section 217.810,~~**]** for violation of any of the conditions of release**[**~~,~~**]** or a notice to appear to answer a charge of violation. The notice shall be served personally upon the person. The warrant shall authorize any law enforcement officer to return the offender to any suitable detention facility designated by the division. Any parole or probation officer may arrest such person without a warrant, or may deputize any other officer with power of arrest to do so by issuing a written statement setting forth that the defendant has, in the judgment of the parole or probation officer, violated the conditions of his release. The written statement delivered with the person by the arresting officer to the official in charge of the detention facility to which the person is brought shall be sufficient legal authority for detaining him. After making an arrest the parole or probation officer shall present to the detaining authorities a similar statement of the circumstances of violation."; and

Further amend said bill, Page 6, Section 544.453, Line 13, by inserting after all of said section and line the following:

"548.241. 1. All necessary and proper expenses accruing under section 548.221, upon being ascertained to the satisfaction of the governor, shall be allowed on his certificate and paid out of the state treasury as other demands against the state.

2. All necessary and proper expenses accruing as a result of a person being returned to this state pursuant to the provisions of section 548.243 **[**~~or 217.810~~**]** shall be allowed and paid out of the state treasury as if the person were being returned to this state pursuant to section 548.221.

3. Any necessary and proper expenses accruing as a result of a person being returned to this state under the provisions of chapter 589 may be paid either out of the Missouri interstate compact fund established in chapter 589 or out of the state treasury."; and

Further amend said bill, Page 28, Section 579.022, Line 10, by inserting after all of said section and line the following:

"**589.564. 1. Upon a petition from the state, a circuit court is authorized to add any condition to a term of probation for an offender supervised in this state for a term of probation ordered by another state, including shock incarceration; however, the court shall not reduce, extend, or revoke such a term of probation. The circuit court for the jurisdiction in which a probationer is under supervision shall serve as the authorizing court for the purposes of this section. The prosecuting attorney or circuit attorney for the jurisdiction in which a probationer is under supervision shall serve as the authorized person to petition the court to add a condition of probation. Notwithstanding any provision of section 549.500 or 559.125, the division of probation and parole may submit violation reports to the prosecuting attorney or circuit attorney with authority to petition the court to add a condition to a term of probation under this section.**

2. If supervision of a parolee in Missouri is administered pursuant to this compact, the division of probation and parole shall have the authority to impose a sanction or additional conditions in response to written violations of supervision; however, the division of probation and parole shall not reduce, extend, or revoke such a term of parole.

589.565. A Missouri probationer or parolee seeking transfer of their supervision through this compact shall pay a fee in the amount of one hundred seventy-five dollars for each transfer application submitted. The transfer application fee shall be paid to the compact commissioner upon submission of the transfer application. The commissioner or commissioner's designee may waive the application fee if either the commissioner or the commissioner's designee finds that payment of the fee would constitute an undue economic burden on the offender. All fees collected pursuant to this section shall be paid and deposited to the credit of the "Missouri Interstate Compact Fund", which is hereby established in the state treasury. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used for the sole benefit of the department of corrections in support of administration of this section; expenses related to assessment, retaking, staff development, and training; and implementation of evidence-based practices in support of offenders under supervision. Notwithstanding the provisions of

section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund."; and

Further amend said bill, Page 30, Section 590.1075, Line 11, by inserting after all of said section and line the following:

"**[**~~217.810. 1. The governor is hereby authorized and directed to enter into the interstate compact for the supervision of parolees and probationers on behalf of the state of Missouri with the commonwealth of Puerto Rico, the Virgin Islands, the District of Columbia and any and all other states of the United States legally joining therein and pursuant to the provisions of an act of the Congress of the United States of America granting the consent of Congress to the commonwealth of Puerto Rico, the Virgin Islands, the District of Columbia and any two or more states to enter into agreements or compacts for cooperative effort and mutual assistance in the prevention of crime and for other purposes, which compact shall have as its objective the permitting of persons placed on probation or released on parole to reside in any other state signatory to the compact assuming the duties of visitation and supervision over such probationers and parolees; permitting the extradition and transportation without interference of prisoners, being retaken, through any and all states signatory to the compact under such terms, conditions, rules and regulations, and for such duration as in the opinion of the governor of this state shall be necessary and proper and in a form substantially as contained in subsection 2 of this section. The chairman of the board shall administer the compact for the state.~~

~~2. INTERSTATE COMPACT FOR THE SUPERVISION OF PAROLEES AND PROBATIONERS~~

~~This compact shall be entered into by and among the contracting states, signatories hereto, with the consent of the Congress of the United States of America, granted by an act entitled "An act granting the consent of Congress to any two or more states to enter into agreements or compacts for cooperative effort and mutual assistance in the prevention of crime and for other purposes."~~

~~The contracting states solemnly agree:~~

~~(1) That it shall be competent for the duly constituted judicial and administrative authorities of a state party to this compact (herein called "sending state") to permit any person convicted of an offense within such state and placed on probation or released on parole to reside in any other state party to this compact (herein called "receiving state"), while on probation or parole, if~~

~~(a) Such a person is in fact a resident of or has his family residing within the receiving state and can obtain employment there;~~

~~(b) Though not a resident of the receiving state and not having his family residing there, the receiving state consents to such person being sent there.~~

~~Before granting such permission, opportunity shall be granted to the receiving state to investigate the home and prospective employment of such person.~~

~~A resident of the receiving state, within the meaning of this section, is one who has been an actual inhabitant of such state continuously for more than one year prior to his coming to the sending state and has not resided within the sending state more than six continuous months immediately preceding the commission of the offense for which he has been convicted.~~

~~(2) The receiving state shall assume the duties of visitation and supervision over probationers or parolees of any sending state transferred under the compact and will apply the same standards of supervision that prevail for its own probationers and parolees.~~

~~(3) That duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any person on probation or parole. For that purpose no formalities will be required other than establishing the authority of the officer and the identity of the person to be retaken. All legal requirements to obtain extradition of fugitives from justice are hereby expressly waived on the part of states party hereto, as to such persons. The decision of the sending state to retake a person on probation or parole shall be conclusive upon and not~~

~~reviewable within the receiving state. Provided, however, that if at the time when a state seeks to retake a probationer or parolee there should be pending against him within the receiving state any criminal charge, or he should be suspected of having committed within such state a criminal offense, he shall not be retaken without the consent of the receiving state until discharged from prosecution or from imprisonment for such offense.~~

~~(4) That the duly accredited officers of the sending state will be permitted to transport prisoners being retaken through any and all states parties to this compact, without interference.~~

~~(5) Each state may designate an officer who, acting jointly with like officers of other contracting states shall promulgate such rules and regulations as may be deemed necessary to more effectively carry out the terms of this compact.~~

~~(6) That this compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form of execution to be in accordance with the laws of the executing state.~~

~~(7) That this compact shall continue in force and remain binding upon each executing state until renounced by it. The duties and obligations hereunder of a renouncing state shall continue as to parolees or probationers residing therein at the time of withdrawal until retaken or finally discharged by the sending state. Renunciation of this compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the compact to the other states party hereto.~~

~~3. If any section, sentence, subdivision or clause within subsection 2 of this section is for any reason held invalid or to be unconstitutional, such decision shall not affect the validity of the remaining provisions of that subsection or this section.~~

~~4. All necessary and proper expenses accruing as a result of a person being returned to this state by order of a court or the parole board shall be paid by the state as provided in section 548.241 or 548.243.~~**]**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Wright, **House Amendment No. 24** was adopted.

Representative Bosley offered **House Amendment No. 25**.

House Amendment No. 25

AMEND House Committee Substitute for Senate Bill No. 186, Page 6, Section 301.3175, Line 32, by inserting after said section and line the following:

"506.400. 1. As used in this section, "claimant" means a person convicted and subsequently imprisoned for one or more offenses that such person did not commit.

2. (1) The claimant shall establish the following by a preponderance of evidence:

(a) The claimant was convicted of a felony offense and subsequently imprisoned;

(b) The claimant's judgment of conviction was reversed or vacated and either the charges were dismissed or on retrial the claimant was found to be not guilty;

(c) The claimant did not commit the offense or offenses for which the claimant was convicted and was not an accessory or accomplice to the acts that were the basis of the conviction and resulted in a reversal or vacation of the judgment of conviction, dismissal of the charges, or finding of not guilty on retrial; and

(d) The claimant did not commit or suborn perjury, fabricate evidence, or by the claimant's own conduct cause or bring about the conviction. Neither a confession or admission later found to be false nor a guilty plea shall constitute committing or suborning perjury, fabricating evidence, or causing or bringing about the conviction under this subsection.

(2) The court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted under this section, may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by such persons or those acting on their behalf.

3. If the court finds that the claimant is wrongfully convicted, it shall enter a certificate of innocence finding that the claimant was innocent of all offenses for which the claimant was mistakenly convicted. The clerk of the court shall send a certified copy of the certificate of innocence and the judgment entry to the attorney general for payment under section 105.711.

4. Upon entry of a certificate of innocence, the claimant shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records or recordations of his or her arrest, plea, trial, or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea, or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever, and no such inquiry shall be made for information relating to an expungement under this subsection.

5. Upon entry of a certificate of innocence, the court shall order the expungement and destruction of the associated biological samples authorized by and given to the Missouri state highway patrol. The order shall state the information required to be stated in a petition to expunge and destroy the samples and profile record and shall direct the Missouri state highway patrol to expunge and destroy such samples and profile record. The clerk of the court shall send a certified copy of the order to the Missouri state highway patrol, which shall carry out the order and provide confirmation of such action to the court. Nothing in this subsection shall require the Missouri state highway patrol to expunge and destroy any sample or profile record associated with the claimant that must be retained by state statute.

6. The decision to grant or deny a certificate of innocence shall not have a res judicata effect on any other proceedings."; and

Further amend said bill, Page 30, Section 590.1075, Line 11, by inserting after said section and line the following:

"**Section 1. 1. For purposes of this section, the term "exoneree" means a person who was convicted of an offense and later officially declared innocent of that offense or relieved of all legal consequences of the conviction because evidence of innocence that was not presented at trial required reconsideration of the case.**

2. The department of corrections shall develop a policy and procedures outlining for exonerees how to obtain a birth certificate, Social Security card, and state identification prior to release from a correctional center. The policy shall be made available to all exonerees, regardless of the method by which an exoneree was exonerated. If an exoneree does not have access to his or her birth certificate, Social Security card, or state identification upon release, the department shall assist such exoneree in obtaining the documents prior to release.

3. The department shall be required to provide an exoneree, upon his or her release from a correctional facility, with the same services the department is required to provide an offender upon release from a correctional facility."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

SIXTY-SECOND DAY, THURSDAY, APRIL 27, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

"Let not mercy and truth forsake thee; bind them about thy neck; write them upon the table of thine heart." (Proverbs 3:3)

O God, almighty and eternal, supreme ruler, without Whom no nation can be great, no people can be good, make us mindful of Your presence, eager to do Your will, and willing to walk in Your way this morning.

May the light of Your spirit enlighten our spirits that we may see the truth clearly, follow it courageously, and live with it confidently knowing that it is the truth which makes and keeps us free without barriers or divisions.

Guide our Governor, our Lt. Governor, our Speaker, the Members of this House and all who labor with them to be ministers of hope, healing and harmony in our wide Missouri, put gladness into our hearts!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Saylor Beller and Barrett Beller.

It shall be unlawful for any person to operate a solid waste processing facility or solid waste disposal area of a solid waste management system without first obtaining an operating permit from the department. It shall be unlawful for any person to construct a solid waste processing facility or solid waste disposal area without first obtaining a construction permit from the department pursuant to this section. A current authorization to operate issued by the department pursuant to sections 260.200 to 260.345 shall be considered to be a permit to operate for purposes of this section for all solid waste disposal areas and processing facilities existing on August 28, 1995. A permit shall not be issued for a sanitary landfill to be located in a flood area, as determined by the department, where flood waters are likely to significantly erode final cover. A permit shall not be required to operate a waste stabilization lagoon, settling pond or other water treatment facility which has a valid permit from the Missouri clean water commission even though the facility may receive solid or semisolid waste materials.

2. No person or operator may apply for or obtain a permit to construct a solid waste disposal area unless the person has requested the department to conduct a preliminary site investigation and obtained preliminary approval from the department. The department shall, within sixty days of such request, conduct a preliminary investigation and approve or disapprove the site.

3. All proposed solid waste disposal areas for which a preliminary site investigation request pursuant to subsection 2 of this section is received by the department on or after August 28, 1999, shall be subject to a public involvement activity as part of the permit application process. The activity shall consist of the following:

(1) The applicant shall notify the public of the preliminary site investigation approval within thirty days after the receipt of such approval. Such public notification shall be by certified mail to the governing body of the county or city in which the proposed disposal area is to be located and by certified mail to the solid waste management district in which the proposed disposal area is to be located;

(2) Within ninety days after the preliminary site investigation approval, the department shall conduct a public awareness session in the county in which the proposed disposal area is to be located. The department shall provide public notice of such session by both printed and broadcast media at least thirty days prior to such session. Printed notification shall include publication in at least one newspaper having general circulation within the county in which the proposed disposal area is to be located. Broadcast notification shall include public service announcements on radio stations that have broadcast coverage within the county in which the proposed disposal area is to be located. The intent of such public awareness session shall be to provide general information to interested citizens on the design and operation of solid waste disposal areas;

(3) At least sixty days prior to the submission to the department of a report on the results of a detailed site investigation pursuant to subsection 4 of this section, the applicant shall conduct a community involvement session in the county in which the proposed disposal area is to be located. Department staff shall attend any such session. The applicant shall provide public notice of such session by both printed and broadcast media at least thirty days prior to such session. Printed notification shall include publication in at least one newspaper having general circulation within the county in which the proposed disposal area is to be located. Broadcast notification shall include public service announcements on radio stations that have broadcast coverage within the county in which the proposed disposal area is to be located. Such public notices shall include the addresses of the applicant and the department and information on a public comment period. Such public comment period shall begin on the day of the community involvement session and continue for at least thirty days after such session. The applicant shall respond to all persons submitting comments during the public comment period no more than thirty days after the receipt of such comments;

(e) The applicant submits to the department a record of such meeting;

(f) A public comment period begins on the day of such meeting and continues for at least fourteen days after such meeting, and the applicant responds to all persons submitting comments during such public comment period no more than fourteen days after the receipt of such comments.

4. No person may apply for or obtain a permit to construct a solid waste disposal area unless the person has submitted to the department a plan for conducting a detailed surface and subsurface geologic and hydrologic investigation and has obtained geologic and hydrologic site approval from the department. The department shall approve or disapprove the plan within thirty days of receipt. The applicant shall conduct the investigation pursuant to the plan and submit the results to the department. Within twelve consecutive months of the receipt of an application for a construction permit the department shall approve or deny the application. The department shall issue rules and regulations establishing time limits for permit modifications and renewal of a permit for a solid waste disposal area. The time limit shall be consistent with this chapter.

(4) The applicant for a permit to construct a solid waste processing facility shall provide the department with plans, specifications and such other data as may be necessary to comply with the purpose of sections 260.200 to 260.345. Within one hundred eighty days of receipt of the application, the department shall determine whether it complies with the provisions of sections 260.200 to 260.345. Within twelve consecutive months of the receipt of an application for a permit to construct an incinerator as described in the definition of solid waste processing facility in section 260.200 or a material recovery facility as described in the definition of solid waste processing facility in section 260.200, and within six months for permit modifications, the department shall approve or deny the application. Permits issued for solid waste facilities shall be for the anticipated life of the facility.

(5) If the department fails to approve or deny an application for a permit or a permit modification within the time limits specified in subdivisions (3) and (4) of this subsection, the applicant may maintain an action in the circuit court of Cole County or that of the county in which the facility is located or is to be sited. The court shall order the department to show cause why it has not acted on the permit and the court may, upon the presentation of evidence satisfactory to the court, order the department to issue or deny such permit or permit modification. Permits for solid waste disposal areas, whether issued by the department or ordered to be issued by a court, shall be for the anticipated life of the facility.

(6) The applicant for a permit to construct a solid waste processing facility shall pay an application fee of one thousand dollars. Upon completion of the department's evaluation of the application, but before receiving a permit, the applicant shall reimburse the department for all reasonable costs incurred by the department up to a

maximum of four thousand dollars. The applicant for a permit to construct a solid waste disposal area shall pay an application fee of two thousand dollars. Upon completion of the department's evaluations of the application, but before receiving a permit, the applicant shall reimburse the department for all reasonable costs incurred by the department up to a maximum of eight thousand dollars. Applicants who withdraw their application before the department completes its evaluation shall be required to reimburse the department for costs incurred in the evaluation. The department shall not collect the fees authorized in this subdivision unless it complies with the time limits established in this section.

(7) When the review reveals that the facility or area does conform with the provisions of sections 260.200 to 260.345 and the rules and regulations adopted pursuant to sections 260.200 to 260.345, the department shall approve the application and shall issue a permit for the construction of each solid waste processing facility or solid waste disposal area as set forth in the application and with any permit terms and conditions which the department deems appropriate. In the event that the facility or area fails to meet the rules and regulations adopted pursuant to sections 260.200 to 260.345, the department shall issue a report to the applicant stating the reason for denial of a permit.

6. Plans, designs, and relevant data for the construction of solid waste processing facilities and solid waste disposal areas shall be submitted to the department by a registered professional engineer licensed by the state of Missouri for approval prior to the construction, alteration or operation of such a facility or area.

7. Any person or operator as defined in section 260.200 who intends to obtain a construction permit in a solid waste management district with an approved solid waste management plan shall request a recommendation in support of the application from the executive board created in section 260.315. The executive board shall consider the impact of the proposal on, and the extent to which the proposal conforms to, the approved district solid waste management plan prepared pursuant to section 260.325. The executive board shall act upon the request for a recommendation within sixty days of receipt and shall submit a resolution to the department specifying its position and its recommendation regarding conformity of the application to the solid waste plan. The board's failure to submit a resolution constitutes recommendation of the application. The department may consider the application, regardless of the board's action thereon and may deny the construction permit if the application fails to meet the requirements of sections 260.200 to 260.345, or if the application is inconsistent with the district's solid waste management plan.

8. If the site proposed for a solid waste disposal area is not owned by the applicant, the owner or owners of the site shall acknowledge that an application pursuant to sections 260.200 to 260.345 is to be submitted by signature or signatures thereon. The department shall provide the owner with copies of all communication with the operator, including inspection reports and orders issued pursuant to section 260.230.

9. The department shall not issue a permit for the operation of a solid waste disposal area designed to serve a city with a population of greater than four hundred thousand located in more than one county, if the site is located within **[**~~one-half~~**]** **one** mile of an adjoining municipality, without the approval of the governing body of such municipality. The governing body shall conduct a public hearing within fifteen days of notice, shall publicize the hearing in at least one newspaper having general circulation in the municipality, and shall vote to approve or disapprove the land disposal facility within thirty days after the close of the hearing.

10. (1) Upon receipt of an application for a permit to construct a solid waste processing facility or disposal area, the department shall notify the public of such receipt:

(a) By legal notice published in a newspaper of general circulation in the area of the proposed disposal area or processing facility;

(b) By certified mail to the governing body of the county or city in which the proposed disposal area or processing facility is to be located; and

(c) By mail to the last known address of all record owners of contiguous real property or real property located within one thousand feet of the proposed disposal area and, for a proposed processing facility, notice as provided in section 64.875 or section 89.060, whichever is applicable.

(2) If an application for a construction permit meets all statutory and regulatory requirements for issuance, a public hearing on the draft permit shall be held by the department in the county in which the proposed solid waste disposal area is to be located prior to the issuance of the permit. The department shall provide public notice of such hearing by both printed and broadcast media at least thirty days prior to such hearing. Printed notification shall include publication in at least one newspaper having general circulation within the county in which the proposed disposal area is to be located. Broadcast notification shall include public service announcements on radio stations that have broadcast coverage within the county in which the proposed disposal area is to be located.

11. After the issuance of a construction permit for a solid waste disposal area, but prior to the beginning of disposal operations, the owner and the department shall execute an easement to allow the department, its agents or its contractors to enter the premises to complete work specified in the closure plan, or to monitor or maintain the site or to take remedial action during the postclosure period. After issuance of a construction permit for a solid waste disposal area, but prior to the beginning of disposal operations, the owner shall submit evidence that such owner has recorded, in the office of the recorder of deeds in the county where the disposal area is located, a notice and covenant running with the land that the property has been permitted as a solid waste disposal area and prohibits use of the land in any manner which interferes with the closure and, where appropriate, postclosure plans filed with the department.

12. Every person desiring to obtain a permit to operate a solid waste disposal area or processing facility shall submit applicable information and apply for an operating permit from the department. The department shall review the information and determine, within sixty days of receipt, whether it complies with the provisions of sections 260.200 to 260.345 and the rules and regulations adopted pursuant to sections 260.200 to 260.345. When the review reveals that the facility or area does conform with the provisions of sections 260.200 to 260.345 and the rules and regulations adopted pursuant to sections 260.200 to 260.345, the department shall issue a permit for the operation of each solid waste processing facility or solid waste disposal area and with any permit terms and conditions which the department deems appropriate. In the event that the facility or area fails to meet the rules and regulations adopted pursuant to sections 260.200 to 260.345, the department shall issue a report to the applicant stating the reason for denial of a permit.

13. Each solid waste disposal area, except utility waste landfills unless otherwise and to the extent required by the department, and those solid waste processing facilities designated by rule, shall be operated under the direction of a certified solid waste technician in accordance with sections 260.200 to 260.345 and the rules and regulations promulgated pursuant to sections 260.200 to 260.345.

14. Base data for the quality and quantity of groundwater in the solid waste disposal area shall be collected and submitted to the department prior to the operation of a new or expansion of an existing solid waste disposal area. Base data shall include a chemical analysis of groundwater drawn from the proposed solid waste disposal area.

15. Leachate collection and removal systems shall be incorporated into new or expanded sanitary landfills which are permitted after August 13, 1986. The department shall assess the need for a leachate collection system for all types of solid waste disposal areas, other than sanitary landfills, and the need for monitoring wells when it evaluates the application for all new or expanded solid waste disposal areas. The department may require an operator of a solid waste disposal area to install a leachate collection system before the beginning of disposal operations, at any time during disposal operations for unfilled portions of the area, or for any portion of the disposal area as a part of a remedial plan. The department may require the operator to install monitoring wells before the beginning of disposal operations or at any time during the operational life or postclosure care period if it concludes that conditions at the area warrant such monitoring. The operator of a demolition landfill or utility waste landfill shall not be required to install a leachate collection and removal system or monitoring wells unless otherwise and to the extent the department so requires based on hazardous waste characteristic criteria or site specific geohydrological characteristics or conditions.

16. Permits granted by the department, as provided in sections 260.200 to 260.345, shall be subject to suspension for a designated period of time, civil penalty or revocation whenever the department determines that the solid waste processing facility or solid waste disposal area is, or has been, operated in violation of sections 260.200 to 260.345 or the rules or regulations adopted pursuant to sections 260.200 to 260.345, or has been operated in violation of any permit terms and conditions, or is creating a public nuisance, health hazard, or environmental pollution. In the event a permit is suspended or revoked, the person named in the permit shall be fully informed as to the reasons for such action.

17. Each permit for operation of a facility or area shall be issued only to the person named in the application. Permits are transferable as a modification to the permit. An application to transfer ownership shall identify the proposed permittee. A disclosure statement for the proposed permittee listing violations contained in the definition of disclosure statement found in section 260.200 shall be submitted to the department. The operation and design plans for the facility or area shall be updated to provide compliance with the currently applicable law and rules. A financial assurance instrument in such an amount and form as prescribed by the department shall be provided for solid waste disposal areas by the proposed permittee prior to transfer of the permit. The financial assurance instrument of the original permittee shall not be released until the new permittee's financial assurance instrument has been approved by the department and the transfer of ownership is complete.

18. Those solid waste disposal areas permitted on January 1, 1996, shall, upon submission of a request for permit modification, be granted a solid waste management area operating permit if the request meets reasonable requirements set out by the department.

19. In case a permit required pursuant to this section is denied or revoked, the person may request a hearing in accordance with section 260.235.

20. Every applicant for a permit shall file a disclosure statement with the information required by and on a form developed by the department of natural resources at the same time the application for a permit is filed with the department.

21. Upon request of the director of the department of natural resources, the applicant for a permit, any person that could reasonably be expected to be involved in management activities of the solid waste disposal area or solid waste processing facility, or any person who has a controlling interest in any permittee shall be required to submit to a criminal background check under section 43.543.

22. All persons required to file a disclosure statement shall provide any assistance or information requested by the director or by the Missouri state highway patrol and shall cooperate in any inquiry or investigation conducted by the department and any inquiry, investigation or hearing conducted by the director. If, upon issuance of a formal request to answer any inquiry or produce information, evidence or testimony, any person required to file a disclosure statement refuses to comply, the application of an applicant or the permit of a permittee may be denied or revoked by the director.

23. If any of the information required to be included in the disclosure statement changes, or if any additional information should be added after the filing of the statement, the person required to file it shall provide that information to the director in writing, within thirty days after the change or addition. The failure to provide such information within thirty days may constitute the basis for the revocation of or denial of an application for any permit issued or applied for in accordance with this section, but only if, prior to any such denial or revocation, the director notifies the applicant or permittee of the director's intention to do so and gives the applicant or permittee fourteen days from the date of the notice to explain why the information was not provided within the required thirty-day period. The director shall consider this information when determining whether to revoke, deny or conditionally grant the permit.

24. No person shall be required to submit the disclosure statement required by this section if the person is a corporation or an officer, director or shareholder of that corporation or any subsidiary thereof, and that corporation:

(1) Has on file and in effect with the federal Securities and Exchange Commission a registration statement required under Section 5, Chapter 38, Title 1 of the Securities Act of 1933, as amended, 15 U.S.C. Section 77e(c);

(2) Submits to the director with the application for a permit evidence of the registration described in subdivision (1) of this subsection and a copy of the corporation's most recent annual form 10-K or an equivalent report; and

(3) Submits to the director on the anniversary date of the issuance of any permit it holds under the Missouri solid waste management law evidence of registration described in subdivision (1) of this subsection and a copy of the corporation's most recent annual form 10-K or an equivalent report.

25. After permit issuance, each facility shall annually file an update to the disclosure statement with the department of natural resources on or before March thirty-first of each year. Failure to provide such update may result in penalties as provided for under section 260.240.

26. Any county, district, municipality, authority, or other political subdivision of this state which owns and operates a sanitary landfill shall be exempt from the requirement for the filing of the disclosure statement and annual update to the disclosure statement.

27. Any person seeking a permit to operate a solid waste disposal area, a solid waste processing facility, or a resource recovery facility shall, concurrently with the filing of the application for a permit, disclose any convictions in this state, county or county-equivalent public health or land use ordinances related to the management of solid waste. If the department finds that there has been a continuing pattern of adjudicated violations by the applicant, the department may deny the application.

28. No permit to construct or permit to operate shall be required pursuant to this section for any utility waste landfill located in a county of the third classification with a township form of government which has a population of at least eleven thousand inhabitants and no more than twelve thousand five hundred inhabitants according to the most recent decennial census, if such utility waste landfill complies with all design and operating standards and closure requirements applicable to utility waste landfills pursuant to sections 260.200 to 260.345 and provided that no waste disposed of at such utility waste landfill is considered hazardous waste pursuant to the Missouri hazardous waste law.

29. Advanced recycling facilities are not subject to the requirements of this section as long as the feedstocks received by such facility are source-separated or diverted or recovered from municipal or other waste streams prior to acceptance at the advanced recycling facility."; and

260.243. **1.** The department of natural resources shall not issue a permit to an applicant for a commercial solid waste processing facility designed to incinerate solid waste in any county unless such facility meets the conditions established in this section. For the purposes of this section, a commercial solid waste processing facility is a facility designed to incinerate waste which accepts solid waste for a fee regardless of where such waste is generated. Any commercial solid waste processing facility which incinerates solid waste shall be located so as to provide a health and safety buffer zone to protect citizens living or working nearby. The size of the buffer zone shall be determined by the department but shall extend at least fifty feet from a facility located in a nonresidential area in a city not within a county or at least three hundred feet from a facility located elsewhere. Representative McGaugh offered **House Amendment No. 9**.

House Amendment No. 9

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 222, Page 8, Section 89.380, Line 25, by inserting after all of said section and line the following:

"162.471. 1. The government and control of an urban school district is vested in a board of seven directors.

2. Except as provided in section 162.563, each director shall be a voter of the district who has resided within this state for one year next preceding the director's election or appointment and who is at least twenty-four years of age. All directors, except as otherwise provided in sections 162.481, 162.492, and 162.563, shall hold their offices for six years and until their successors are duly elected and qualified. All vacancies occurring in the board**[**~~, except as provided in section 162.492,~~**]** shall be filled by appointment by the board as soon as practicable, and the person appointed shall hold office until the next school board election, when a successor shall be elected for the remainder of the unexpired term. The power of the board to perform any official duty during the existence of a vacancy continues unimpaired thereby.

162.492. 1. In all urban districts containing the greater part of the population of a city which has more than three hundred thousand inhabitants, the election authority of the city in which the greater portion of the school district lies, and of the county if the district includes territory not within the city limits, shall serve ex officio as a redistricting commission. The commission shall on or before November 1, 2018, divide the school district into five subdistricts, all subdistricts being of compact and contiguous territory and as nearly equal in the number of inhabitants as practicable and thereafter the board shall redistrict the district into subdivisions as soon as practicable after each United States decennial census. In establishing the subdistricts each member shall have one vote and a majority vote of the total membership of the commission is required to make effective any action of the commission.

2. School elections for the election of directors shall be held on municipal election days in 2014 and 2016. At the election in 2014, directors shall be elected to hold office until 2019 and until their successors are elected and qualified. At the election in 2016, directors shall be elected until 2019 and until their successors are elected and qualified. Beginning in 2019, school elections for the election of directors shall be held on the local election date as specified in the charter of a home rule city with more than four hundred thousand inhabitants and located in more than one county. Beginning at the election for school directors in 2019, the number of directors on the board shall be reduced from nine to seven. Two directors shall be at-large directors and five directors shall represent the subdistricts, with one director from each of the subdistricts. At the 2019 election, one of the at-large directors and the directors from subdistricts one, three, and five shall be elected for a two-year term, and the other at-large director and the directors from subdistricts two and four shall be elected for a four-year term. Thereafter, all seven directors shall serve a four-year term. Directors shall serve until the next election and until their successors, then elected, are duly qualified as provided in this section. In addition to other qualifications prescribed by law, each member elected from a subdistrict shall be a resident of the subdistrict from which he or she is elected. The subdistricts shall be numbered from one to five.

3. The five candidates, one from each of the subdistricts, who receive a plurality of the votes cast by the voters of that subdistrict and the at-large candidates receiving a plurality of the at-large votes shall be elected. The name of no candidate for nomination shall be printed on the ballot unless the candidate has at least sixty days prior to the election filed a declaration of candidacy with the secretary of the board of directors containing the signatures of at least two hundred fifty registered voters who are residents of the subdistrict within which the candidate for nomination to a subdistrict office resides, and in case of at-large candidates the signatures of at least five hundred registered voters. The election authority shall determine the validity of all signatures on declarations of candidacy.

4. In any election either for at-large candidates or candidates elected by the voters of subdistricts, if there are more than two candidates, a majority of the votes are not required to elect but the candidate having a plurality of the votes shall be elected.

5. The names of all candidates shall appear upon the ballot without party designation and in the order of the priority of the times of filing their petitions of nomination. No candidate may file both at large and from a subdistrict and the names of all candidates shall appear only once on the ballot, nor may any candidate file more than one declaration of candidacy. All declarations shall designate the candidate's residence and whether the candidate is filing at large or from a subdistrict and the numerical designation of the subdistrict or at-large area.

6. The provisions of all sections relating to seven-director school districts shall also apply to and govern urban districts in cities of more than three hundred thousand inhabitants, to the extent applicable and not in conflict with the provisions of those sections specifically relating to such urban districts.

7. Vacancies which occur on the school board **[**~~between the dates of election shall be filled by special election if such vacancy happens more than six months prior to the time of holding an election as provided in subsection 2 of this section. The state board of education shall order a special election to fill such a vacancy. A letter from the commissioner of education, delivered by certified mail to the election authority or authorities that would normally conduct an election for school board members shall be the authority for the election authority or authorities to proceed with election procedures. If a vacancy occurs less than six months prior to the time of holding an election as provided in subsection 2 of this section, no special election shall occur and the vacancy shall be filled at the next election day on which local elections are held as specified in the charter of any home rule city with more than four hundred thousand inhabitants and located in more than one county~~**] shall be filled in the manner provided in section 162.471**."; and

Further amend said bill, Page 9, Section 534.157, Line 3, by inserting after all of said section and line the following:

"**578.712. 1. A person commits the offense of tampering with an elected county official if, with the purpose to harass, intimidate, or influence such official in the performance of such official's official duties, the person disseminates through any means, including by posting on the internet, the elected county official's or the elected county official's family's personal information.**

2. The offense of tampering with an elected county official is a class D felony. If a violation of this section results in death or bodily injury to an elected county official or a member of the elected county official's family, the offense is a class B felony.

3. For purposes of this section, "personal information" includes a home address, Social Security number, federal tax identification number, checking or savings account number, marital status, and identity of child under eighteen years of age."; and

"Page 7, Line 84, by inserting after all of the said line the following:

"72.418. 1. Notwithstanding any other provision of law to the contrary, no new city created pursuant to sections 72.400 to 72.423 shall establish a municipal fire department to provide fire protection services, including emergency medical services, if such city formerly consisted of unincorporated areas in the county or municipalities in the county, or both, which are provided fire protection services and emergency medical services by one or more fire protection districts. Such fire protection districts shall continue to provide services to the area comprising the new city and may levy and collect taxes the same as such districts had prior to the creation of such new city.

2. Fire protection districts serving the area included within any annexation by a city having a fire department, including simplified boundary changes, shall continue to provide fire protection services, including emergency medical services to such area. The annexing city shall pay annually to the fire protection district an amount equal to that which the fire protection district would have levied on all taxable property within the annexed area. Such annexed area shall not be subject to taxation for any purpose thereafter by the fire protection district except for bonded indebtedness by the fire protection district which existed prior to the annexation. The amount to be paid annually by the municipality to the fire protection district pursuant hereto shall be a sum equal to the annual assessed value multiplied by the annual tax rate as certified by the fire protection district to the municipality, including any portion of the tax created for emergency medical service provided by the district, per one hundred dollars of assessed value in such area. The tax rate so computed shall include any tax on bonded indebtedness incurred subsequent to such annexation, but shall not include any portion of the tax rate for bonded indebtedness incurred prior to such annexation. Notwithstanding any other provision of law to the contrary, the residents of an area annexed on or after May 26, 1994, may vote in all fire protection district elections and may be elected to the fire protection district board of directors.

3. The fire protection district may approve or reject any proposal for the provision of fire protection and emergency medical services by a city.

4. Notwithstanding any other provision of law to the contrary, no city shall have any obligation to make any payments for the provision of fire protection services for any territory or tract of land included in a fire protection district pursuant to subsection 3 of section 321.300."; and

Further amend said amendment, Page 3, Line 4, by inserting after all of the said line the following:

"Further amend said bill, Page 9, Section 182.819, Line 10, by inserting after all of said section and line the following:

"321.300. 1. The boundaries of any district organized pursuant to the provisions of this chapter may be changed in the manner prescribed in this section; but any change of boundaries of the district shall not impair or affect its organization or its rights in or to property, or any of its rights or privileges whatsoever; nor shall it affect or impair or discharge any contract, obligation, lien or charge for or upon which it might be liable or chargeable had any change of boundaries not been made.

2. The boundaries may be changed as follows:

(1) Twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed may file with the board a petition in writing praying that such real property be included within the district; provided that in the case of a municipality having less than twenty percent of its total population in one fire protection district, the entire remaining portion may be included in another district so that none of the city is outside of a fire protection district at the time. The petition shall describe the property to be included in the district and shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in the district of the property described in the petition; and such petition shall be in substantially the form set forth in section 321.495 dealing with referendums and verified in like manner; provided, however, that in the

event that there are more than twenty-five property owners or taxpaying electors signing the petition, it shall be deemed sufficient description of their property in the petition as required in this section to list the addresses of such property; or

(2) All of the owners of any territory or tract of land near or adjacent to a fire protection district who own all of the real estate in such territory or tract of land may file a petition with the board praying that such real property be included in the district. The petition shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in the district of the property described in the petition;

(3) Notwithstanding any provision of law to the contrary, in any fire protection district which is partly or wholly located in a noncharter county of the first classification with a population of less than one hundred thousand which adjoins any county of the first classification with a charter form of government with a population of nine hundred thousand or more inhabitants, if such fire protection district serves any portion of a city which is located in both such counties, the boundaries of the district may be expanded so as to include the entire city within the fire protection district, but the boundaries of the district shall not be expanded beyond the city limits of such city, as the boundaries of such city existed on January 1, 1993. Such change in the boundaries of the district shall be accomplished only if twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed file with the board a petition in writing praying that such real property be included within the district. The petition shall describe the property to be included in the district and shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in the district of the property described in the petition; and such petition shall be in substantially the form set forth in section 321.495 dealing with referendums and verified in like manner.

3. **Notwithstanding any other provision of chapter 321 to the contrary, in any county with a charter form of government where fifty or more cities, towns and villages have been established any territory or tract of land in a city with a population greater than twenty-four thousand but less than twenty-eight thousand, which territory of tract of land was previously excluded from a fire protection district following a municipal annexation and which receives fire protection and emergency medical services from that fire protection district, may be also included in that fire protection district as follows:**

(1) Any owner of property within a territory or tract of land proposed to be included in the fire protection district serving that territory or tract of land may file a petition with the board of directors of the fire protection district. If the county election authority determines there were no registered voters residing within the territory or tract of land as of the date of the earliest signature on the petition, no election as provided in section 321.301 shall be held with regard to inclusion of such a territory or tract of land.

(2) If the petition does not include the signatures of all property owners within the territory or tract of land, the board of directors of the fire protection district shall schedule a public hearing and provide notice of the filing of the petition as provided in subsection 4 of this section, at which the board shall determine whether to grant the petition or part thereof, as provided in subsection 5 of this section.

(3) If the board grants the petition, in whole or in part, any person aggrieved by the decision of the board may appeal the decision as provided for in subsection 6 of this section.

4. The secretary of the board shall cause notice of the filing of any petition filed pursuant to this section to be given and published in the county in which the property is located, which notice shall recite the filing of such petition, the number of petitioners, a general description of the boundaries of the area proposed to be included and the prayer of the petitioners; giving notice to all persons interested to appear at the office of the board at the time named in the notice and show cause in writing, if any they have, why the petition should not be granted. The board shall at the time and place mentioned, or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto presented in writing by any person showing cause why the petition should not be granted. The failure of any person interested to show cause in writing why such petition shall not be granted shall be deemed as an assent on his part to the inclusion of such lands in the district as prayed for in the petition.

[~~4.~~**] 5.** If the board deems it for the best interest of the district, it shall grant the petition, but if the board determines that some portion of the property mentioned in the petition cannot as a practical matter be served by the district, or if it deems it for the best interest of the district that some portion of the property in the petition not be included in the district, then the board shall grant the petition in part only. If the petition is granted, the board shall make an order to that effect and file the same with the circuit clerk; and upon the order of the court having jurisdiction over the district, the property shall be included in the district. If the petition contains the signatures of all the owners of the property pursuant to the provisions of subdivision (2) of subsection 2 of this section, the property shall be included in the district upon the order of the court. If the petition contains the signatures of

twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed pursuant to subdivision (1) or subdivision (3) of subsection 2 of this section, the property shall be included in the district subject to the election provided in section 321.301. The circuit court having jurisdiction over the district shall proceed to make any such order including such additional property within the district as is provided in the order of the board, unless the court shall find that such order of the board was not authorized by law or that such order of the board was not supported by competent and substantial evidence.

[~~5.~~] 6. Any person aggrieved by any decision of the board made pursuant to the provisions of this section may appeal that decision to the circuit court of the county in which the property is located within thirty days of the decision by the board.

[~~6.~~] 7. No fire protection district, or employee thereof, in which territory is annexed pursuant to this section shall be required to comply with any prescribed firefighter training program or regimen which would not otherwise apply to the district or its employees, but for the requirements applicable to the annexed territory."; and"; and

Except as provided in subsection 4 of this section, upon receipt of notice of a special election to fill a vacancy submitted pursuant to subsection 2 of section 115.125, the election authority shall cause legal notice of the special election to be published in a newspaper of general circulation in its jurisdiction. The notice shall include the name of the officer or agency calling the election, the date and time of the election, the name of the office to be filled and the date by which candidates must be selected or filed for the office. Within one week prior to each special election to fill a vacancy held in its jurisdiction, the election authority shall cause legal notice of the election to be published in two newspapers of different political faith and general circulation in the jurisdiction. The legal notice shall include the date and time of the election, the name of the officer or agency calling the election and a sample ballot. If there is only one newspaper of general circulation in the jurisdiction, the notice shall be published in the newspaper within one week prior to the election. If there are two or more newspapers of general circulation in the jurisdiction, but no two of opposite political faith, the notice shall be published in any two of the newspapers within one week prior to the election.

2. Except as provided in subsections 1 and 4 of this section and in sections 115.521, 115.549 and 115.593, the election authority shall cause legal notice of each election held in its jurisdiction to be published. The notice shall be published in two newspapers of different political faith and qualified pursuant to chapter 493 which are published within the bounds of the area holding the election. If there is only one so-qualified newspaper, then notice shall be published in only one newspaper. If there is no newspaper published within the bounds of the election area, then the notice shall be published in two qualified newspapers of different political faith serving the area. Notice shall be published twice, the first publication occurring in the second week prior to the election, and the second publication occurring within one week prior to the election. Each such legal notice shall include the date and time of the election, the name of the officer or agency calling the election and a sample ballot; and, unless notice has been given as provided by section 115.129, the second publication of notice of the election shall include the location of polling places. The election authority may provide any additional notice of the election it deems desirable.

3. The election authority shall print the official ballot as the same appears on the sample ballot, and no candidate's name or ballot issue which appears on the sample ballot or official printed ballot shall be stricken or removed from the ballot except on death of a candidate or by court order, but in no event shall a candidate or issue be stricken or removed from the ballot less than eight weeks before the date of the election.

4. In lieu of causing legal notice to be published in accordance with any of the provisions of this chapter, the election authority in jurisdictions which have less than seven hundred fifty registered voters and in which no newspaper qualified pursuant to chapter 493 is published, may cause legal notice to be mailed during the second week prior to the election, by first class mail, to each registered voter at the voter's voting address. All such legal notices shall include the date and time of the election, the location of the polling place, the name of the officer or agency calling the election and a sample ballot.

Such notification may be accomplished by legal notice published in at least one newspaper of general circulation in the political subdivision or special district.

6. Except as provided for in sections 115.247 and 115.359, if there is no additional cost for the printing or reprinting of ballots or if the candidate agrees to pay any printing or reprinting costs, a candidate who has filed for an office or who has been duly nominated for an office may, at any time after the certification of the notice of election required in subsection 1 of section 115.125 but no later than 5:00 p.m. on the eighth Tuesday before the election, withdraw as a candidate pursuant to a court order, which, except for good cause shown by the election authority in opposition thereto, shall be freely given upon application by the candidate to the circuit court of the area of such candidate's residence.

The purpose of these procedures and requirements is to provide for an orderly and appropriate transition in the governance of the police force and provide for an equitable employment transition for commissioned and civilian personnel.

2. Upon the establishment of a municipal police force by a city under sections 84.343 to 84.346, the board of police commissioners shall convey, assign, and otherwise transfer to the city title and ownership of all indebtedness and assets, including, but not limited to, all funds and real and personal property held in the name of or controlled by the board of police commissioners created under sections 84.010 to 84.340. The board of police commissioners shall execute all documents reasonably required to accomplish such transfer of ownership and obligations.

3. If the city establishes a municipal police force and completes the transfer described in subsection 2 of this section, the city shall provide the necessary funds for the maintenance of the municipal police force.

4. Before a city not within a county may establish a municipal police force under this section, the city shall adopt an ordinance accepting responsibility, ownership, and liability as successor-in-interest for contractual obligations, indebtedness, and other lawful obligations of the board of police commissioners subject to the provisions of subsection 2 of section 84.345.

5. A city not within a county that establishes a municipal police force shall initially employ, without a reduction in rank, salary, or benefits, all commissioned and civilian personnel of the board of police commissioners created under sections 84.010 to 84.340 that were employed by the board immediately prior to the date the municipal police force was established. Such commissioned personnel who previously were employed by the board may only be involuntarily terminated by the city not within a county for cause. The city shall also recognize all accrued years of service that such commissioned and civilian personnel had with the board of police commissioners. Such personnel shall be entitled to the same holidays, vacation, and sick leave they were entitled to as employees of the board of police commissioners.

6. **[**~~(1)~~**]** Commissioned and civilian personnel of a municipal police force established under this section **[**~~who are hired prior to September 1, 2023,~~**]** shall not be subject to a residency requirement of retaining a primary residence in a city not within a county but may be required to maintain a primary residence located within a one-hour response time.

[~~(2) Commissioned and civilian personnel of a municipal police force established under this section who are hired after August 31, 2023, may be subject to a residency rule no more restrictive than a requirement of retaining a primary residence in a city not within a county for a total of seven years and of then allowing the personnel to maintain a primary residence outside the city not within a county so long as the primary residence is located within a one-hour response time.~~**]**

7. The commissioned and civilian personnel who retire from service with the board of police commissioners before the establishment of a municipal police force under subsection 1 of this section shall continue to be entitled to the same pension benefits provided under chapter 86 and the same benefits set forth in subsection 5 of this section.

8. If the city not within a county elects to establish a municipal police force under this section, the city shall establish a separate division for the operation of its municipal police force. The civil service commission of the city may adopt rules and regulations appropriate for the unique operation of a police department. Such rules and regulations shall reserve exclusive authority over the disciplinary process and procedures affecting commissioned officers to the civil service commission; however, until such time as the city adopts such rules and regulations, the commissioned personnel shall continue to be governed by the board of police commissioner's rules and regulations in effect immediately prior to the establishment of the municipal police force, with the police chief acting in place of the board of police commissioners for purposes of applying the rules and regulations. Unless otherwise provided for, existing civil service commission rules and regulations governing the appeal of disciplinary decisions to the civil service commission shall apply to all commissioned and civilian personnel. The civil service commission's rules and regulations shall provide that records prepared for disciplinary purposes shall be confidential, closed records available solely to the civil service commission and those who possess authority to conduct investigations regarding disciplinary matters pursuant to the civil service commission's rules and regulations. A hearing officer shall be appointed by the civil service commission to hear any such appeals that involve discipline resulting in a suspension of greater than fifteen days, demotion, or termination, but the civil service commission shall make the final findings of fact, conclusions of law, and decision which shall be subject to any right of appeal under chapter 536.

9. A city not within a county that establishes and maintains a municipal police force under this section:

(4) May pay an additional shift differential compensation to commissioned and civilian personnel for evening and night tours of duty in an amount not to exceed ten percent of the officer's base hourly rate.

10. A city not within a county that establishes a municipal police force under sections 84.343 to 84.346 shall establish a transition committee of five members for the purpose of: coordinating and implementing the transition of authority, operations, assets, and obligations from the board of police commissioners to the city; winding down the affairs of the board; making nonbinding recommendations for the transition of the police force from the board to the city; and other related duties, if any, established by executive order of the city's mayor. Once the ordinance referenced in this section is enacted, the city shall provide written notice to the board of police commissioners and the governor of the state of Missouri. Within thirty days of such notice, the mayor shall appoint three members to the committee, two of whom shall be members of a statewide law enforcement association that represents at least five thousand law enforcement officers. The department may share the results of such a criminal background check with any emergency services licensing agency in any member state, as that term is defined under section 190.900, in recognition of the EMS personnel licensure interstate compact. The department shall not issue a license until the department receives the results of an applicant's criminal background check from the Missouri state highway patrol and the Federal Bureau of Investigation, but, notwithstanding this subsection, the department may issue a temporary license as provided under section 190.143. Any fees due for a criminal background check shall be paid by the applicant.

(3) The director may authorize investigations into criminal records in other states for any applicant.

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

190.147. 1. **[**~~An emergency medical technician paramedic (EMT-P)~~**] A paramedic** may make a good faith determination that such behavioral health patients who present a likelihood of serious harm to themselves or others, as the term "likelihood of serious harm" is defined under section 632.005, or who are significantly incapacitated by alcohol or drugs shall be placed into a temporary hold for the sole purpose of transport to the nearest appropriate facility; provided that, such determination shall be made in cooperation with at least one other **[**~~EMT-P~~**] paramedic** or other health care professional involved in the transport. Once in a temporary hold, the patient shall be treated with humane care in a manner that preserves human dignity, consistent with applicable federal regulations and nationally recognized guidelines regarding the appropriate use of temporary holds and restraints in medical transport. The writing shall be retained by the ambulance service and included as part of the patient's medical file.

3. **[**~~EMT-Ps~~**] Paramedics** who have made a good faith decision for a temporary hold of a patient as authorized by this section shall no longer have to rely on the common law doctrine of implied consent and therefore shall not be civilly liable for a good faith determination made in accordance with this section and shall not have waived any sovereign immunity defense, official immunity defense, or Missouri public duty doctrine defense if employed at the time of the good faith determination by a government employer.

4. Any ground or air ambulance service that adopts the authority and protocols provided for by this section shall have a memorandum of understanding with applicable local law enforcement agencies in order to achieve a collaborative and coordinated response to patients displaying symptoms of either a likelihood of serious harm to themselves or others or significant incapacitation by alcohol or drugs, which require a crisis intervention response. The memorandum of understanding shall include, but not be limited to, the following:

Restraint shall also be permitted through cooperation with on-scene law enforcement officers. All incidents involving patient restraint used under the authority of this section shall be reviewed by the ambulance service physician medical director.

Upon appointment of the initial members of the board, the commission shall relinquish all powers and duties to the board and no longer exercise the duties prescribed in this chapter with regard to the provision of central dispatching service and such duties shall be exercised by the board.

(2) When prepaid wireless telecommunications service is sold with one or more products or services for a single, nonitemized price, the prepaid wireless emergency telephone service charge set forth in subdivision (1) of this subsection shall apply to the entire nonitemized price unless the seller elects to apply such service charge in the following way:

(a) If the amount of the prepaid wireless telecommunications service is disclosed to the consumer as a dollar amount, three percent of such dollar amount; or

(b) If the seller can identify the portion of the price that is attributable to the prepaid wireless telecommunications service by reasonable and verifiable standards from the seller's books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes, three percent of such portion;

The first fifteen dollars of each transaction under this subdivision shall not be subject to the service charge.

(3) The prepaid wireless emergency telephone service charge shall be collected by the seller from the consumer with respect to each retail transaction occurring in this state. The amount of the prepaid wireless emergency telephone service charge shall be either separately stated on an invoice, receipt, or other similar document that is provided to the consumer by the seller or otherwise disclosed to the consumer.

(4) For purposes of this subsection, a retail transaction that is effected in person by a consumer at a business location of the seller shall be treated as occurring in this state if that business location is in this state, and any other retail transaction shall be treated as occurring in this state if the retail transaction is treated as occurring under chapter 144.

(5) The prepaid wireless emergency telephone service charge is the liability of the consumer and not of the seller or of any provider; except that, the seller shall be liable to remit all charges that the seller collects or is deemed to collect.

(6) The amount of the prepaid wireless emergency telephone service charge that is collected by a seller from a consumer, if such amount is separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller, shall not be included in the base for measuring any tax, fee, surcharge, or other charge that is imposed by this state, any political subdivision of this state, or any intergovernmental agency.

3. (1) Prepaid wireless emergency telephone service charges collected by sellers shall be remitted to the department at the times and in the manner provided by state law with respect to sales and use taxes. The department shall establish registration and payment procedures that substantially coincide with the registration and payment procedures that apply under state law. On or after the effective date of the service charge imposed under the provisions of this section, the director of the department of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the service charge, and the director shall collect, in addition to the sales tax for the state of Missouri, all additional service charges imposed in this section. All service charges imposed under this section together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057 shall apply to the collection of any service charges imposed under this section except as modified.

(2) Beginning on January 1, 2019, and ending on January 31, 2019, when a consumer purchases prepaid wireless telecommunications service in a retail transaction from a seller under this section, the seller shall be allowed to retain one hundred percent of the prepaid wireless emergency telephone service charges that are collected by the seller from the consumer. Beginning on February 1, 2019, a seller shall be permitted to deduct and retain three percent of prepaid wireless emergency telephone service charges that are collected by the seller from consumers.

(3) The department shall establish procedures by which a seller of prepaid wireless telecommunications service may document that a sale is not a retail transaction, which procedures shall substantially coincide with the procedures for documenting sale for resale transactions for sales and use purposes under state law.

(4) The department shall deposit all remitted prepaid wireless emergency telephone service charges into the general revenue fund for the department's use until eight hundred thousand one hundred fifty dollars is collected to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges. From then onward, the department shall deposit all remitted prepaid wireless emergency telephone service charges into the Missouri 911 service trust fund created under section 190.420 within thirty days of receipt for use by the board. After the initial eight hundred thousand one hundred fifty dollars is collected, the department may deduct an amount not to exceed one percent of collected charges to be retained by the department to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges.

(5) The board shall set a rate between twenty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties without a charter form of government, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to such counties in direct proportion to the amount of charges collected in each county. The board shall set a rate between sixty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties with a charter form of government and any city not within a county, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to each such county or city not within a county in direct proportion to the amount of charges collected in each such county or city not within a county. If a county has an elected emergency services board, the Missouri 911 service board shall remit the funds to the elected emergency services board, except for an emergency services board originally organized under section 190.325 operating within a county with a charter form of government and with more than two hundred thousand but fewer than three hundred fifty thousand inhabitants, in which case the funds shall be remitted to the county's general fund for the purpose of public safety infrastructure. The initial percentage rate set by the board for counties with and without a charter form of government and any city not within a county

shall be set by June thirtieth of each applicable year and may be adjusted annually for the first three years, and thereafter the rate may be adjusted every three years; however, at no point shall the board set rates that fall below twenty-five percent for counties without a charter form of government and sixty-five percent for counties with a charter form of government and any city not within a county.
